Small game and furbearer hunting and trapping on public lands and other federally owned areas

This administrative regulation establishes exceptions to statewide small game and furbearer regulations on public lands and other federally owned areas.

Significant Changes

This amendment will shift upland bird quota hunts on Clay Wildlife Management Area to avoid overlap with expanded hunting opportunities for deer hunting. It will also close the area to other small game hunters until 2:00 p.m.

3 (Amendment)

4 301 KAR 2:049. Small game and furbearer hunting and trapping on public lands and other

5 federally owned areas.

6 RELATES TO: KRS 150.010, 150.092, 150.170, 150.370, 150.399, 150.400, 150.410, 150.990,

7 150.995

8 STATUTORY AUTHORITY: KRS 150.025(1), 150.620

9 NECESSITY, FUNCTION, AND CONFORMITY: KRS 150.025(1) authorizes the department

10 to promulgate administrative regulations to establish open seasons for the taking of wildlife, to

11 regulate bag limits and methods of take, and to make these requirements apply statewide or to a

12 limited area. KRS 150.620 authorizes the department to promulgate administrative regulations

13 for the maintenance and operation of the lands it has acquired for public recreation. This

14 administrative regulation establishes exceptions to statewide small game and furbearer

15 regulations on public areas.

16 Section 1. Definitions. (1) "Adult" means a person who is at least eighteen (18) years of age.

17 (2) "Upland bird" means a ruffed grouse or northern bobwhite.

18 (3) "Wildlife Management Area" or "WMA" means a tract of land:

15 (4) A youth-mentor quota hunt party shall have a minimum of one (1) youth as a member of the

16 party.

17 (5) A person shall comply with all quota hunt requirements or be ineligible to apply for any other

18 quota hunt during the following year, except for an elk quota hunt.

19 (6) A youth shall only apply as part of a party that has at least one (1) adult.

20 (7) The department may extend the application deadline if technical difficulties with the

21 automated application system prevent applications from being accepted for one (1) or more days

22 during the application period.

23 (8) A quota hunt applicant who is not selected and applies to hunt the following year shall be

1 given one (1) preference point for each year the applicant was not selected.

2 (9) A random selection of hunters with preference points shall be made for each year's quota

3 hunts before those without preference points are chosen.

4 (10) A person shall forfeit all accumulated points if, in a given year, the person does not apply

5 for the hunt in which points were earned.

6 Section 8. Dog Training Areas on Wildlife Management Areas. (1) A group or club may request

7 that a dedicated dog training area be authorized by the department on a specific WMA.

8 (2) The department shall authorize a dog training area if:

9 (a) The department approves a suitable location for the dog training area; and

10 (b) A signed memorandum of understanding is entered into with the club or group.

11 (3) The conditions established in this subsection shall apply for each dog training area on a

12 WMA.

13 (a) All northern bobwhite quail to be used in training shall be banded with aluminum leg bands

14 and individually placed in the dog training area.

15 (b) Dog training areas shall remain open to all other legal WMA uses.

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

301 KAR 2:049. Small game and furbearer hunting and trapping on public and other federal areas.
Contact Person: Rose Mack

(1) Provide a brief summary of:
(a) What this administrative regulation does: This administrative regulation establishes exceptions to statewide small game and furbearer regulations on public lands and other federally owned areas.
(b) The necessity of this administrative regulation: This administrative regulation is necessary to properly manage small game and furbearer populations, and to provide reasonable hunting and trapping opportunity on public lands.
(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 150.025(1) authorizes the Department to promulgate administrative regulations establishing open seasons for the taking of wildlife, to regulate bag limits, and to make these requirements apply statewide or to a limited area. KRS 150.620 authorizes the department to promulgate administrative regulations for the maintenance and operation of lands it has acquired for public recreation.
(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists the administration of the statutes by establishing small game and furbearer hunting and trapping seasons and regulating hunting opportunity on public lands.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:
(a) How the amendment will change this existing administrative regulation: This amendment will shift upland bird quota hunts on Clay WMA to avoid overlap with expanded hunting opportunities for deer hunting. It will also close the area to other small game hunters until 2:00 p.m.
(b) The necessity of the amendment to this administrative regulation: The amendment will maximize public hunting opportunity while mitigating conflicts between differing user groups.
(c) How the amendment conforms to the content of the authorizing statutes: See (1)(c) above.
(d) How the amendment will assist in the effective administration of the statutes: See (1)(d) above.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: There are no estimates for the number of hunters that use Clay WMA for small game hunting.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:
(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: This amendment establishes new hunting dates and time periods for small game hunters.
(b) In complying with this administrative regulation or amendment, how much will it cost each

of the entities identified in question (3): This regulation amendment does not directly increase any cost for hunters.
(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): This regulation change will minimize user conflicts between deer hunters and upland bird hunters and other small game hunters.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:
(a) Initially: There will be no additional cost to the department to implement this administrative regulation.
(b) On a continuing basis: There will be no additional cost to the department on a continuing basis.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The source of funding is the State Game and Fish Fund.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment. It will not be necessary to increase a fee or funding to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This regulation amendment did not establish any fees.

(9) TIERING: Is tiering applied? Tiering was not used because all hunters must comply with this regulation.
