Wildlife to be imported (This section must be filled out in its entirety) – SEE NOTE BELOW.

Common Name	Genus	Species

It is understood that any permit issued is void and prosecution will ensue if the transaction involves any violation of the laws or regulations of Kentucky or the state from which the wildlife is imported. This permit is invalid unless accompanied by a Certificate of Veterinary Inspection from an accredited veterinarian indicating that the wildlife being transported under this permit are free of disease (except reptiles and amphibians). I further understand that I am responsible for knowing and following any and all local ordinances and rules related to the possession and holding of wildlife in any locality in which the wildlife listed above will be held or possessed. I will obtain any local permissions required.

NOTE – Pursuant to 301 KAR 2:081 and 2:082, I understand that **I must notify the Kentucky Department of Fish and Wildlife Resources at 502/564-3400 Monday through Friday between 8:00 a.m. and 4:30 p.m. at least forty-eight (48) hours prior to each shipment of wildlife of (1) the date of expected shipment; (2) source of shipment; and (3) the species and number being shipped.** I also understand that I must notify the Department in writing of any changes or additions subsequent to this application so that a permit may be amended prior to future wildlife importation.

Permittee agrees to indemnify and hold harmless the KDFWR from any and all claims, demands, damages, actions, costs and charges, including attorney's fees, that may result from use of this permit.

Correct payment must accompany application. Receipt and cashing of payment does not imply approval of permit request.

I certify that I have read and understand the above, 301 KAR 2:081 and/or 301 KAR 2:082, and that all information contained in this application is correct. I further certify that I have not been convicted of a fish and wildlife violation, including KRS Chapter 150, KAR Title 301 and federal wildlife laws.
