The items highlighted here are a quick overview of the changes to this year's regulations. **Changes from last season are printed in bright blue** in complete detail throughout this guide to assist you in noticing those changes.

FISHING

- A 12- to 16-inch protective slot limit on smallmouth bass in Otter Creek. All smallmouth bass caught between 12 and 16 inches must be immediately released. Daily creel limit of

6 fish; only 1 may be longer than 16 inches.

- Minimum length limit on striped bass in Lake Cumberland reduced from 24 to 22 inches.

* Singly or combined; a total of these species

** No more than 5 fish in the daily creel limit may be more than 15 inches long.

*** Possession limit is double the daily creel limit for these species.

Fish not included in this list are considered rough fish. There are no size or creel limits for rough fish, unless special regulations apply. For daily creel and fishing license purposes, one fishing day equals one calendar day. Except for trout on Cumberland River, anglers may cull fish of a particular species until reaching the daily creel limit. Any additional fish caught in excess of the daily creel limit must be released immediately.

STATEWIDE SIZE AND CREEL LIMITS (301 KAR 1:060, 1:201; KRS 150.010)

Fishing season is open year-round in Kentucky, except on waterfowl refuges and as otherwise noted in this guide. Statewide size and creel limits apply to all Kentucky waters, public and private, except some waters have different limits (see, "Special Fishing Regulations".) The Kentucky Trout Waters information is now incorporated into this guide. Please see page 23.

MEASURING FISH (301 KAR 1:201)

Measure all fish from the tip of the lower jaw (closed) to the tip of the tail

with fish laid flat on rule with tail lobes squeezed together. Undersized fish must be returned immediately to the waters from which they were taken in the best possible physical condition.

Q: How is a daily creel limit different than a possession limit?

A: The daily creel limit is the number of a particular sport fish species you may keep in one day's fishing. A possession limit is two times the daily creel limit for all fish species with a daily creel limit and excludes processed fish.

NEED A PLACE TO FISH?

Find new fishing information on Kentucky waterbodies by visiting fw.ky.gov. Click on the "Fishing" tab, then on "Where to Fish" and lastly "Find A Place to Fish." Anglers may search lakes, rivers and creeks for boat ramps and access points, what species are available and maps of how to get there plus other useful information.

Also under the "Where to Fish" tab is the 2013 Fishing Forecast. This report details the anticipated fishing success for each species in major waterbodies based on population samples conducted by KDFWR fisheries biologists.

Although the VPA program is now in a reduced capacity, many sites remain open to public use. Check the Kentucky Fish and Wildlife website at fw.ky.gov.

SPECIAL FISHING REGULATIONS

(301 KAR 1:080, 1:180, 1:201, 2:222 4:100, 4:200E; KRS 150.010, 150.025)

Q: Is fishing allowed around a dock or a marina?

A: It depends. Public marinas on U.S. Army Corps of Engineers Lakes have contractual agreements that address lease space on public waters. The Corps presently allows the marina owners or operators to post signs that prohibit fishing within 150 feet of their floating structures. These agreements do not prohibit a person from fishing in their boat rental slip. This policy does not apply to privately owned boat docks on Corps lakes.

The daily noon-to-noon creel limit for bullfrogs is 15. The possession limit is 30.

TURTLES

(301 KAR 1:058)

cies. Commercial fishing gear may not be used to take turtles. A hunting license is required when taking turtles by gun or by bow and arrow. Otherwise a fishing license is required. Turtles can not be sold.

Turtle traps may be one of two kinds: either a barrel or drum with a tilting trigger board or a floating log raft with an enclosed twine or wire mesh bag. Turtle traps must be inspected daily. All turtles must be removed daily except one decoy turtle may remain. Any other species (except soft shelled and snapping turtles) caught in a turtle trap must be released unharmed.

Blueback herring are not native to Kentucky and may not be imported or possessed in this state.

Holders of sport fishing licenses may take live bait from public waters and may possess up to 500 minnows, 500 crayfish, 25 spring lizards or dusky salamanders, 5 frogs (other than bullfrogs), 5 tadpoles, 100 native lampreys, 500 other aquatic invertebrate organisms other than mussels, 500 shad (except on lakes where shad possession/use is prohibited), 500 herring and any number of unshelled Asiatic clams. A commercial license is required to take live bait from public waters open to commercial fishing for the purpose of selling.

Regardless of size or how obtained, it is illegal to use any sport fish for bait (except redear sunfish less than 6 inches long). (Sport fish species listed on page 3). Minnows are defined as all fish, except sport fish species, less than 6 inches long. Also, see page 21 for a description

of fish species protected in Kentucky under the Endangered Species Act – these fish species **shall not be taken for any use**. Bluegills are not sport fish and may be taken for bait as described above.

Live bait may be taken with the following gear:

- **Dip Nets:** Maximum size of 3 feet in diameter is legal in the Ohio, Tennessee and Mississippi rivers, Cumberland River below Barkley Dam, Kentucky River below Lock No. 14, and all lakes having 1,000 or more surface acres.
- **Minnow Traps:** Maximum legal size statewide: 3 feet long, 18 inches in diameter, 1-inch openings for catching.
- **Seines:** Maximum legal size statewide: 10 feet long, 4 feet deep, ¼-inch mesh. Maximum legal size in the Ohio and Mississippi rivers and Kentucky and Barkley lakes: 30 feet long, 6 feet deep

and ¼-inch bar mesh.

- **Sport Cast Nets:** Maximum sport cast net size is 20 feet in diameter with maximum 1-inch bar mesh statewide except in the following waters. Sport cast nets prohibited in: 1) lakes having fewer than 500 surface acres, 2) any of the streams and tailwaters listed in the “Trout Waters” section of this guide, 3) tributaries of the Cumberland River between Wolf Creek Dam and the Tennessee state line except Crocus and Marrowbone creeks where sport cast mesh size must be made of 1-inch bar mesh only, 4) from the mouth of Crocus Creek upstream for 50 yards.

All sport fish incidentally taken while capturing live bait with seines, dip nets or cast nets must be released immediately unharmed into the water.

SPORT FISHING TROTTLINES, JUGGING and SET LINES (LIMB LINES)

(301 KAR 1:410; KRS 150.010)

A sport fishing trotline is a line with no more than 50 single or multi-barbed baited hooks that must be at least 18 inches apart. A sport fishing trotline must be set at least three feet below the water’s surface. Jugging is fishing with a

single baited line attached to any floating object. A jug line may have no more than one single or multi-barbed hook. A set line is a line with one single or multi-barbed hook. It may be attached to a tree limb, tree trunk, bank pole or other stationary object on the bank of a stream or impoundment.

One person may use no more than two sport fishing trotlines or 50 jug lines or 25 set lines at any one time. Each boat may not use more than 50 jug lines, but each occupant may use two sportfishing trotlines or 25 set lines. Each sport fishing trotline, jug line or set line must be: 1) **permanently labeled** with the name and address of the user; 2) baited,

checked and all fish removed at least once every 24 hours; 3) **removed** from water, bank or tree when fishing ceases.

Prohibited Areas: Sport fishing trotlines, jug lines or set lines may not be used within 200 yards below any dam. Sport fishing trotlines, jug lines or

Q: How many fishing poles are you allowed to have while fishing?

A: As many as you want. There is no limit on the number of fishing poles (or fishing rods) an angler may use at one time.

set lines are not allowed in Department owned/managed lakes having less than 500 surface acres, except those located on Ballard and Boatwright WMAs. No sport fishing trotlines are allowed within 700 yards below Kentucky Dam, the area between Barkley Dam and U.S. 62 bridge, or below the following Ohio River dams from the face of the dam to the end of the outer lock wall: Smithland, Newburgh, Cannelton, Markland, Meldahl and Greenup; McAlpine downstream to the K&I railroad bridge; J.T. Meyers (Uniontown) to the end of the outer lock wall and that portion of the split channel around the southern part of Wabash Island from the fixed weir dam to the first dike.

GIGGING AND SNAGGING FISH

(301 KAR 1:410, 1:082; KRS 150.010)

Gigging means spearing or impaling fish on any pronged or barbed instrument attached to the end of any rigid object. Snagging means taking fish or other aquatic animals by a rapid drawing motion (rather than enticement by bait) using a hand-held pole and attached line with a single or one multiple fish hook. Only one single or treble hook may be attached to the line. Except, in Green River, Rolling Fork River and their tributaries, up to five single or treble hooks may be used for snagging. A rod legal for snagging must be equipped with line, guides and a reel. **The rod length restriction is now removed.**

The statewide season for gigging and/or snagging rough fish is from February 1 through May 10. It is illegal to possess a gig on a stream or lake or in a boat from November 1 through January 31. A person may gig or snag fish from the bank of a stream during the day or night. Gigging and snagging is not legal from a platform, except that gigging is legal from a boat on lakes 500 surface acres or larger and only during daylight hours.

There is a statewide limit of 2 paddlefish for either gigging or snagging. All giggered or snagged paddlefish must be taken into possession and cannot be culled or released. Snagging anglers must cease gigging or snagging once they attain the 2 paddlefish daily creel limit. It is illegal to sell paddlefish or their roe taken by sportfish snagging methods. No daily limits on any other rough fish. Regardless of condition, all

sport fish taken by gigging and snagging must be immediately returned to the water.

Persons may gig rough fish through the ice any time the surface is frozen thick enough to stand upon. The gigger must gig while supported by the ice. There are special snagging regulations for the Kentucky Lake tailwater (Tennessee River) and the Lake Barkley tailwater (Cumberland River). Please refer to the Special Fishing Regulations section of this guide before snagging on these waters.

Gigging and snagging are prohibited in the following waters or areas:

- Cave Run Lake including all tributaries up to the first riffle (The location of the first riffle may change depending on water level).
- Cumberland River, below Wolf Creek Dam downstream to the Tennessee line including Hatchery Creek and all tributaries for ½ mile upstream of their confluence with the Cumberland River.
- Within 200 yards of a dam, except below Kentucky Dam.
- Cumberland River, below Barkley Dam downstream to the U.S. 62 bridge.
- Tennessee River, below Kentucky Dam from the new U.S. 62 bridge to I-24 bridge.
- Middle Fork of Kentucky River from Buckhorn Lake downstream to the Breathitt County line.
- Rough River, below Rough River Dam to KY 54 bridge
- In the Tennessee River below Kentucky Dam, gigging prohibited year-round.

For specific regulations for gigging and snagging in the Cumberland River below Barkley Dam and in the Tennessee River below Kentucky Lake refer to Special Regulations on pages 6 and 9 of this guide.

TICKLING AND NOODLING

(301 KAR 1:410; KRS 150.010)

The tickling and noodling (hand grabbing) season for rough fish is June 1 through August 31, during daylight hours only. Tickling and noodling means taking fish directly by hand, or with the aid of a handled hook. These methods are permitted in all waters. The daily creel limit is 15 rough fish, no more than 5 of which can be catfish.

Q: May you clean your fish while on the water?

A: Anglers shall not remove any part of the head or tail of any fish for which there is a size or creel limit until finished fishing and off the water.

BOW FISHING

(301 KAR 1:410)

Rough fish may be taken year-round by bow and arrow with line attached. Sport fish may not be taken with a bow and arrow. Bow anglers may use a long bow, recurve bow, crossbow or compound bow. Arrows must have a barbed or retractable style point that has a line attached for retrieval. Catfish have a daily creel limit of 5 (in aggregate) and paddlefish have a daily creel limit of 2. Bow fisherman may fish within 200 yards of a dam, except by boat in boat restricted areas. Bow fishing is prohibited on the Cumberland River below Wolf Creek Dam downstream to the Tennessee line, including Hatchery Creek and all tributaries for ½ mile upstream of their confluence with the Cumberland River.

Persons using a bow and arrow for fishing must have the appropriate fishing license and may take rough fish from bank or boat. There is no limit on other rough fish. Bow anglers cannot sell paddlefish or their roe taken by bow and arrow. Paddlefish and catfish taken by bow and arrow must be taken into immediate possession and cannot be culled. Fish taken by bow must not be discarded on the bank. Bank disposal is littering and subject to a fine.

SPEAR FISHING

(301 KAR 1:410)

Underwater spearing of rough fish with hand-held or mechanically propelled spear is permitted year-round, but only in lakes having 1,000 surface acres or more. All participants in this sport must be submerged while spear fishing. Only rough fish may be taken and the appropriate fishing license is required. The daily limit is 15 fish of which only 5 may be catfish.

WHO NEEDS A LICENSE?

(KRS 150.010, 150.170)

All persons must fill out and carry the proper license and permit to fish any Kentucky waters **except the following** (for permit requirements see "Trout Permit" on this page):

- The resident owner of farmlands, his spouse and dependent children may fish on their land without a license. Tenants, their spouses and dependent children may fish without a license on farmlands where they live and work.
- Resident servicemen on furlough for more than three days may fish state-

wide without a license, but must carry proper identification and papers showing furlough status.

- Residents and nonresidents ages 15 and younger.
- Persons fishing on the first Saturday and Sunday in June (**June 1-2, 2013**) during Free Fishing Days are not required to have a license or permit.
- Persons fishing within the boundaries of Mammoth Cave National Park.

A resident is anyone who has established permanent and legal residence in Kentucky and resided here at least 30 days immediately prior to applying for a license. Full-time students enrolled in an educational institution for at least a six-month term and service personnel on permanent assignment in Kentucky are also classified as residents. All others are considered non-residents for licensing purposes.

TROUT PERMIT

(301 KAR 1:201)

Unless license exempt, anglers who intend to keep trout must have a trout permit (\$10). A trout permit is included

with the resident senior/disabled combination license and resident sportsman's license. All licensed anglers fishing the portion of the Cumberland River from Wolf Creek Dam to the Tennessee state line, its tributaries up to the first riffle and all of Hatchery Creek are required to possess a trout permit. (See the Trout section in this guide for details and for a complete list of waters where trout are present.)

RESIDENT SPORTSMAN'S LICENSE (SAVE \$50!)

Available to Kentucky residents only, the Sportsman's License includes a combination hunting and fishing license, spring turkey permit, fall turkey permit, statewide deer permit, state waterfowl permit (which also covers dove and other migratory bird hunting) and trout permit. Peabody and LBL permits, trapping license, an elk lottery application, elk quota hunt permit (if drawn), out-of-zone elk permit, bear permit and bonus deer permits must be purchased separately. A federal duck stamp (available at post offices) is required for waterfowl hunting.

PAY LAKES

(KRS 150.660)

A person fishing in a pay lake licensed by the Kentucky Department of Fish and Wildlife Resources needs either a Kentucky fishing license or a free permit issued by the operator. If the lake is not licensed by the operator, anglers need a valid Kentucky fishing license.

FREE FISHING DAYS

(301 KAR 1:210)

Every year Kentucky offers free fishing days the first weekend in June (**June 1-2, 2013**). On free fishing days no license (including the Kentucky trout permit) is required of residents or non-residents to fish any Kentucky waters. All other fishing regulations remain in effect. Free fishing days are offered to promote fishing and National Fishing Week.

Carry proof

Holders of Disabled Combination Licenses must carry both the license and authorization card while hunting. Once a person who qualifies for this license reaches age 65, he or she is considered a senior for licensing purposes, and no longer needs to follow the process of obtaining a disability license authorization card.

Q: How long is a disability authorization card valid?

A: The disability authorization card is good for 3 years (check the expiration date on your card). **Every 3 years**, you must provide updated paperwork (following the instructions to the right) and get a new card.

Those who already have a disability authorization card through the Veteran's Administration, Railroad Retirement Board or Office of Personnel Management may call 1-800-310-1873 to get a new card.

RESIDENT SENIOR AND DISABLED LICENSES

The following are eligible to purchase the \$5 Senior or Disabled Combination Hunting and Fishing License (which includes the same license and permits as the Resident Sportsman's License, plus bonus antlerless-only deer permits):

- Kentucky residents 65 years of age or older.
- Kentucky residents certified totally and permanently disabled by the Federal Social Security Administration, a state Workers Compensation Board, the Kentucky Teacher Retirement System or the United States Railroad Retirement Board.
- Kentucky resident employees of the U.S. Office of Personnel Management, declared totally and permanently disabled by a recognized authority.
- Kentucky resident veterans at least 50% disabled as the result of a service-connected disability.

Seniors need only show proof of age and residency to purchase this license. Persons with disabilities listed above must first obtain a disability authorization card from Kentucky Fish and Wildlife.

To obtain a disability license authorization card:

If your disability is through the:

- **Federal Social Security Administration:** Contact your local Social Security office and request a form showing your name, address, Social Security number and date of birth, which states that you are disabled and drawing benefits. Send form to Kentucky Fish and Wildlife.
- **Veteran's Administration:** Contact your local VA office and request a letter that verifies you are at least 50% disabled as a result of a service-connected disability. Send letter to Kentucky Fish and Wildlife.
- **State Worker's Compensation Board:** Request an application from Kentucky Fish and Wildlife, fill it out and send it to the State Worker's Compensation Board.
- **United States Railroad Retirement Board:** Contact the Board and request a letter stating you are 100% totally and permanently disabled. Send letter to Kentucky Fish and Wildlife.
- **Kentucky Teacher Retirement System:** Contact the Teacher Retirement System and request written documentation stating you are on disability retirement. Send documentation to Kentucky Fish and Wildlife.
- **United States Office of Personnel Management:** Contact the federal Office of Personnel Management and obtain certification of employment and documentation of being 100% disabled. Send documentation to Kentucky Fish and Wildlife.

Once the proper documentation is processed, applicants will receive their authorization card by mail. The authorization card is not a license. It must be presented to the license seller, or the authorization number entered online, at the time of purchase.

License vendors cannot sell a disability license using an expired authorization card.

Senior and Disabled Combination Licenses are valid through the end of February like any other license. If you lose your card, you may contact Kentucky Fish and Wildlife at the above address for a replacement.

All Kentucky anglers who fish reciprocal waters must have a valid Kentucky fishing license.

OHIO RIVER FISHING (KRS 150.170)

An angler with a Kentucky fishing license may fish the entire main stem of the Ohio River from a boat, or a bordering state's bank without buying the other state's license (bordering states include Illinois, Indiana and Ohio).

This does not apply if fishing a bordering state's embayments or tributaries, which begin at a straight line between opposite points where the tributary or embayment meets the main stem of the river.

Anglers fishing from a bordering state's bank must follow the size and creel limits of the state where the angler is located. For example, a Kentucky licensed angler can stand on the Indiana bank and fish the main stem of the Ohio River without an Indiana fishing license, but must abide by Indiana's size and creel limits. However, anglers fishing from a boat must follow the size and creel limits of the state in which the angler is licensed.

Reminder: snagging is not permitted for any fish species on the Indiana side or in any Indiana waters of the Ohio River.

MISSISSIPPI RIVER (KRS 150.170)

Anglers licensed in Kentucky may fish Missouri portions of the Mississippi River without buying a Missouri fishing license. Each state recognizes the sport fishing licenses and permits of the other state on the Mississippi River. The river is defined as the main channel and immediate side or secondary channels and chutes. It does not include oxbow or floodplain lakes or any tributary streams. A tributary is delineated by the straight line between opposite points where the tributary connects with the main body of the Mississippi River. Furthermore, the river does not include backwaters that extend onto the floodplain or tributaries when the river exceeds 33 feet at the gauging station at Cairo, Illinois.

Sport fishing license or permit holders may fish from, or attach any

device or equipment to land along the river under the jurisdiction of the other state. Landowner permission is required to fish from the bank.

Sport fishing license holders shall abide by the regulations in the state in whose waters they are fishing and when fishing in waters they are not licensed to fish, shall comply with the most restrictive regulation.

DALE HOLLOW LAKE

Anglers may use either a Tennessee or a Kentucky sport fishing license while fishing in the Wolf River arm of Dale Hollow Lake. This includes the Illwill Creek embayment beginning at a line crossing the Wolf River at its mouth where it joins the Obey River and the main part of the lake.

Anglers must obey the regulations of the state in which they are licensed. Kentucky residents must have a Kentucky license.

KENTUCKY LAKE

On Kentucky Lake, anglers with either a valid Kentucky or Tennessee sport fishing license may fish from Eggner's Ferry Bridge (U.S. 68 and Hwy. 80) in Kentucky south to the Governor Ned McWhorter Bridge (U.S. 79 and Hwy. 76) in Tennessee. This includes all embayments and tributaries, except the Blood River embayment in Kentucky. Anglers must abide by the fishing regulations of the state in which they are fishing.

BIG SOUTH FORK OF THE CUMBERLAND RIVER

Anglers may use either a Tennessee or a Kentucky sport fishing license while fishing that portion of the Big South Fork from the Leatherwood Ford bridge (Hwy. 297) in Tennessee to the Hwy. 92 bridge at Yamacraw, Kentucky.

Anglers must obey the regulations of the state in which they are licensed. Kentucky residents must have a Kentucky license.

OTHER BORDERING WATERS

On all other bordering waters, boundaries are set by state lines. Obey the laws of the state in which you are fishing.
