KENTUCKY DOVE HUNTING GUIDE
Editor: Lee McClellan
Art/Design Director: Adrienne Yancy
Contributors: John Brunjes, Wes Little

Kentucky Fish and Wildlife is funded through the sale of hunting and fishing licenses and boat registration fees. The Department manages, regulates, enforces and promotes responsible use of all fish and wildlife species, their habitats, public wildlife areas and waterways for the benefit of those resources and for public enjoyment. Kentucky Fish and Wildlife is an agency of the Tourism, Arts & Heritage Cabinet.

GENERAL REGULATIONS

HUNTING LICENSE REQUIREMENTS
License: Unless license exempt, hunters must possess a valid Kentucky hunting license when hunting the species listed in this guide.

A Kentucky Migratory Bird/Waterfowl Hunting Permit, along with a federal migratory bird stamp, authorize the holder to hunt all types of migratory game birds including waterfowl (ducks, geese, coots, mergansers).

For those who hunt migratory birds other than waterfowl, only a Kentucky Migratory Bird/Waterfowl Permit is required. Before hunting migratory birds, hunters must go online and fill out the Harvest Information Program (HIP) survey before they are legal migratory bird hunters.

The process takes less than 5 minutes. On the Kentucky Fish and Wildlife webpage at fws.ky.gov, click on the “My Profile” tab. This takes you to a page that asks for some basic information to confirm your identity. After completing the HIP survey, you will receive a confirmation number that must be written on your hunting license or Kentucky Migratory Bird/Waterfowl Hunting permit.

HUNTING REQUIREMENTS

All shotguns used to hunt any game species in Kentucky (except deer) must be plugged to hold three shells total; one in the chamber and two in the magazine. Shotguns of 10 gauge or smaller are permitted.

TAGGING

No person shall give, put or leave any migratory game birds at any place or in the custody of another unless the birds are tagged by the hunter with the following: 1) The hunter’s signature and address; 2) The total number of birds involved, by species; 3) The dates such birds were taken. Tagging is required if birds are being transported by another person for the hunter, or if birds have been left for cleaning, storage (including temporary storage), shipment or taxidermy services.

WANTON WASTE

All migratory game birds shall be retrieved, if possible, and retained in the custody of the hunter in the field.

NON-TOXIC SHOT

Waterfowl and Sandhill Crane: Possession or use of any lead shot while hunting or attempting to take waterfowl is prohibited statewide. Non-toxic shot is required to hunt waterfowl. Most major manufacturers offer non-toxic shotshells. See https://www.fws.gov/birds/bird-enthusiasts/hunting/nontoxic.php

Other Migratory Game Birds: Only USFWS-approved non-toxic shot may be possessed and used to hunt doves, gallinules, rails, woodcock, snipe or other migratory birds on Ballard, Boatwright, Doug Travis, Sloughs, Kaler Bottoms, Kentucky River, Duck Island, Ohio River Islands, South Shore, Yatesville Lake WMAs and Clarks River NWR and other areas as posted by signs.

**SHOOTING HOURS**

- **Dove, private land**: Sept. 1: 11 a.m. to sunset. Remainder of dove season: one-half hour before sunrise to sunset
- **Dove, public land (WMAs, leased fields)**: Sept. 1 - Oct. 26: 11 a.m. to sunset. Second and third segments of dove season: one-half hour before sunrise to sunset
- **All other species**: one-half hour before sunrise to sunset

**DAILY BAG LIMIT**

The total of a specific migratory game bird species that may be taken during legal shooting hours for one calendar day. Migratory birds harvested in another state count toward a hunters’ daily and possession limits.

**POSSESSION LIMIT**

The total limit of a specific migratory game bird species that may be in your possession at any time, whether on your person or stored at another location, including your home or taxidermist.
OTHER SEASON NOTES

DOVE
Eurasian collared doves resemble mourning doves but possess a black slash across the back of their necks. Hunters should not continue to hunt for Eurasian collared doves after reaching the 15-bird daily dove bag limit. Eurasian collared doves cleaned in the field count toward the 15-bird daily dove bag limit. If the head and/or wing remains attached during transport or in the field, hunters may take unlimited numbers of Eurasian collared doves.

CROW
Mechanical devices and electronic attracting devices for crow hunting may only be used during the open season. Crows observed committing or about to commit acts of depredation may be taken year-round; however, persons attempting to take depredating crows must use U.S. Fish and Wildlife Service approved non-toxic shot, shall not use blinds, decoys, calls or other lures to attract birds into shooting range during the closed season.

EARLY WOOD DUCK, TEAL and CANADA GOOSE
USFWS-approved non-toxic shot no larger than size T is required for all waterfowl hunting. Hunters may not possess or use lead shot while hunting or attempting to take waterfowl.

SEPTEMBER CANADA GOOSE
The following areas are closed during this season:
1. Cave Run Lake: Cave Run Lake and the public land inside the boundary of KY 801, Ky 1274, KY 36, KY 211, U.S. 60 and KY 826 remain closed during the September Canada Goose season. The other areas of the Northeast Goose Zone are now open to hunting during the September Canada Goose season.
2. Ballard Zone: The portion of Ballard County north or west of the Ballard-McCracken County line to Hwy. 358; Hwy. 358 to U.S. 60; U.S. 60 to the city limits of Wickliffe; the city limits of Wickliffe to the center of the Mississippi River. Private lands in this zone remain closed.
3. West Kentucky WMA: This wildlife management area is closed to the September Canada Goose season. Areas manipulated for dove hunting are not legal for waterfowl hunting.

YOUTH WATERFOWL DAYS
Two weekends, one in each duck zone, have been designated for youth only to waterfowl hunt. Hunters under age 16 may take a legal limit of ducks, coots, mergansers and geese on these days. See the 2020-21 Kentucky Hunting Guide for Waterfowl online for additional information.

PUBLIC HUNTING

2020 PUBLIC DOVE FIELDS
WMAs and Cooperative Fields
Cooperative fields in the cooperative dove field program are open for public dove hunting Sept. 1 and Sept. 5 - Oct. 26. Private cooperative fields are closed to public access except on the dates listed above. Prior to the season, hunters may drive by private cooperative fields but may not leave their vehicles to scout.

Wildlife Management Areas (WMAs) are open during regular seasons under statewide regulations unless otherwise specified in this guide. Field conditions may vary considerably, even on the same WMA. Kentucky Fish and Wildlife recommends hunters scout fields to ensure they are ready for the time you plan to hunt. All public WMA dove fields will be closed to all access from Aug. 15 until sunrise Sept. 1. All scouting must be done from

MENTOR/YOUTH DOVE HUNTS

Fields set aside for Mentor/Youth hunts are open Sept. 5 only to pre-registered hunters. On this day, adult dove hunters can introduce a young hunter to the challenge and tradition of the early season dove hunt. Hunts require online pre-registration (see rules below for details). Thereafter, unreserved slots will be available on a first come, first served basis. Mentor/Youth dove fields on wildlife management areas reopen to the public Sept. 6. The following rules describe the hunt.

MENTOR/YOUTH HUNT RULES

1. Open only to adults accompanied by a youth (ages 15 and under), though not necessary for the youth to hunt.
2. Both mentor and youth can hunt, but must do so from the same field location (stake). All hunters must stay within 15 feet of their assigned shooting location.
3. The number of hunters in Mentor/Youth Hunt fields will be strictly limited to ensure a safe and quality hunt.
4. Field slots will be available only by a random computerized drawing. Apply on the department’s website at fw.ky.gov from 8 a.m. EDT Aug. 3, until 4:30 p.m. EDT, Aug. 14. Unreserved slots will be available on a first come, first served basis at the field on the day of the hunt until all slots are filled.
5. Hunting groups must check in prior to hunting and check out prior to leaving the field with Kentucky Fish and Wildlife staff.
6. After the field is filled no new hunting groups will be allowed in.
7. Hunting groups in the field may move to different staked sites when the assigned group vacates that site.
8. Hunters must leave their guns at their shooting location (stake) when retrieving downed birds.
9. Shooting hours limited to 2-7 p.m., local time. All hunting groups must be out of the field by 7:30 p.m., local time. All hunters will be responsible for cleaning up their shooting location (including empty shells) prior to leaving the field.
10. Mentors and youth must conduct themselves in a safe manner and abide by these and other rules posted at the hunt field. Failure to do so will result in termination of hunting privilege for that field that day.
12. Hunter education and licensing requirements apply.

YOUTH HUNTING
If you hunt for doves, ducks or any other migratory birds, you are required to fill out a HIP Migratory Bird Survey before you go hunting. To take the quick survey just log into your My Profile page on our website FW.KY.GOV.

Scan this QR code and sign into your My Profile account or go to fw.ky.gov/myprofile
