

be telechecked by calling 1-800-245-4263 by midnight on the day the animal is recovered, before processing the carcass and before transporting the raw fur, pelt or unskinned carcass out of Kentucky. A hunter or trapper who wants to have a bobcat or otter mounted shall provide his or her name, telephone number and telecheck confirmation number to the taxidermist. Taxidermists cannot legally accept an unchecked otter or bobcat for mounting.

A Convention on International Trade in Endangered Species (CITES) tag, issued by Kentucky Fish and Wildlife, must be attached to the raw fur, pelt or unskinned carcass of any bobcat or river otter taken in Kentucky if the hunter or trapper intends to sell or ex-

port internationally.
To request a CITES tag, log on to "My Profile" online at fw.ky.gov.
A CITES tag must be attached to the raw fur, pelt or unskinned carcass of any bobcat or river otter taken in Kentucky immediately upon receipt of the tag from Kentucky Fish and Wildlife per the instructions provided by the department and remain attached until it is processed or exported outside the United States.
Possession of an unused bobcat or otter CITES tag is prohibited.

A person who transfers, but does not sell, a river otter or bobcat to another person or taxidermist, is not required to request a CITES tag. But, this person must attach a handmade carcass tag to the animal that contains the telech-

eck confirmation number and the hunter or trapper's name and phone number.
