

# Rules Governing Interstate Transport of High-risk Cervid Carcass Parts<sup>1,2</sup>

**Red** No high-risk parts, regardless of CWD status of exporting jurisdiction (17 states)  
**Orange** Import rules apply to entire CWD-positive jurisdiction, regardless of number or distribution of cases (17 states)

**Yellow** Import rules apply to positive units only, not entire jurisdiction (7 states)  
**Light Green** No rules restricting importation of high-risk cervid parts (9 states)

<sup>1</sup>High risk carcass parts may include one or more of the following: head (brain, tonsils, eyes, lymph nodes), spinal cord, spleen, skull plate with attached antlers if visible brain or spinal cord is present, cape if visible brain or spinal cord is present, upper canine teeth if root structure or other soft material is present, any object or article containing visible brain or spinal cord material or brain-tanned hide.

<sup>2</sup>Consult state's website for complete rule details. Intended as a summary of **general** rules only.
