

Salato Wildlife Education Center Conservation Education Internship Application

Application Date ___/___/___

Do you have a passion for the outdoors, conservation, animals, or education? If this sounds like you, Salato is currently looking for enthusiastic students that are enrolled in a college or university*, majoring in wildlife biology, wildlife management, animal science, education, public relations, or other related fields, to apply for our open internship positions. Our interns can earn college credit for assisting with and leading interpretive programs, conducting special educational activities for our visitors, using educational props and animals to convey our mission, and much more.

Is this internship part of a school course requirement? ___ Yes ___ No

If you checked **NO**, please consider filling out a volunteer application
