

Example Sponsor Letter

Kentucky Falconry Coordinator,

I am writing to inform you of my intent to be Apprentice Applicant's falconry sponsor. I am a master class falconer with one other apprentice. I will assist Apprentice Applicant in learning about the husbandry and training of raptors. I will serve as a mentor in relevant wildlife laws and regulations, and help them decide which species of raptor is most appropriate for them to trap or possess. I will also supervise them in the trapping of wild raptors for falconry and visit their facility at minimum once every 12 months.

Sincerely,
