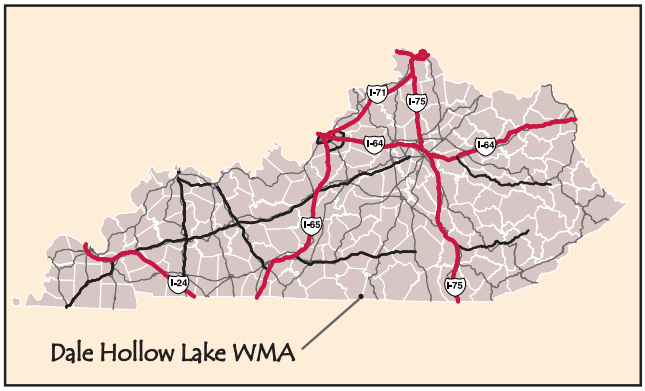
Dale Hollow Lake WMA General Information



Directions:

From Bowling Green - Travel north on I-65 to the Cumberland Parkway, then east on the parkway to Glasgow. Take KY 90 east to Burkesville. Use map on reverse side to access desired destination.

From Somerset - Travel south on KY 27, then take KY 90 west to Burkesville. Use map on reverse side to access desired destination. Road access from Scott Finley Rd. and Casey Branch Rd. All other access is by boat.

General Guidelines:

All specific information on area use for hunting, fishing, and other activities can be found in one of the many guides published by the Kentucky Department of Fish and Wildlife Resources or by calling 1-800-858-1549.

1. Vehicles must remain on maintained roads.
2. Parking is limited to areas provided near gates and graveled areas.
3. Do not block gates or access roads.
4. Access beyond gates is by foot travel only.
5. No ATVs, camping, open fires, or horseback riding is permitted on WMAs. Exceptions: ATVs are allowed on designated ADA areas with proper permits, and horseback riding is allowed on designated trails. Shoreline camping by permit in designated camping sites only. (Contact the Dale Hollow Corps of Engineers or Dale Hollow Lake State Park for more information). Not all WMAs have ADA areas or horseback riding trails.
6. Access to the WMA across private land is by landowner permission only.
7. Please respect private property. Area boundaries are marked by signs and yellow paint.
8. Hunters shall not discharge a firearm within 100 yards of a boat ramp, a residence, or occupied building. This applies whether or not the building is on the WMA.
9. Please refer to the current Kentucky Hunting and Trapping and Sport Fishing and Boating Guides for hunting, fishing and boating information.

Dale Hollow Lake Information:

Dale Hollow Lake is located in southern Cumberland and Clinton counties along the shore of Dale Hollow Lake. It consists of 3,130 acres and is primarily wooded with the exception of some fields at the end of Casey Branch Rd. and Scott Finley Rd. Terrain is generally steep and the majority of the area is best accessed by boat.

Dale Hollow Lake WMA has many uses. Hunting, hiking, fishing, wildlife viewing and photography are just a few of the many activities that can be accommodated on the area. Good populations of deer, turkey, squirrel, rabbit, and some birding opportunities occur on the area. Wild hog hunting is also unique to this area and the Big South Fork National River and Recreation Area in Kentucky. Wild hogs, also known as feral pigs, are not native wildlife, can cause severe environmental damage and therefore are open to hunting year-round at Dale Hollow WMA. Camping is permitted at the State Park and at Corps of Engineers campgrounds.

WMA Management Objectives:

The management objectives on Dale Hollow Lake WMA are:

1) to manage wildlife areas toward the creation, enhancement, and sustainability of permanent wildlife habitats and populations;
2) to manage areas for the preservation and enhancement of public outdoor recreational opportunities;
3) to restore wildlife species to their natural habitats;
4) to provide opportunities for fish and wildlife education;
5) to provide demonstrations of sound wildlife management practices.
