

This week's Kentucky NASP state tournament canceled

FRANKFORT, Ky. (March 11, 2020) - In an abundance of caution, the Kentucky National Archery in the Schools Program State Tournament scheduled for March 13-14 at the Kentucky Exposition Center in Louisville will not be held this week.

This decision was made today in conjunction with the Kentucky Tourism, Arts and Heritage Cabinet, the Kentucky Department of Fish and Wildlife Resources and the National Archery in the Schools Program (NASP) as part of the Commonwealth's ongoing effort to ensure the health and wellness of the public as Kentucky fights aggressively to prevent the spread of COVID-19.

We apologize for the inconvenience this has caused to the student archers, their parents, coaches and vendors. Information on national advancement will come in a few days or later date.
