

## 2026-2027 KyNASP® Bullseye Participation and Qualification Rules (Local, State Qualifying & State)

**KyNASP® State Tournament: April 2-3, 2027, Louisville, KY**

Registration dates & hotel information for the following National events will be posted at [www.naspschools.org](http://www.naspschools.org) under events.

**NASP® Western National: April 22 - 24, 2027, Mountain America Center, Sandy, UT**

**NASP® Eastern National: May 6 - 8, 2027, Kentucky Fair and Expo. Center, Louisville, KY**

**NASP® Championship: June 17 - 19, 2027, Ocean Center, Daytona Beach, FL**

### **The Archery Way**

#### **Competing with Honesty and Integrity**

*As archers, we strive to shoot our best while competing with integrity. Honesty is an expectation, sportsmanship and composure, an obligation. We encourage others and understand our responsibility to self-officiate and protect the field with an overall goal of bringing the archery way into everyday life.*

## **NASP® Bullseye Participation and Qualification Rules**

The National Archery in the Schools Program (NASP®) National Rules are the governing rules for the Western and Eastern National and Championship tournaments. NASP® states within the United States and other NASP® countries have the freedom to manage their programs within these rules. Although the NASP® National Rules are the minimum guide for states and countries to follow when conducting NASP® tournaments, each state or country may add to or increase the NASP® rules to fit local requirements. Standard safety protocols and operating principles create a familiar field for NASP® students, so they are prepared and understand what is expected at each NASP® event. **KyNASP® specific additions will be noted in bold following KENTUCKY:**

NASP® relies heavily on Coordinators that manage the program within their respective jurisdictions and will continue to do so for determining eligibility of all schools within their jurisdictions under these rules.

**New for 2027:** Except for inconsequential language edits, rule changes are in **yellow** highlights. We strongly suggest reviewing the entire rules document annually to be familiar with all details.

**KENTUCKY: KyNASP® rules and protocols for all KyNASP® tournaments/events are set by expectations from The Kentucky Department of Fish and Wildlife Resources and may be stricter than National NASP® rules and protocols. Any Kentucky NASP® school and Kentucky BAI associated with the school must follow ALL safety protocols outlined in the NASP® BAI training, particularly those pertaining to safe archery range setup and running of the range. The use of unsafe practices during school lessons, practices, or school hosted tournaments will result in the loss of hosting privileges for a minimum of two years and may result in all BAI with the school(s) being removed from the NASP® program. This includes but is not limited to individuals downrange while archers are shooting, waiting and “spectator” lines not present/enforced, spectator safe entrance to/from seating and exit to/from the range.**

- The NASP® logo is a registered trademark and may only be used on t-shirts, banners, or any other items, with written permission from NASP®.

#### **The National Archery in the Schools Program (NASP®) Sanctioned Events Pledge.**

Our staff and volunteers pledge to do their very best to provide a safe, enjoyable experience for all the archers and guests. We have a zero-tolerance policy for any behavior that puts the archers, guests, staff, or volunteers at any risk. These include but are not limited to; verbal abuse of anyone, physical assault, threats of violence, or any inappropriate language or behavior. At minimum, anyone engaging in such behavior will be asked to leave the tournament venue and property.

**Special Note Concerning Distance Learning:** The school of *enrollment* determines a students’ NASP® school. If schools are allowing students to participate in distance learning through on-line education to maintain their progress and grades, those students are still members of the school in which they are enrolled. **KENTUCKY: if the on-line program doesn’t offer members of the school an opportunity to receive the required NASP® lessons as stated in 1.1 and 1.2 to be a NASP® school, members of the on-line school are ineligible for competition. If the student is enrolled in online education through their NASP® school and the school does not allow online education students to participate in school sports, the student is ineligible.**

1. **NASP® Participation** - All State, Provincial, and National Tournaments/Championship.  
*To maximize the number of students who will discover their aptitude and interest for archery, NASP® is an **in-school** program. NASP® emphasizes team participation to maximize the number of students who will participate and to promote positive social interaction among students and faculty.*

**NASP® officials reserve the right to make on-site determination of any situation not covered by these rules. NASP® officials’ decisions are final.**

- 1.1. **Definition of an active NASP® School:** A NASP® school is one that teaches NASP® in school as a part of the normal school day and adheres to the training, equipment, safety requirements, and operating principles established by NASP®. *NASP® safety protocols must be followed by all NASP® schools and teams to preserve the experience for current and future students.*
  - 1.1.1. School lessons must be presented by NASP® certified faculty or volunteers.
  - 1.1.2. At least one coach of the team must be NASP® certified. **KENTUCKY: all coaches and volunteers working with the NASP® program (teaching or supervising archery) must be NASP® BAI certified.**
  - 1.1.3. Only NASP® certified teachers or coaches may register student archers for tournaments.

- 1.1.4. Equipment requirements and range protocols must be followed.
  - 1.1.4.1. Only the standard Genesis™ bow & Easton 1820 arrows may be used during NASP® class or on a NASP® range.
  - 1.1.4.2. NASP® range specifications and design must follow protocols provided in the NASP® Basic Archery Instructor's course.
  - 1.1.4.3. Failure to follow these protocols will make the school ineligible to participate in NASP® tournaments. Failure to follow safety protocols such as bows, arrows, and curtain use, may also result in de-certification of the NASP® certified teacher or coach.
- 1.2. **In School Requirement:** Every archer must attend (be enrolled in) an active NASP® school. An active NASP® school conducts NASP® lessons during normal school hours in accordance with the NASP® operating principles.
  - 1.2.1. The student's school of primary enrollment, where they receive the majority of their in-school educational lessons/hours, determines the student's "school".
  - 1.2.2. Students must be enrolled in an active NASP® school to participate in NASP®.
  - 1.2.3. NASP® lessons must be conducted as part of the in-school curriculum, a minimum of 10 hours per school, per year.
  - 1.2.4. In-school lessons are the priority of NASP®. Ideally these lessons should be thorough enough for the students to enjoy a safe and motivational experience.
  - 1.2.5. Classroom lessons must include at least the following subject material.
    - 1.2.3.1. Determining eye dominance.
    - 1.2.3.2. Stringbow® used to teach Eleven Steps to Archery Success®
    - 1.2.3.3. Safety Orientation and shooting of bows and arrows on a NASP® range.
  - 1.2.6. Examples of how this might occur include:
    - 1.2.6.1. At least 10, different archery classes of 1 hour each – daily for 2 weeks, twice weekly for 5 weeks, etc.
    - 1.2.6.2. 5 classes per day of 1-hour each, for 2 different days.
  - 1.2.7. When a school agrees to meet or exceed the requirements mentioned above, each school year, even if not every student in the school takes the archery class, EVERY student in the school is considered eligible for NASP® tournaments. It is expected that even those who do not take the in-school instruction, will be provided safety and shooting form instruction if they join the FOLLOW-UP archery club or team before they attend a NASP® tournament.
  - 1.2.8. Participation in NASP® tournaments is at the discretion of the school Administration. The school must be aware of and approve of students participating in NASP® tournaments.
  - 1.2.9. Prior to participating in any NASP® competitions during a school year, the head coach for a school's team (or other coaches associated with the school for tournament purposes) will be required to log in to the School Manager for the school and acknowledge that they understand the in-school teaching requirements and commit to making sure all those requirements are met. They must also report hours and student numbers annually. **KENTUCKY: failure to meet the commitment once acknowledged may result in the termination of the BAI and the team's ineligibility to compete the next year.**
  - 1.2.10. After-school-only archery programs or clubs **are not** eligible for any NASP® events, nor can they be considered a NASP® program.
- 1.3. **Divisions within NASP® Schools:** NASP® divisions are defined as.... Elementary School division, grades 4 and 5; Middle School division, grades 6, 7, and 8; High School division, grades 9, 10, 11, 12.
  - 1.3.1. If schools have similar names but are at a separate address such as the 'North Middle School and North Elementary School' even if in the same district, they are separate schools and may not mingle shooters on teams.

- 1.3.1.1. Except: If elementary grades (4th & 5th) are not in the same school the schools where the two grades are found may combine students to form an elementary school team if both are NASP® schools. Example: this could be a school with K-4 and a school combined with a 5-8 or 5-12 school.
- 1.3.1.2. Except: If middle school grades (6-8) are not in the same school the schools where the three grades are found may combine students to form a middle school team if both are NASP® schools. Example: this could be a K-6 school combining with a 7-8 or 7-12 school.
- 1.3.1.3. Except: If high school grades (9-12) are not in the same school the schools where the four grades are found may combine students to form a high school team if both are NASP® schools. Example: this could be a school with 9-10 combining with an 11-12 school.
- 1.3.1.4. Where divisions are split between schools the enrollment numbers of both schools apply to eligibility of the small school rule.
- 1.3.1.5. When forming a competitive team for any NASP® division, schools must include grades of enrollment within the division they intend to compete in.
- 1.4. **Homeschool:** A student who is attending homeschool may participate through the following ways.
  - 1.4.1 A homeschool, homeschool group or homeschool co-op may have individuals trained as BAI's and request to be an active NASP® program in their state, through their state NASP® Coordinator. **KENTUCKY: Homeschools meeting the requirements of sections 1.1 and 1.2 wishing to participate in KyNASP® need to contact the Kentucky NASP® State Coordinator at [lisa.johnson@ky.gov](mailto:lisa.johnson@ky.gov). Be prepared to submit a copy of their "letter of intent to homeschool" that was sent to their local Superintendent's office as verification of their homeschool status.**
  - 1.4.2 If an established (Formal) homeschool group or Co-op that comes together in one location to meet all or part of their required educational lessons to a group of homeschool students has enrolled in their state NASP® and provides in-school NASP® archery lessons during normal educational hours, by a NASP® certified instructor, and meets and reports their numbers according to the requirements of sections 1.1 and 1.2. above, they may form a team in accordance with the standard operating principles outlined in sections 1.1. and 1.2. above. The same standard required of all schools to be an active NASP® program.
  - 1.4.3 If an established (Formal) Homeschool group or co-op wants to join with another group utilizing the small school rule, both must be active NASP® programs and they must submit a request to their state NASP® Coordinator for approval.
  - 1.4.4 A homeschool student, virtual school student, or on-line student may participate with their zoned public school that they would normally be enrolled in, with the approval of the school administration. **In accordance with state laws.**
  - 1.4.5 A homeschool, virtual, or on-line student requests to be a part of their local NASP® school and the administration of their zoned public school denies their participation, then an adult must be associated with the school they are attending, become certified as a BAI and offer a minimum of 10 hours of NASP® instruction to that student during regular educational hours and report that training annually. Once the BAI agrees to provide this annual training, that student may participate as an individual, or join a Co-op as outlined in 1.4.2.
- 1.5. **Vocational, Career, early College or Technical schools:**
  - 1.5.1. If the students attending these schools are from an active NASP® high school, remain enrolled in their high school of origin and graduate from that original school, then they may participate with that school.
  - 1.5.2. If the students attending these schools are no longer enrolled in their school of origin and will not graduate from that high school but from the school they are now attending, then the school they are currently attending/enrolled in must be an active NASP® school for them to participate.
- 1.6. **Eligible Grades:** Only students who are in grades 4-12 may participate.
  - 1.6.1. A student at any NASP® school who has graduated early during the current school year may, at the discretion of the school Principal, participate.

- 1.6.2. A student who no longer attends an active NASP® school due to having moved, being promoted, etc. is ineligible to participate until/unless the student's new school joins NASP® and may then only represent their NEW school. Except for situations described in sections 1.4.3. and 1.4.4.
- 1.7. **Number of Archers Per Team:** NASP® archery teams must contain 12-24 students, at least 4 of which must be of the opposite gender.
- 1.8. **Single Gender School:** If a school is a single gender school, the school shall compete as a single-gender-only school unless eligible to combine with another school under the small school rule (section 1.8). The coach should contact the State Coordinator for their state to set the single gender indicator for the school. Once set, the team score for the school/division is determined by summing the top 12 scores for the team with no consideration of gender.
- 1.9. \* **Small School:** If a competitive division within a NASP® school (Elementary 4<sup>th</sup> – 5<sup>th</sup>, Middle 6<sup>th</sup> – 8<sup>th</sup> or High 9<sup>th</sup> – 12<sup>th</sup>) has a total student enrollment of less than 150 students, the team for that division may add students from other competitive divisions within their own school or from one other eligible school/division, in the same city, or county, or school district, or one adjacent County. **KENTUCKY: Small schools with multiple divisions will first combine divisions until enrollment of 150 is reached to create a single 12 to 24 member team. If they are a single division school, two small schools may combine to create a single 12 to 24 member team.**
- 1.9.1. Any school that meets the less than 150 student total enrollment, per division (Elementary, Middle, High) will first submit school names, of the schools involved, and the total student enrollment numbers per NASP® division for the divisions or school that they plan to combine with, to their state NASP® Coordinator for approval.
- 1.9.2. Small schools may add students from a nearby active NASP® school even if that school is over the 150-student threshold. **KENTUCKY: Only two small schools may combine.**
- 1.9.3. A competitive division within a school with 150 students (or more) enrolled may not add archers to their team from another school or division.
- 1.9.4. If a student shoots up for a higher division team (as allowed by 1.9.), that student will be competing for team rank in that older division but retain individual rank according to the archer's actual grade.
- 1.9.5. Unless utilizing this "small school rule" or 1.4.3. and 1.4.4., students may only shoot on a team at the NASP® school they attend (are enrolled in).
- 1.9.6. A request to "shoot-up" must be submitted using the Small School Request screen in School Manager in advance to the state/provincial Coordinator schools involved to be approved.
- 1.9.7. Any request to "shoot up" or combine with another school in accordance with Section 1.9. must be done prior to the school's first team tournament of the year. Once registered in a tournament that setting may not change for the duration of the season.
- 1.10. **Archer Ineligibility:**
- 1.10.1 If a school administration deems a student unsuited to represent the school, NASP® will abide by the decision.
- 1.10.2 If a student archer is disqualified for any reason at a provincial, state, or regional/state qualifying tournament, the student is ineligible to participate in any NASP® competition until such time the student has regained good standing in his or her state or province. The NASP® coordinator would alert the national office of such disqualification.

**\*\*\*Kentucky Basic Archery Instructors (BAI):**

- **Must instruct archers at a minimum of 10 hours and report annually at [naspbai.org](http://naspbai.org) to keep their certification active.**
- **Must report for all schools they associate themselves with for tournament registration.**

## 2. KyNASP® State Bullseye Tournament Registration Protocol.

2.1. In addition to # 1.1 - 1.10. above

### 2.2. KyNASP® State Tournament (April 2-3, 2027):

2.2.1. Qualification tiers will be established for each event

2.2.2. Team and Individual qualifications for state tournaments are only possible through participation in KyNASP® approved state qualifying tournaments.

2.2.3. Team and Individual qualifications for state tournaments are determined by participation in at least one KyNASP® approved state qualifying tournament. (The KyNASP State Qualifying tournaments will begin the first weekend of December 2026 and conclude at 9pm ET Saturday, February 27<sup>th</sup>. Inclement weather cancellations will not extend the end date this year.)

2.2.4. A qualified team (school/division) may register to participate in the state bullseye tournament if they meet the minimum qualifying score. (a school team's best state qualifying tournament score posted by 9pm ET February 27<sup>th</sup>, 2027 will be used to determine eligibility of participation and qualification/registration tier. High school team scores of 3100 or more, middle school team scores of 3000 or more, and elementary team scores of 2500 or more will have the opportunity to register for the 2027 KyNASP® State Bullseye Tournament. Pre-registration will begin on January 1, 2027.)

2.2.5. A qualified individual may register to participate in the KyNASP® State Bullseye tournament if they meet the minimum qualifying score. (An individual's best state qualifying tournament score posted by 9pm ET February 27<sup>th</sup>, 2027 will be used to determine eligibility of participation if they are not an archer with an advancing school team. Individuals in high school with a state qualifying score of 285 or higher, middle school with a state qualifying score of 275 or higher, and elementary school individuals with a state qualifying tournament score of 260 or higher will have the opportunity to register for the 2027 KyNASP® State Bullseye Tournament.)

2.2.6. Qualified individuals may participate as an individual if their team does not qualify for advancement to state.

2.2.7. Participation is not guaranteed in any KyNASP® state tournament event. Flight positions are limited.

2.3. Substitutions are permitted for these events. Substitutes may be students that did not participate as part of their state qualifying tournament team, but they must meet the criteria defined in section 1.

2.3.1. Individuals must shoot in their actual division for state tournament.

2.3.1.1. If by meeting the requirements of section 2.2. an individual that shot in a higher division at the state qualifying tournaments must shoot in their actual division for the state tournament.

2.3.2. If a school sent multiple teams to state qualifying tournaments, they may recombine archers from these teams for state. **Not applicable to entire school districts/systems.**

2.4. A school may register as many teams as they have qualified at their state tournament. Second and Third teams must qualify at the same state qualifying tournament. **KENTUCKY: second and third teams will be allowed to register for the 2027 KyNASP® State Bullseye Tournament (all teams must have state qualifying scores of 3100+ high, 3000+ middle, 2500+ elem at the same state qualifying tournament). Keep in mind that second and third teams will be placed in one of the last tiers for flight selection making it difficult to receive the same flight time or flight day as first teams. Participation is not guaranteed at the state tournament. Flight positions are limited.**

2.5. NASP® teams and individual archers may only participate in a NASP® state tournament in the state where their school is located.

### 2.6. The NASP® Nationals and Championship Tournaments

2.6.1. Details and information concerning the Nationals or Championship will be provided later.

2.6.2. Tournament format, registration information, schedule of times and tiers, TBA.

3. **National Individual Scholarship Shoot-Off:** The Scholarship shoot-off takes place prior to the awards at the Championship tournament in June. The coaches of qualifying archers will be notified via email.
  - 3.1. The combined over-all top 5 male and top 5 female archers (including ties) from Eastern and Western nationals qualify.
  - 3.2. Each will shoot a practice end of 5 arrows at 15 meters.
  - 3.3. Each will shoot a 5-arrow scoring end at 15 meters.
  - 3.4. Scholarship award levels will be based upon the order of elimination among these contestants.
  - 3.5. **2027 Scholarship information will be posted at [www.naspschools.org](http://www.naspschools.org) under tournaments.**
4. **State level awards:**
  - 4.1. One team trophy or plaque will be awarded to the 1st, 2nd, and 3rd place teams in each of 3 divisions.
  - 4.2. Each 1st through 3rd place team's members + up to 6 coaches will also receive a medal.
  - 4.3. Medals will also be awarded to 1st - 5th place individual male & female archers in the elementary, middle & high school divisions. Individuals tied for 1st through 5th place will receive duplicate awards.
  - 4.4. Individual Overall male and female champions will be awarded a Genesis Bow.
  - 4.5. The top 10 high school male seniors and top 10 high school female seniors will receive a \$1000 scholarship to their post-secondary institution. It is the archer's responsibility to return the scholarship form within 4 weeks of the tournament to receive the award.
  - 4.6. Additional prizes may be awarded to teams and individuals as they are available.
  - 4.7. KyNASP® Academic Archery awards: \$500 random high school senior Academic Archer scholarships will be awarded during state tournament flights.
    - 4.7.1. Academic Archers are registered by their teacher/coach according to the criteria provided on the NASP® website. Academic archers must be registered prior to the state tournament to be eligible for random drawings.
    - 4.7.2. Academic archer indicator box must be checked prior to state tournament registration. The responsibility of marking an archer as an academic archer falls to the archer's coach.
    - 4.7.3. Academic archers must be registered prior to midnight ET, April 1, 2027 to be eligible for National NASP® awards.
5. **NASP® All-American Academic Team:** The final scores from the Eastern and Western NASP® National will be combined. The top 24 scoring archers in each division from those combined scores, who are registered with NASP® as Academic Archers, will be named to the *NASP® All-American Academic Team*.
  - 5.1. Academic Archers are registered by their teacher according to criteria provided on the NASP® website. Academic Archers must be registered **before Midnight Eastern Time, April 1** each year.
  - 5.2. The Academic Archer indicator box must be checked on the National Tournament registration, for All-Academic Team eligibility. **We assign this responsibility of cross checking the archer's AA status to the teacher or coach.**
