

FISHING

NIGHT

Join Kentucky Department of Fish & Wildlife and Bluegrass Greensource for a special night of fishing at Buckley Wildlife Sanctuary!

Occasional fishing helps our pond and fish population stay healthy, but it is only permitted at our fishing nights.

All experience levels and ages are welcome, but kids under 16 must be accompanied by an adult. Poles, bait, and assistance will be provided by the Kentucky Department of Fish & Wildlife.

Fishing licenses are required for participants 16 and older.

This is a free event and registration is required.

**TUESDAY JUNE 9, 2026
5:30PM-8:30PM**

Free registration | 30 spots available
