SPONSORSHIP OPPORTUNITY

Sponsorship Opportunity Details:

A century ago, Kentucky's deer population was just a few thousand. Thanks to the dedicated efforts of the Kentucky Department of Fish and Wildlife Resources, that number has surged to nearly one million, and our free-ranging elk herd now numbers in the thousands.

Today, thousands of wildlife enthusiasts and over 300,000 hunters flock to Kentucky's great outdoors, driven by the chance to experience our thriving deer and elk populations. Their investments in travel, supplies, and equipment pump over \$550 million into our economy annually and sustain more than 13,000 jobs across the state.

Our deer herd is now one of the strongest in the nation, with trophy-quality animals available in every county. This success has garnered national acclaim, spotlighting the exceptional quality of our wildlife and the effective management practices of Kentucky Fish and Wildlife.

However, our achievements face a critical threat. Chronic Wasting Disease (CWD) — a fatal neurological disease — endangers both our deer and elk populations and our vibrant hunting heritage. To combat this threat, Kentucky Fish and Wildlife urgently needs your support.

We invite you to become a sponsor in our mission to raise awareness and enhance hunter participation in CWD sampling programs. Your support will be instrumental in safeguarding Kentucky's wildlife legacy and sustaining our state's economic and recreational benefits.

The Presenting Sponsor(s) shall Provide:

Kentucky Fish and Wildlife is thrilled to unveil the Shoot for Samples Giveaway—an initiative dedicated to combating Chronic Wasting Disease (CWD) and enhancing the health of our wildlife. This is a unique opportunity for your organization to make an impact while gaining significant exposure through a high-profile campaign.

The Shoot for Samples Giveaway aims to boost awareness about CWD and increase hunter participation in our CWD sampling programs. With over 45 CWD Sample Drop-off sites across the state and our DIY CWD Sample Mail-in Kit program, this initiative ensures that these resources are utilized to their fullest potential. For each CWD sample submitted by an individual he/she will be entered into the Shoot for Samples Giveaway.

As a sponsor, your support will directly enhance our sampling efforts by broadening our reach and boosting engagement with our CWD sampling programs. Your sponsorship will fund exciting prizes to motivate hunters to participate in CWD sampling, increasing sample submissions and improving our disease monitoring. These prizes will reward hunters' commitment, fostering greater involvement and aiding in the collection of critical data to protect Kentucky's deer and elk herds. The Kentucky Department of Fish and Wildlife Resources can not accept firearms as a part of this giveaway.

The KDFWR is seeking five (5) sponsors, one per region, to provide items for a prize package giveaway (e.g. fishing gear, hunting equipment, etc.). The prize packages, one per region, will be awarded to the randomly drawn winners of the Shoot for Samples Giveaway.

Your sponsorship will advance vital wildlife conservation efforts and position your organization as a key player in safeguarding our natural resources. Join us in this important mission and help us make a lasting impact.
