### OVERVIEW

**Grant opportunities are limited based on available funding each year. All grants will be distributed to qualified programs on a first come-first-serve basis. This is a competitive process.**

### Grants Offered:

- 1) **Equipment Grant**--Up to \$800 reimbursement for purchase of "equipment kit". Price of the kit may vary slightly; KDFWR will reimburse ½ of the actual cost up to \$800. Reimbursements will be provided upon receiving all grant requirements at end of Grant Year.
- 2) **Loaner Kit Grant**—A limited number of loaner kits will be available each year for programs across the state. Borrowers must sign a loaner kit agreement accepting responsibility for all equipment and accepting to pay replacement costs for lost/damaged items.
- 3) **3D Target Grant**—The Fish & Wildlife Foundation will be offering 3D targets to applicable programs across Kentucky. Targets will be provided to programs that successfully register students with KDFWR. One 3D target will be awarded for every 10 students registered. (Limit 3 targets per year).
