Rabbit Hunting Log Instructions:

Please keep an accurate record of all of your rabbit hunting efforts for the season on the survey form provided.

- 1. Record all hunts on a separate line, whether successful or not. All hunts are important!
- 2 Record the number of hours hunted to the nearest ½ hour
- 3. Only one hunter in a party should complete this form. A party is defined here as a group of hunters who hunt together and whose actions likely influence success of other hunters in the group. Two or more individuals who hunt in the same general area but do not influence each other's chance of seeing game should not consider themselves as a party, but should instead fill out separate forms.
- 4. If you need more than the space provided you can use more than one survey form. Just be sure to send all of **your individual** forms in together.

At the end of the season, or when you are through hunting for the season, return the survey to:

Upland Game Program Attn: Rabbit Survey #1 Sportsman's Lane Frankfort, KY 40601

* All hunting log cooperators will receive an annual report and FREE hunting cap.
