Changes from last season are printed in bright blue throughout this guide to assist you in noticing those changes.

PUBLIC LANDS

No spring hunting at Blue Grass Army Depot. Open turkey hunts at Land Between The Lakes; quota hunts eliminated for the 2020 spring season. At Reelfoot National Wildlife Refuge, spring squirrel hunting season abides by Tennessee hunting guidelines and is closed during turkey quota hunts.

APPLY FOR AN ELK QUOTA HUNT

Kentucky has the largest elk herd of any state east of the Rocky Mountains and offers firearms and archery and crossbow quota hunts for elk each year.

Residents and nonresidents are eligible to apply for these quota hunts. Applications for these hunts go on sale January 1. At least 90 percent of elk permits are drawn for residents. Up to 10 percent go to nonresidents. Hunters must buy their elk quota hunt applications before midnight (Eastern time) on April 30.

Elk quota hunt applications can be purchased via Kentucky Fish and Wildlife’s mobile-friendly website at fw.ky.gov or at any vendor that sells Kentucky Fish and Wildlife licenses. Contact the department toll free at 1-800-858-1549, weekdays, 8 a.m. - 4:30 p.m. (Eastern time) if you need assistance.

Hunters may submit one application for each of the three permit types, but can only be drawn for one hunting permit. Hunters drawn for an elk quota hunt will be blocked from re-applying for three years.

By applying for the Kentucky elk draw, you are giving Kentucky Fish and Wildlife permission to release your name and county of residence if you are selected. This is part of the department’s ongoing open-door policy concerning the elk draw procedure. Kentucky Fish and Wildlife uses elk draw application information solely for business purposes and will not release or disclose your address or telephone number.

KNOW THE LAW!

Please read this guide carefully to prevent being cited for a violation. Make sure you understand Kentucky’s hunting and trapping laws before going afield. If you need help understanding a law call 1-800-858-1549, weekdays, 8 a.m. to 4:30 p.m. (Eastern time).

The top five most issued citations related to hunting and trapping are: 1) Hunting or trapping without a license 2) Hunting or trapping without landowner’s permission 3) Illegal take of game 4) Taking more game than the bag limit, and 5) Failure to tag or check game.

Membership in Kentucky Wild funds research and monitoring for species that aren’t hunted, fished or trapped. Help support vulnerable wildlife facing threats in our state! Go online and visit fw.ky.gov/kywild for more information about how you can become a part of these conservation efforts and help us keep Kentucky Wild!

ABOUT THE COVER

Harold Knight wields a call while Dylan Hale Edmonson readies for a turkey to appear. Knight, co-founder of Knight and Hale Game Calls, is encouraging experienced hunters to take someone hunting this season.

Hunting on private land is a privilege. Always get permission and thank the landowner.

Be a mentor. Pass on the heritage and traditions of hunting and fishing in Kentucky. Contact the department online at fw.ky.gov for more information.
GENERAL HUNTER LICENSING
Persons who take or attempt to take game are considered hunters and therefore subject to licensing requirements.

Unless license exempt, hunters must obtain and carry while in the field proof that they have met the license requirements for the kind of hunting they are doing. This proof can be either a paper license or permit, or a license authorization number.

Persons who cannot show they are licensed properly while hunting risk being issued a citation.

Each hunter must have his or her own license or permit unless exempt.

LICENSES and PERMITS

Paper licenses and permits must be signed and the hunter information portion (signature, address, eye and hair color, sex, height and weight) completed before going afield.

LICENSE-EXEMPT HUNTERS
In some cases, a resident hunter may not be required to buy a hunting license or game permits.

Here are those exemptions:
• Resident and nonresident children younger than 12 are not required to purchase licenses and permits, except the elk hunt drawing application
• Kentucky resident owners of farmlands, their spouses and dependent children hunting upon their own farmlands during an open season
• Tenants, their spouses and dependent children hunting on farmlands where they reside and work
• Kentucky residents on military leave of more than three days in this state who carry identification and papers verifying their leave status
• Members of the U.S. Armed Forces based in Kentucky engaged in sport hunting or fishing on these Kentucky National Guard properties: Hidden Valley Training Area in Powell County and the Wendell H. Ford Regional Training Center in Muhlenberg County

It is the hunter’s responsibility to know what type of license or permit is needed.

When buying a license or permit, the hunter’s date of birth and Social Security number must be provided.

If you have licensing questions, call Kentucky Fish and Wildlife at 1-800-858-1549, weekdays from 8 a.m. – 4:30 p.m. (Eastern time).

ONLINE
Licenses and permits can be purchased online at fw.ky.gov.

Hunters purchasing licenses or permits online must pay with a Visa, Mastercard, American Express or Discover card, or a Kentucky Fish and Wildlife gift certificate. Gift certificates are sold online only at fw.ky.gov.

Hunters who buy licenses or permits online will not be mailed a paper license or permit but will receive an authorization number. The authorization number or a computer printout of the license or permit and a picture ID must be carried in the field while hunting.

IN PERSON
Licenses and permits can be purchased at various locations throughout the state. A list of license agents can be viewed online at fw.ky.gov.

BY PHONE
Licenses and permits can be purchased by telephone 24 hours a day by calling toll-free at 1-877-598-2401. All licenses and permits, except a disability license, elk drawing application and youth licenses and permits, can be purchased by telephone.

Hunters purchasing licenses and permits by phone will be charged a convenience fee, and must pay with a Visa, Mastercard or Discover card, or an e-check. Hunters will be issued an authorization number, which serves as the license or permit. The authorization number and a picture ID must be carried in the field while hunting.

If requested, a paper license or permit (except short-term licenses) will be mailed to the hunter. The paper license must be filled out and signed by the hunter.

Both the authorization number and paper license are valid for the license year.
WHICH LICENSE OR PERMIT DO I NEED?

The tables below provide a quick overview of current licensing requirements. See the rest of this section for exemptions and complete residency, licensing, and hunter education requirements. Licenses and permits for the species below are not required for children younger than 12.

### KENTUCKY RESIDENTS

</tbody>
</table>

*Peabody, LBL and Otter Creek permits, elk drawing application, elk quota hunt permit, out-of-zone elk permit, bear permit, federal duck stamp and trapping license not included. An additional deer permit is not included with a Sportsman’s License. Kentucky’s license year begins March 1 and continues through the last day of February. New licenses are required annually, except for the 3-year fishing license. A 1-day or 7-day hunting license is valid only for the period shown on license. Resident and nonresident youths under the age of 12 are not required to purchase licenses or permits (except the elk drawing application).
RESIDENT LICENSING

A resident is any person who has established permanent domicile and legal residence, and has resided in Kentucky for 30 days prior to buying a license, full-time students enrolled in an educational institution for at least six months, or military service personnel on permanent assignment in Kentucky.

NONRESIDENT LICENSING

A person who does not meet the definition of a Kentucky resident is considered a nonresident and must purchase nonresident licenses and permits.

RESIDENT SENIOR OR DISABLED SPORTSMAN’S LICENSES

The following are eligible to purchase the Senior or Disabled Sportsman’s License (which includes the same license and permits as the Resident Sportsman’s License, plus additional deer permits):

- Kentucky residents ages 65 or older. Seniors need only show proof of age and residency to purchase this license.
- Kentucky residents certified totally and permanently disabled by the federal Social Security Administration, a state workers’ compensation board, the Kentucky Teachers’ Retirement System or the U.S. Railroad Retirement Board.
- Kentucky resident employees of the U.S. Office of Personnel Management declared totally and permanently disabled by a recognized authority.
- Kentucky resident veterans at least 50 percent disabled as a result of a service-connected disability.
- Persons with disabilities listed above must first obtain a disability authorization card from Kentucky Fish and Wildlife.

To obtain a disability license authorization card:

If your disability is through the –

- Federal Social Security Administration: To request a Benefit Verification Letter (BEVE), you may: (1) go to www.socialsecurity.gov/myaccount, (2) call 1-800-772-1213 or (3) contact your local office. To request the BEVE on the Social Security website, choose “Create an Account” or “Sign In.” Next, click the “Get a Benefit Verification Letter” link. Next select “Customize your letter.” The BEVE should include your name, address, date of birth, benefit amount and indicate that you are disabled. Next, choose “Apply to letter” and then “Print.” If you contact Social Security, please request all of this information to be included on the BEVE. The BEVE will only include the last four digits of your Social Security Number (SSN) on the BEVE before sending it to Kentucky Fish and Wildlife. The full SSN is required in order to process the Hunting/Fishing License application. The BEVE that you send to us should not be over six months old from its date of issue.
- Veterans Affairs: Contact your local VA office and request a letter that verifies you are at least 50 percent disabled as a result of a service-connected disability. The letter should also have your current address and your Social Security number.
- State Workers’ Compensation Board: Request an application from Kentucky Fish and Wildlife and send the completed form to the state Workers’ Compensation Board.
- U.S. Railroad Retirement Board: Contact the Board and request a letter stating you are permanently and totally disabled and show current address.
- Kentucky Teachers’ Retirement System: Contact the Teachers’ Retirement System and request written documentation stating you are on disability retirement and show a current address.
- U.S. Office of Personnel Management: Contact the federal Office of Personnel Management and obtain certification of employment, obtain certification of being 100 percent disabled from a recognized authority, and show a current address.

To send disability paperwork to Kentucky Fish and Wildlife:

- By mail: KDFWR Disability License, #1 Sportsman’s Lane, Frankfort, KY 40601
- By fax: (502) 564-9845

Once the proper documentation is processed, applicants will receive their authorization card by mail.

The authorization card is not a license. It must be presented to the license seller, or the authorization number entered online, at the time of license purchase.

License vendors cannot sell a disability license using an expired authorization card. The Senior or Disabled Sportsman’s License is valid through the end of February each year. If you lose your card or license, you can print a copy of both online using the “My Profile” feature at fw.ky.gov.

Q: How long is a disability authorization card valid?
A: A disability authorization card is good for three years (check the expiration date). Every three years you must provide updated paperwork (following the instructions on this page) and get a new card. Those who already have a disability authorization card through Veterans Affairs, U.S. Railroad Retirement Board or U.S. Office of Personnel Management may call 1-800-310-1873 to get a new card.
Nonresident youth hunters are subject to the same license and permit requirements as resident youth hunters. A nonresident who owns land in Kentucky must purchase nonresident licenses and permits.

**YOUTH LICENSING**

Resident and nonresident hunters younger than 12 are not required to purchase licenses and permits, except for elk drawing applications.

Resident and nonresident hunters ages 12–15 are eligible to purchase discounted youth licenses and permits, which are valid for the entire license year if they are purchased before the youth is 16.

Persons 15 years of age and younger younger than 12 years old, and those who only have a license authorization number may create their own harvest log by writing the information on a piece of paper or index card. Hunters must have the completed harvest log in their possession whenever afield during the current season.

**HARVEST LOG**

All successful turkey hunters, including those who are license exempt, must fill out a harvest log as soon as the animal is harvested and prior to moving the carcass.

Information that must be written on the harvest log includes the species and sex of animal taken, date and county where taken.

A telecheck confirmation number must be obtained and recorded on the harvest log.

A harvest log is included with any paper license or permit purchased from a license agent. A printable harvest log is accessible by clicking the “Hunt” tab on Kentucky Fish and Wildlife’s online homepage and choosing “Hunting Home” from the dropdown menu.

License-exempt hunters, children younger than 12 years old, and those who only have a license authorization number may create their own harvest log by writing the information on a piece of paper or index card. Hunters must have the completed harvest log in their possession whenever afield during the current season.

**TELECHECK**

**1-800-CHK-GAME**

(1-800-245-4263)

All turkeys harvested must be telechecked through the toll-free, automated check-in system. Hunters may also check in harvested turkeys online at [fw.ky.gov](http://fw.ky.gov).

Entering false information is unlawful. All harvested turkeys must be telechecked by midnight on the day the animal is recovered and prior to processing the carcass.

**CARCASS TAG**

A hunter shall attach a handmade tag to the carcass of any harvested turkey if transferring possession of the harvested animal to another person. The carcass tag must include the hunter’s name, phone number and telecheck confirmation number.

For example, a carcass tag is required if the hunter gives the turkey to another person, drops it off to be processed, or takes it to a taxidermist.

A harvested turkey in a hunter’s possession is assumed to be theirs, unless the carcass tag states otherwise.

**Q:** Due to a cell phone dropped call, a hunter loses a confirmation number. Should the animal be checked in again?

**A:** Try again until you get the confirmation number, and then contact the department at 1-800-858-1549 the next business day to report the incident.

**Sportsman’s License – Save $67**

Available to Kentucky residents only, the sportsman’s license includes a combination hunting and fishing license, spring and fall turkey permits, statewide deer permit, state migratory game bird-waterfowl permit and trout permit.

A federal duck stamp (available at post offices and online at [www.duckstamp.com](http://www.duckstamp.com)) also is required for waterfowl hunting.
GENERAL HUNTING REGULATIONS

LANDOWNER PERMISSION
A person shall not enter upon the lands of another to shoot, hunt, trap, fish or for other wildlife-related recreational purposes without the verbal or written permission of the landowner, tenant, or person who has authority to grant permission.

Those who fail to obtain permission are subject to arrest and prosecution.

Railroad tracks and rights-of-way are privately owned property and permission to hunt, trap or fish must be obtained prior to entry.

Landowners are under no obligation to allow hunters to retrieve game or hunting dogs from their property.

HUNTER EDUCATION
Persons born on or after Jan. 1, 1975, must carry a valid hunter education card or hunter education exemption permit while hunting. Persons not required to have licenses or permits are exempt from hunter education certification.

Hunter education courses are held throughout the state. Pre-registration must be done online at fw.ky.gov. More information about the registration process is available on the website or by calling Kentucky Fish and Wildlife.

Children must be at least 9 years old to take the hunter education test. People who complete the course are issued an orange certification card. Hunter education cards issued by other states are valid in Kentucky.

Children younger than 12 years old are exempt from hunter education certification, but must be accompanied by an adult who meets the hunter education requirement. The adult must be in a position to take immediate control of the bow or firearm at all times while hunting. When hunting elsewhere, they must comply with Kentucky’s hunter education law.

REPLACEMENT HUNTER EDUCATION CARDS
Free replacement hunter education cards can be printed online at fw.ky.gov. On the homepage, click on the “Education” tab and select “Hunter Education” from the dropdown menu.

HUNTING METHOD EXEMPTIONS
The department grants exemptions to hunters with certain physical disabilities to hunt with a crossbow during archery-only seasons, or to use a stationary vehicle as a hunting platform. However, persons with qualifying physical disabilities must first have an exemption form completed and signed by a licensed physician certifying why the exemption is necessary.

Forms are available online or by calling the department. A completed exemption form serves as the hunter’s exemption permit. It should not be returned to the department. Persons who obtain an exemption are still required to have the appropriate hunting license and permits, and must carry the signed exemption form with their hunting license and permits while in the field.

CONCEALED CARRY DEADLY WEAPONS PERMITS
Anyone who may legally possess firearms may carry firearms while hunting, but any firearms carried concealed must be done so pursuant to KRS 527.020.

CONVICTED FELONS
A person convicted of a felony is prohibited from possessing or hunting with a firearm in Kentucky. Breech and muzzle-loading rifles, shotguns and handguns are all considered firearms. The prohibition on handguns applies to those convicted after Jan. 1, 1975. The prohibition on other firearms applies to those convicted after July 15, 1994. See KRS 527.040 for more details, or contact your County Attorney.

REPORT GAME LAW VIOLATIONS
Anyone may report wildlife law violators anonymously by calling 1-800-25-ALERT (1-800-252-5378).

Kentucky AfIeld
Kentucky AfIeld magazine, the official publication of the Kentucky Dept. of Fish and Wildlife Resources, offers you practical tips for a better day in the woods or on the water. The bonus calendar issue gives you season dates and provides monthly tips about fishing and the natural world. Get all this for just $10 a year, or $18 for two years!
SPRING HUNTING SEASONS

**SPECIES**

<table>
<thead>
<tr>
<th>Species</th>
<th>Youth-Only</th>
<th>General Season</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wild Turkey</td>
<td>April 4-5, 2020</td>
<td>April 18 – May 10, 2020</td>
</tr>
</tbody>
</table>

Shooting hours are 30 minutes before sunrise to 30 minutes after sunset. Hunters may be in the field before and after shooting hours.

**FEEDING OF WILDLIFE**

From March 1 through May 31, it is illegal to feed wildlife with grain, seed or manufactured animal feed outside the curtilage of the home (the area immediately surrounding a home or group of homes). This regulation does not apply to normal agricultural practices or food plots, or municipal areas not open to legal hunting or trapping.

**NO PRE-SEASON CALLING**

A person shall not mimic the sound of a turkey in an area open to turkey hunting and where turkeys are reasonably expected to be present from March 1 until the opening of the youth-only turkey season, and from the close of the youth-only turkey season until the opening of the statewide turkey season. However, locating turkeys with an owl, crow, coyote or woodpecker call is permitted when scouting.

**HUNTER REQUIREMENTS**

**Adult hunters:** Unless exempt, all spring turkey hunters ages 16 and older must carry with them in the field proof of purchase of a valid Kentucky hunting license and a valid spring turkey permit. Short-term (1- or 7-day) hunting licenses are not valid for turkey hunting. The spring turkey permit is valid for the general spring season and allows a hunter to harvest up to the spring season bag limit of turkeys. Persons ages 16 and older may not hunt turkeys during the youth-only season.

**Youth hunters:** Children ages 15 and younger may hunt turkeys during the youth-only hunting weekend and the general spring season. Youths younger than 12 are exempt from license and turkey permit requirements. Unless exempt, all spring turkey hunters ages 12-15 must carry with them in the field proof of purchase of a valid Kentucky hunting license and a valid spring turkey permit. Youths ages 12-15 are eligible to purchase a youth turkey permit, which is valid for the harvest of one turkey during a license year. The resident-only youth sportsman’s license includes two (2) youth turkey permits. Youth hunters must abide by season bag limits and harvest restrictions.

Youth hunting licenses and permits are valid for the entire license year if they are purchased before the youth’s 16th birthday. Youths who hunt turkeys with a firearm must be accompanied by an adult who shall remain in a position to take immediate control of the firearm at all times.

**LEGAL SPRING TURKEY HUNTING EQUIPMENT**

Hunters may only use the following to take turkeys during the spring seasons:
- Breech-loading or muzzle-loading shotguns no larger than 10 gauge and no smaller than .410.
- Breech-loading shotguns must be plugged to hold a maximum of three shells (two in magazine and one in chamber).
- Lead or non-toxic shot no larger than No. 4.
- Longbows, recurve bows and compound bows of any draw weight (no minimum).
- Crossbows of any draw weight (no minimum) with a working safety device.
- Non-barbed broadheads with a minimum cutting diameter of 7/8-inch, whether expandable or non-expandable.

**PROHIBITED SPRING TURKEY HUNTING METHODS**

A person hunting wild turkeys shall not:
- Hunt over bait. An area is considered baited until 30 days after the bait has been removed. However, a person may hunt wild turkeys on an area where grain, feed or other substance exists as the result of a bona fide agricultural practice or manipulation of a crop (food plot) for wildlife management purposes.
- Use a dog during the spring season.
- Hunt from a boat, or from any type of vehicle unless prescribed by regulation (see “Hunting Method Exemptions” in the “General Information” section of this guide).
- Use or possess an electronic or digital calling device.
- Harvest a roosting turkey.
- Use live decoys.

**SPRING SEASON BAG LIMITS**

A hunter may take a male turkey or a turkey with a visible beard. No more than one (1) bird may be taken per day. No more than two (2) birds may be taken per spring season. Any combination of male turkeys, or turkeys with visible beards, may be included in this two-bird season limit. Turkeys taken by youths during the youth-only season count toward their spring turkey bag limit.

**HARVEST RECORDING**

All harvested turkeys must be logged and telechecked. Consult the “General Information” section of this guide for complete information about harvest logs, telecheck and carcass tags.
CALLER/ASSISTANT
Anyone may call turkeys, or assist in the hunt. Callers and assistants are not required to possess a hunting license or turkey permit, and may carry equipment while in the field.

HUNTER ORANGE
Hunters are not required to wear hunter orange clothing during the spring turkey seasons. However, wearing an article of hunter orange clothing while carrying a harvested turkey is a simple and effective way to help prevent hunting accidents that can occur when a hunter is mistaken for game.

POSSSESSION / RELEASE OF LIVE WILD TURKEYS and EGGS
Due to the potential for spread of disease and genetic pollution, it is illegal to possess live wild turkeys. For the same reasons, domestic or pen-raised turkeys should not be released into the wild. It is also illegal to possess or attempt to hatch wild turkey eggs. It is further recommended that turkeys not be artificially fed during any time of the year. Providing standing corn, wheat or clover patches is a much better alternative.

TURKEY HUNTING SAFETY TIPS

• Don’t stalk a turkey. The chances of getting close enough for a shot are slim, and odds of becoming involved in an accident increase.
• Use extreme caution when tail fanning or reaping for gobblers. Hunters run the risk of being mistaken for a live turkey while engaging in this type of hunting technique.
• Eliminate the colors red, white and blue from your turkey hunting outfit. Red or white are the colors hunters are looking for when differentiating a gobbler’s head from the hen’s grayish-blue head.
• Don’t move, wave or make turkey sounds to alert another hunter to your presence. Yell in a loud voice, “Hey, I’m here,” and remain hidden.
• Be particularly careful when using a gobbler call. The sound and motion may attract other hunters, and could draw fire.
• When selecting your calling position, sit at the base of a large tree, if one is available, to protect your torso and head. Position yourself so you can see 180 degrees in front of you.
• Pattern your shotgun before the season. In season, never shoot at a sound or movement. Be certain of your target.
• Assume that every sound you hear is made by another hunter.
• When hunting with a turkey decoy, place the decoy about 20 yards from your calling position. To be safe, you need a clear line of sight beyond the decoy of at least 80 yards. This will enable you to see any approaching hunter and keep you at a safe distance if another hunter were to shoot at your decoy.
• Keep your shotgun unloaded when not in the field, and open the action or unload your shotgun when climbing a steep hill, stepping over low fence wire, or crossing a creek.
SQUIRREL HUNTING

SPRING HUNTING SEASON

**SPECIES** | Spring Season | Bag Limit
--- | --- | ---
Squirrel | May 16 – June 19, 2020 | Daily limit is six squirrels; possession limit is 12

Shooting hours are 30 minutes before sunrise to 30 minutes after sunset. Hunters may be in the field before and after shooting hours.

LEGAL SPRING SQUIRREL HUNTING EQUIPMENT

- Rimfire gun or rimfire handgun.
- .410-gauge handgun.
- Muzzle-loading or breech-loading shotguns no larger than 10-gauge. Breech-loading shotguns must be plugged to hold a maximum of three shells (two in magazine and one in chamber).
- Lead or non-toxic shot no larger than No. 2.
- Muzzle-loading rifles.
- Archery or crossbow equipment.
- Pellets fired from .177, .20, .22 or .25 caliber air guns.
- Slingshots with manufactured hunting ammunition.
- Dogs may be used to aid in the hunt.

PROHIBITED METHODS OF TAKING SQUIRRELS

- Trapping squirrels during the spring season, or hunting squirrels at any time with blowguns is prohibited.

HUNTING SEASONS

**COYOTES**

Coyotes may be hunted year-round, day or night, with no bag limit. However, they can be hunted using lights or night vision equipment after daylight hours from Feb. 1 – May 31 only. Lights or other means to make coyotes visible at night cannot be connected to or cast from a mechanized vehicle. Shotguns are the only legal firearm for night coyote hunting but a shell containing a single projectile may not be used.

Night hunting for coyotes is prohibited on Kentucky lands managed by Big South Fork National River and Recreation Area, Daniel Boone National Forest, George Washington and Jefferson National Forests, Land Between The Lakes National Recreation Area, Clarks River National Wildlife Refuge and Reelfoot National Wildlife Refuge, including Beaver Creek, Cane Creek, Mill Creek, Pioneer Weapons and Redbird wildlife management areas (WMAs).

Hunting for coyote and other fur-bearers is prohibited on Cedar Creek Lake and Miller-Welch Central Kentucky WMAs.

Hand or mouth-operated calls and electronic calls that imitate wounded prey or coyote calls are legal. It is legal to hunt coyotes over animal carcasses. Animal carcasses are considered bait. A hunter shall not place or distribute bait or otherwise participate in baiting wildlife on all WMAs, Big South Fork National River and Recreation Area, Daniel Boone National Forest, Jefferson National Forest, Land Between The Lakes and state parks open to hunting.

Coyotes can only be trapped during fur-bearer trapping seasons.

**GROUNDHOGS**

Groundhogs can be hunted year-round with no bag limit. A hunting license is required unless the hunter is license exempt. Shooting hours are 30 minutes before sunrise to 30 minutes after sunset.

**SPECIES** | Seasons
--- | ---
Coyote | Year-round, day or night (exceptions apply)
Groundhog | Year-round
Bullfrog | Noon, May 15 – Midnight, Oct. 31, 2020
Turtles* | Year-round, day or night

* Alligator snapping turtles may not be harvested.
BULLFROGS
The daily limit (noon to noon) is 15. The possession limit is 30.
If bullfrogs are taken by gun or bow and arrow, a hunting license is required. If taken by pole and line, a fishing license is required. If frogs are taken by gig or by hand, either a hunting or fishing license is valid. It is illegal to possess a gig on a stream or lake, or in a boat, from Nov. 1 – Jan. 31.

TURTLES
Snapping turtles (except alligator snapping turtles) and softshell turtles may be taken year-round with no bag limit but may not be harvested for commercial purposes.
A hunting license is required if turtles are taken by gun or bow and arrow. Consult the Kentucky Fishing & Boating Guide for information on other legal means of harvest.

WILD PIGS
Trapping is the most effective method of removing wild pigs. Landowners are strongly encouraged to work with Kentucky Fish and Wildlife to remove wild pigs from their property. Tell your local conservation officer about the use of snares and/or corral traps on your property. Wild pigs must be killed at the trap site, and not released. It is illegal to possess, sell or transport wild pigs in Kentucky.
To report sightings, illegal activities related to wild pigs, or to get advice on effective control, contact Kentucky Fish and Wildlife.

Wild pigs may be hunted year-round, with no bag limit, except on Big South Fork National River and Recreation Area (www.nps.gov/biso).
Shooting hours are 30 minutes before sunrise to 30 minutes after sunset. However, hunters may be in the field before and after shooting hours. A hunting license is required unless the hunter is license exempt.

BIRDS
• English sparrows and starlings may be hunted year-round with no bag limit, but a hunting license is required unless the hunter is license exempt.
• Pheasants released during quota hunts are not open to year-round hunting on Green River Lake WMA, Yellowbank WMA and Clay WMA.
• All birds of prey and native songbirds are protected under state and federal laws, and may not be taken.

MAMMALS and OTHER WILDLIFE
• The spotted skunk, a rare species found in eastern Kentucky, is a protected species and may not be taken.
• All federally threatened or endangered species are protected under state and federal laws and may not be taken.

LEGAL METHODS AND EQUIPMENT FOR HUNTING COYOTES
• Centerfire or rimfire gun (daylight hours only)
• Muzzle-loading rifle or handgun (daylight hours only)
• Muzzle-loading or breech-loading shotguns no larger than 10 gauge. Breech-loading shotguns must be plugged to hold a maximum of three shells (two in magazine and one in chamber). There is no limit on shot size. Shotguns must be shoulder fired.
• Shot shells with a single projectile may only be used during daylight hours.
• Bow and arrow or crossbow
• Air guns with pellets that are at least .22 caliber in size.
• Hand or mouth operated calls, electronic calls, or attracting devices
• Dogs may be used to aid in the hunt.

KENTUCKY FISH and WILDLIFE PROPERTIES
Kentucky Fish and Wildlife owns, leases or manages more than 85 wildlife management areas (WMAs) for public use. It also has agreements to provide public access on certain privately owned lands, known as Hunting Access Areas. Many public-use areas have special regulations and hunting season dates that are different from statewide seasons. On some public-use areas, a user permit is required.

This section lists WMAs where special regulations are in effect for the spring turkey and squirrel seasons. If you plan to hunt on any of these areas, make note of the differences from statewide regulations.
When hunting on WMAs or Hunting Access Areas, respect the boundaries of adjoining private lands, be courteous, don’t trespass and keep safety in mind. Horseback riding on WMAs is prohibited during firearms seasons for turkeys.

BARREN RIVER LAKE WMA
(Barren and Allen counties)
Hunters shall not hunt with a breech-loading firearm on the Peninsula Unit, including Narrows, Goose and Grass islands.

CAMBRIAN COAL HUNTING ACCESS AREA
(Pike, Letcher and Floyd counties)
Portions of this area marked “All Hunting” are open under statewide regulations for all game species. Hunters must abide by the bag limits, possession and season structure in the county where they are hunting. Portions of the property have special restrictions. Definitions for each restriction and maps showing where restrictions apply may be found on the Kentucky Fish and Wildlife website. All users must obtain and
complete a liability waiver, also available on the department’s website.

Areas marked “Deer and Turkey Quota Hunt” are open during quota hunts for deer and turkey during the statewide seasons for each species. Hunters must abide by the possession, bag limits and season structure in county where hunting. Interested deer and turkey hunters may apply by calling (606) 639-0933.

CZAR HUNTING ACCESS AREA
(Johnson, Martin and Floyd counties)
Beech Fork Tract: Open to hunting under statewide regulations and rules and regulations in effect for the county. Off-limits areas are shown on a map available on Kentucky Fish and Wildlife’s website.
Czar and Area 3 tracts: Quota hunt for spring turkey. Applicants must email mintha@czarky.net to apply. Closed to all other hunting.

ELK HORN COAL HUNTING ACCESS AREA (Floyd, Letcher, Knott and Pike counties)
Spring hunting seasons are open under statewide regulations. Camping, ATV use, horseback riding, baiting, livestock production and the use of screw-in steps or tree stands that have screws and spikes, which may injure trees are not permitted on the property.

HIGGINS-HENRY WMA
(Union County)
Open for the youth-only and general spring turkey seasons, but turkey hunters may only use archery gear and crossbows.

LIVINGSTON COUNTY WMA and STATE NATURAL AREA
Open for the youth-only turkey season, and open only to youth hunters during the general spring turkey season.

OTTER CREEK OUTDOOR RECREATION AREA
(Meade County)
User permit required. Hunting during the youth-only and general spring turkey seasons ends at noon each day. Open for spring squirrel season, except hunters shall not use a rimfire gun.

PEABODY WMA (Ohio, Hopkins and Muhlenberg counties)
Any person age 16 and older must obtain and carry a Peabody WMA user permit ($15) while on the property; or be a member of a group with an event permit, either an individual event permit ($25) or an annual event permit ($250).

PIONEER WEAPONS WMA
(Bath and Menifee counties)
Hunters may not use breech-loading firearms to take squirrel or turkey. Scopes or optical enhancements shall not be used to take turkey.

RH GROUP HUNTING ACCESS AREA
(Floyd, Letcher, Magoffin, McCreary and Pike counties)
All hunting is archery only. Commercial guiding, camping, ATV use, horseback riding, fishing, night hunting, baiting, livestock production, and the use of screw-in steps or tree stands that have screws and spikes which may injure trees are not permitted on the property. For the tracts in Pike County, hunters must call the RH Group office at (606) 437-4091 prior to entry.

ROBINSON FOREST WMA
(Breathitt, Knott and Perry counties)
The main block of this area is closed to turkey and squirrel hunting.

WEST KENTUCKY WMA
(McCracken County)
All tracts are open for the youth-only turkey season. All tracts except those marked with the letter “A” are open for the general turkey season. Squirrel hunters shall not use a rifle, ball or slug ammunition. Check-in required before using an “A” tract. Tract 6 is closed to vehicular traffic from Feb. 1-April 16.

The following lands are not owned or managed by Kentucky Fish and Wildlife. Hunting dates may differ from statewide seasons and advanced registration to hunt may be required. Some areas require paper licenses and have more restrictive hunter education age requirements.

Seasons on military installations are subject to change based on training exercises and other activities. Some areas offer “bonus” birds that do not count against the statewide season bag limit, but hunters must possess a valid hunting license and turkey permit to participate. Active duty military may be license-exempt on some areas.

Contact the appropriate agency for details.

Maps and information
Go online to fw.ky.gov and search under “maps” for information on public hunting areas. Use the ArcGIS app for mobile devices.

OTHER AREAS

BLUE GRASS ARMY DEPOT
431 Battlefield Memorial Highway
Richmond, KY 40475
(859) 779-6177
No spring 2020 hunting.

CLARKS RIVER NATIONAL WILDLIFE REFUGE
91 U.S. 641 North, P.O.Box 89
Benton, KY 42025
(270) 527-5770
www.fws.gov/refuge/clarks_river
Open under statewide regulations for spring squirrel and turkey seasons. Squirrel hunters who hunt with shotguns must use non-toxic shot. No bonus birds. Must use statewide turkey permit. Refuge user permit required.

FORT CAMPBELL
MILITARY RESERVATION
6645 101st Airborne Division Road
Fort Campbell, KY 42223
(270) 798-9824
https://ftcampbell.isportsman.net
State hunting license, iSportsman account and Fort Campbell permit are required. Civilian hunters must complete an annual criminal background check and register their firearms at Fort Campbell Visitor Center (located at Gate 4 or Gate 7). Following background check, hunters must be validated at Fort Campbell Fish and Wildlife office. Hunters must have
proof of successful completion of a state-approved hunter safety course no matter age. Youth hunters must be at least 9 years of age to harvest an animal. Youth under 9 years old may go hunting with an adult, but are not authorized to harvest an animal. Kentucky hunters may hunt on both the Kentucky and Tennessee portions of the base. Turkeys taken are bonus birds. No spring squirrel hunting. Consult website or contact office for dates.

**FORT KNOX MILITARY RESERVATION**
Hunt Control Office
4916 Wilson Road, Building 9297
Fort Knox, KY 40121
(502) 624-7311 or (502) 624-2712
https://ftknox.isportsman.net

Post permit and iSportsman account required. Hunters must register firearms at the Visitor Center located at the Chaffee Gate before bringing them onto the installation. For more information about firearms registration, call (502) 624-7011 or (502) 624-7019. Hunters ages 12-60 must have a hunter education card, or hunter education exemption permit. Turkeys taken are bonus birds. Spring squirrel hunting permitted. See small game hunting guidelines on iSportsman for authorized methods of take and season dates, or call the Hunt Control Office.

**HIDDEN VALLEY TRAINING AREA**
Closed to all turkey hunting, including youth-only and general spring turkey season. Closed for spring squirrel season.

**LAND BETWEEN THE LAKES NATIONAL RECREATION AREA**
Open for turkey hunting; no quota turkey hunts for 2020 spring season. Contact LBL for season dates and regulations. Hunters shall take no more than one (1) turkey with a visible beard. No bonus birds. Must use statewide permit. Spring squirrel hunting permitted. Contact for dates.

**REELFOOT NATIONAL WILDLIFE REFUGE**
4343 Highway 157
Union City, TN 38261
(731) 538-2481
http://reelfoot.fws.gov

Quota turkey hunts in early April by advance application. Hunters may not take more than one (1) bearded turkey. Counts as bonus turkey. Spring squirrel hunting season abides by Tennessee hunting guidelines and is closed during turkey quota hunts. Hunters who hunt with shotguns must use non-toxic shot. Refuge user permit required.

**ATTENTION TURKEY HUNTERS!**

You can help the Kentucky Department of Fish and Wildlife Resources’ efforts to manage the wild turkey resource by participating in the Summer Brood Survey. In July and August, record all observations of turkeys, including broods (hens and poult) and gobblers.

Visit the department’s website at fw.ky.gov for more details about this survey, which will help Kentucky Fish and Wildlife better track trends in turkey populations. Enter “Spring Turkey Hunting” in the search box on the department’s homepage. Only summarized results will be reported.
