If you hunt for doves, ducks or any other migratory birds, you are required to fill out a HIP Migratory Bird Survey before you go hunting. To take the quick survey just log into your My Profile page on our website FW.KY.GOV.

PUBLIC LAND HUNTING
MENTOR / MOBILITY-IMPAIRED HATCHERY HUNTS

FISH & WILDLIFE MISSION STATEMENT
To conserve and enhance fish and wildlife resources and provide opportunity for hunting, fishing, trapping, boating and other wildlife-related activities.

OTHER GUIDES AVAILABLE
Kentucky Fish & Wildlife produces various regulation booklets for hunting and fishing. Call 1-800-858-1549 weekdays, look for a copy of these regulation guides where hunting licenses are sold, or log on to fw.ky.gov.
HUNTING SEASONS and REGULATIONS

The Northeast Goose Zone is now under statewide regulations for waterfowl hunting, but the Cave Run Lake closure area remains.

†Mandatory FREE permit required for hunting snow goose during this period, log on to Kentucky Fish and Wildlife’s homepage at fw.ky.gov or call 1-800-858-1549 to obtain a permit. Everyone who obtains the Snow Goose Permit must report hunting activity by April 10, 2019.

**Pit and blind restrictions in effect for wildlife management areas (WMAs) and the Ballard Reporting Area do not apply to hunters during Snow Goose Conservation Order season. These restrictions also do not apply to falconers hunting waterfowl during periods when gun and archery waterfowl seasons are not open.

YOUTH WATERFOWL SEASONS

Hunters age 15 and under can hunt ducks, coots, mergansers and geese on these days. Youth hunting during these seasons must comply with hunter education and hunting license requirements and be accompanied by an adult (at least 18 years of age).

Bag limits are the same as for regular duck and goose seasons.

SANDHILL CRANE SEASON

Sandhill crane season opens Dec. 3, 2018 and closes Jan. 27, 2019. The daily and season bag limit is two birds. Hunters must apply for a sandhill crane permit online during the month of September on the Kentucky Department of Fish and Wildlife Resources website and pay a $3 application fee.

Applicants must have a valid Kentucky hunting license or be license exempt when they apply. Results are posted to individual applicants online following the drawing. Drawn hunters must pass an online identification exam before receiving a sandhill crane hunting permit.

Hunters must telecheck harvested birds on the day taken. They must also monitor the Kentucky Fish and Wildlife website at fw.ky.gov daily for notices involving season closure and for the presence of whooping cranes in Kentucky. Hunters may also call 1-800-858-1549 for this information.

Hunters participating in the sandhill crane hunting season must complete a post-season survey by Jan. 25 or lose eligibility to apply the following year.

SHOT SIZE, TYPE, SHOT SHELL LENGTH RESTRICTIONS

U.S. Fish and Wildlife Service-approved nontoxic shot no larger than size “T” is required for all waterfowl and sandhill crane hunting. Shot larger than size “T,” or shotshells longer than 3.5 inches, MAY NOT BE POSSESSED OR USED while hunting waterfowl or sandhill cranes. Cur-
rency, steel, bismuth, tungsten and certain tungsten composite shotshells are approved for use. The U.S. Fish and Wildlife Service may approve other types of nontoxic shot which, if approved, will be permitted for waterfowl and sandhill crane hunting. Possession or use of any lead shot or any shot not approved by USFWS while hunting or attempting to take waterfowl or sandhill cranes is prohibited statewide.

**REPORTING BIRD BANDS**

To report bird bands, go online to [www.reportband.gov](http://www.reportband.gov). The previous toll-free number is no longer operable. Hunters who harvest banded birds with the toll-free number must still go online to report.

**NOTE:** Licenses and permits are not required for kids under the age of 12.

*Included in Youth Sportsman’s License
†Included in Resident Sportsman’s License

**HUNTING LICENSE**

Unless license-exempt under KRS 150.170, all hunters must possess a valid Kentucky hunting license when waterfowl hunting. Persons using a license authorization number in lieu of a paper license must have the authorization number and a picture ID with them while hunting. All Kentucky residents 65 years of age and older and Kentucky residents who are certified totally and permanently disabled by the Federal Social Security Administration, by a state Workers Compensation Board, by the Kentucky Teacher’s Retirement System, by the U.S. Office of Personnel Management, by the United States Railroad Retirement Board, or Kentucky resident veterans who have a permanent 50 percent disability as the result of military-related injuries are required to purchase the Senior/Disabled combination hunting and fishing license ($5) and carry it while hunting or fishing. This license includes all the following state permits: deer, turkey, migratory bird, waterfowl and trout.

**KENTUCKY MIGRATORY GAME BIRD-WATERFOWL PERMIT**

Any person required to possess a hunting license, except children under the age of 16, taking or attempting to take waterfowl must possess a Kentucky Migratory Game Bird-Waterfowl Permit. (This permit is included with the Senior/Disabled and Sportsman’s License.) This permit covers all species of migratory birds. Those who buy a Kentucky waterfowl permit, senior/disabled license, or Sportsman’s license MUST COMPLETE a Harvest Information Program Survey (HIP) by going online at Kentucky Fish and Wildlife website [fw.ky.gov](http://fw.ky.gov) before they are legal waterfowl hunters. The process takes less than 5 minutes. On the [fw.ky.gov](http://fw.ky.gov) website, click on the “My Profile” tab. This takes you to a page that asks for some basic information to confirm your identity. Then, click on the “HIP Migratory Bird Survey” on the right of the page. After completing the HIP survey, you receive a confirmation number that must be written on your hunting license or Kentucky Migratory Game Bird-Waterfowl Permit. Hunters may call 1-800-858-1549 for questions.

**FEDERAL DUCK STAMP**

In addition to the state waterfowl permit requirement listed above, all persons age 16 or over must carry a valid federal migratory bird hunting stamp (commonly called a duck stamp) to hunt waterfowl. Hunters under 16 must possess a youth hunting license but the Federal Waterfowl Stamp and the Kentucky Migratory Game Bird - Waterfowl Permit are not required. The federal stamp must be validated by the hunter’s signature written across the face of the stamp in ink.

**HUNTER EDUCATION**

All hunters born on or after Jan. 1, 1975, must carry a valid hunter education course completion card while hunting, in addition to the appropriate Kentucky hunting license, federal duck stamp and state waterfowl permit. Hunters not required to have a hunting license are not required to possess the hunter education card. Hunters under the age of 12 may hunt without a course completion card, but must be accompanied by an adult at least 18 years of age who remains in a position to take immediate control of the child’s firearm.

*Peabody, LBL and Otter Creek permits, elk drawing application, elk quota hunt permit, out-of-zone elk permit, bear permit, federal duck stamp and trapping license not included. An additional deer permit is not included with a Sportsman’s License. Kentucky’s license year begins March 1 and continues through the last day of February. New licenses are required annually, except for the 3-year fishing license. A 1-day or 7-day hunting license is valid only for the period shown on license. Resident and nonresident youths under the age of 12 are not required to purchase licenses or permits (except the elk drawing application).
WATERFOWL ZONES

BALLARD ZONE BOUNDARY
Starting at the northwest city limits of Wickliffe in Ballard County to the middle of the Mississippi River, then north along the Mississippi to the low water mark of the Ohio River along the Illinois shore to the Ballard-McCracken County line; then along the county line south to Hwy. 358, then south along Hwy. 358 to its junction with U.S. 60 at LaCenter; then following U.S. 60 southwest to the northeast city limits of Wickliffe.

All constructed or used blinds (including boats) must be at least 100 yards apart and at least 50 yards from any property line. A waterfowl hunter shall not possess more than one shotgun while in the blind.

CAVE RUN LAKE GOOSE CLOSURE AREA
No goose hunting is permitted on public land (USFS) and water within the block of land lying inside the boundaries of Hwy. 801, Hwy. 1274, Hwy. 36, Hwy. 211, Hwy. 60 and Hwy. 826. Note: This area includes most of Cave Run Lake.

YOUTH WATERFOWL ZONES and the CAVE RUN GOOSE CLOSURE AREA

FEDERAL REGULATIONS

In addition to state regulations, the following federal laws apply to the taking, possession, shipping, transporting and storing of migratory game birds.

Note
The material below is only a summary. Each hunter should also consult the complete federal regulations, which may be found in Title 50, Code of Federal Regulations, Part 20.

RESTRICTIONS
No person shall take migratory game birds:
• With a trap, snare, net, rifle, crossbow, pistol, swivel gun, shotgun larger than a 10 gauge, punt gun, battery gun, machine gun, fishhook, poison, drug, explosive or stupefying substance;
• With a shotgun capable of holding more than three shotshells, unless it is plugged with a one-piece filler which is incapable of removal without disassembling the gun;
• From a sink box (a low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water);
• From or with the aid or use of a car or other motor-driven land conveyance, or any aircraft, except that paraplegics and single or double amputees of the legs may take from any stationary motor vehicle or stationary motor-driven land conveyance. “Paraplegic” means an individual afflicted with paralysis of the lower half of the body with involvement of both legs, usually due to disease of or injury to the spinal cord;
• From or by means of any motor boat or sail boat unless the motor has been completely shut off and/or the sail furled, and its progress therefrom has ceased;
• By the use or aid of live decoys. All live, tame or captive ducks and geese shall be removed for a period of 10 consecutive days prior to hunting, and confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such tame birds from the sight of migratory waterfowl;
• Using records or tapes of migratory bird calls, or sounds, or electrically amplified imitations of bird calls (except electronic calls may be used during the Snow Goose Conservation Order);
• By driving, rallying or stirring birds with any motor-driven land, water or air
conveyance or any sail boat to put them in the range of the hunters; or
• By the aid of baiting (placing feed such as corn, wheat, salt or other feed to constitute a lure or enticement), or on or over any baited area. Hunters should be aware that a baited area is considered to be baited for 10 days after the removal of the bait.
• Areas manipulated for dove hunting are not legal for waterfowl hunting.
• Over areas where farmers feed livestock or areas where grain is stored, such as grain bins and elevators.

CLOSED SEASON
No person shall take migratory game birds during the closed season.

SHOOTING HOURS
No person shall take migratory game birds except during the hours open to shooting as prescribed.

DAILY BAG LIMIT
No person shall take in any one day more than one daily bag limit.

FIELD POSSESSION LIMIT
No person shall possess more than one daily bag limit while in the field or while returning from the field to one’s car, hunting camp, home, etc.

WANTON WASTE
All migratory game birds shall be retrieved, if possible, and retained in the custody of the hunter in the field.

TAGGING
No person shall put or leave any migratory game birds at any place or in the custody of another person unless the birds are tagged by the hunter with the following information: a) the hunter’s signature; b) the hunter’s address; c) the total number of birds involved, by species; d) the dates such birds were killed.

Tagging is required if the birds are being transported by another person for the hunter, or if the birds have been left for cleaning, storage (including temporary storage), shipment or taxidermy services.

POSSSESSION OF LIVE BIRDS
Wounded birds reduced to possession shall be immediately killed and included in the daily bag limit.

DRESSING
No person shall completely field dress any migratory game bird (except doves and band-tailed pigeons) and then transport the birds from the field. The head or one fully feathered wing must remain attached to all such birds while being transported to the field to one’s home or to a migratory bird preservation facility.

SHIPMENT
No person shall ship migratory game birds unless the package is marked on the outside with: a) the name and the address of the person sending the birds; b) the name and the address of the person to whom the birds are being sent; c) the number of birds, by species, contained in the package.

IMPORTATION
For information regarding the importation of migratory birds killed in another country hunters should consult 50 CFR 20.61 through 20.66. One fully feathered wing must remain attached to all migratory game birds being transported between the port of entry and one’s home, or to a migratory bird preservation facility. No person shall import migratory game birds killed in any foreign country, except Canada, unless such birds are dressed (except as required in 20.63), drawn, and the head and feet are removed. No person shall import migratory game birds belonging to another person.

DUAL VIOLATION
Violation of state migratory game bird regulations is also a violation of federal regulations.

Caution
More restrictive regulations may apply to National Wildlife Refuges open to public hunting. For more information on Federal Regulations, consult Assistant Regional Director - LE, U.S. Fish and Wildlife Service, P.O. Box 4839, Atlanta, Georgia, 30302-4839; or call (404) 331-5872.

PUBLIC LAND HUNTING

BLIND REGISTRATION

On the following areas, hunt sites must be registered on a permit issued by the U.S. Army Corps of Engineers or Kentucky Fish & Wildlife before the blind is constructed: Barkley Lake, Barren River Lake, Buckhorn Lake, Doug Travis, Green River Lake, Nolin River Lake, Rough River Lake, and Sloughs. Applicants must show a valid hunting license, Kentucky Waterfowl Permit, and Federal Migratory (Duck) Bird Stamp when applying. An applicant may designate one other person as a partner and shall not hold more than one permit per area. Hunt sites registered on these areas not occupied by one hour before sunrise of any day are considered open to other hunters, first-come, first-served basis for that day. Permits shall not lock blinds to prevent use by other hunters in absence of the permittee. Hunt sites on the above listed areas must be constructed by Nov. 20 and removed within 30 days of the close of the season. Permittees who fail to remove their blind as stated will forfeit the opportunity to obtain a blind the following year. Hunters selected for a waterfowl and Sloughs Wildlife Management Area must complete a hunter survey report online at www.research.net/s/Sloughs_Hunter_Survey or lose eligibility for a blind the following year.

On Barkley, Barren River, Doug Travis, Green River and Sloughs WMAs, hunters who want hunt sites must register and be selected by random drawing. Drawings are held August through October and applicants must be 18 years of age and show a valid Kentucky hunting license, a Kentucky waterfowl permit and a Federal migratory bird stamp at that time. Each person drawn may select a partner of the hunt site for hunting in the absence of the hunter in the field. Permittees shall not lock blinds to prevent use by other hunters in absence of the permittee. Hunt sites on the above listed areas must be constructed by Nov. 20 and removed within 30 days of the close of the season. Permittees who fail to remove their blind as stated will forfeit the opportunity to obtain a blind the following year. Hunters selected for a waterfowl and Sloughs Wildlife Management Area must complete a hunter survey report online at www.research.net/s/Sloughs_Hunter_Survey or lose eligibility for a blind the following year.

Caution
More restrictive regulations may apply to National Wildlife Refuges open to public hunting. For more information on Federal Regulations, consult Assistant Regional Director - LE, U.S. Fish and Wildlife Service, P.O. Box 4839, Atlanta, Georgia, 30302-4839; or call (404) 331-5872.
of the person drawn. Partners must be present at the drawing. Drawn hunters may use their hunt site the entire season and may use a boat or a portable blind or construct a permanent blind. Each hunt site must be pinned with a permanent marker identifying the permit holders for the hunt site. If drawn hunters do not occupy a blind or hunt site by one-hour before sunrise that day, the blind or hunt site is open to other hunters on a first-come, first-served basis.

**BLIND RESTRICTIONS**

Unless otherwise stated under the CLOSED AREAS AND SPECIAL REGULATIONS FOR WMAs, the following restrictions apply to all open WMAs:

- permanent blinds are not permitted;
- decoys and temporary blinds must be removed from the WMA at the end of each hunting day;
- hunt sites must be at least 200 yards from any other hunt site or waterfowl refuge area;
- no more than 4 persons shall occupy a single hunt site at any one time; and
- designated recreation areas and access points are closed to all waterfowl hunting;
- discharge of firearms is prohibited within 100 yards of a residence or occupied building whether or not the building is on the WMA.

**WATERFOWL HUNTING ON PUBLIC LANDS**

Not all lands managed by the Kentucky Department of Fish and Wildlife Resources (KDFWR) are open to statewide seasons and bag-limits for waterfowl hunting. This section will list any special season dates, limits and requirements that are in effect for the following areas. If specific season dates are given for an area, then that is the only time waterfowl hunting is permitted. Otherwise, hunting is open under statewide season dates and regulations in that waterfowl zone. This section also lists any areas that are closed to hunting or public access. Areas owned or managed by the KDFWR that are not listed below are open to statewide seasons and limits, based on the zone in which they are located.

**BALLARD WMA**

**Ballard County**

Ballard WMA is exclusively open for waterfowl hunting, Wednesdays-Sundays, beginning Dec. 5, 2018. Ballard WMA is closed to all access on Mondays, Tuesdays, Christmas Eve, Christmas Day, and New Year’s Day. All hunters must check in at the Ballard WMA check station, 864 Wildlife Lodge Rd, La Center, KY 42056.

**New this year:** Hunting methods available at Ballard include hunting from an in-ground pit or above ground blind, free-lance hunting within a designated hunt unit or boat-in hunting for designated areas only. Hunt units mostly consist of harvested grain fields and seasonally flooded crops, moist soil units, and natural depressions or “Sloughs”, that are lined with shrubby cover and trees. Chest waders should be used to hunt in the water on all units. Woody vegetation, unsure footing and fast elevation changes are a possibility on all waterfowl hunting units. There are also two blinds available for mobility-impaired hunters. These mobility impaired blinds are wheelchair accessible. Hunters must draw a daily hunt permit available through the online quota hunt system, or through the daily stand-by drawing held for any unclaimed units. Each drawn hunter may bring up to three guests.

- The check station opens at 4:30 a.m. CST, and all hunters must check in by 5:00 a.m. each morning.
- At check in, a $15 (cash only, no checks or credit card accepted)/hunter per day fee will be collected. The drawn hunter must have a valid photo ID when checking in.
- Each morning the drawn hunter will fill out a Daily Waterfowl Hunting Tag that lists the members of their hunting party. This will be collected at check in. The bottom portion of the tag will be retained and taken with the hunt party, to collect the daily hunt data.
- After each hunt, this card must be turned in at the drop box located outside of the check-station. Failure to complete and turn in the daily hunt data card will result in the permit holder being ineligible to hunt at Ballard WMA for the remainder of the current and following waterfowl season.
- On all hunt units, legal shooting time starts one-half hour before sunrise, and all hunters must be off the area by 2 p.m. daily.
- Hunters are limited to 25 shells/person per day. Bag limit and possession limit are the same as statewide limits. At least one person in a hunt party must be 18 years of age or older.
- The Ohio River from 50 yards upstream of Dam 53 to 50 yards downstream of from the southern border of Ballard WMA is closed to waterfowl hunting October 15 – March 15.

**Floodwater note**

Public hunting will close when floodwaters prevent safe entry to hunting fields by wheeled vehicles on roads. Notice will be given at least 24 hours in advance of closure via radio, television and newspaper outlets, or hunters may check the department’s website at f.wy.gov. Watch or listen for notices when floodwaters are expected.

**BARREN RIVER LAKE WMA**

**Allen & Barren counties**

- Hunters may use breech or muzzle-loading shotguns for waterfowl hunting along the Barren River Lake shoreline bordering the primitive weapons area known as the “Peninsula Unit.”
- A person shall not hunt sandhill cranes within 100 yards of the normal summer pool level of 552 feet in the following embayments: Beaver Creek, Skaggs Creek and Peters Creek.

Also, see BLIND REGISTRATION.

**BIG RIVERS WMA**

**Union & Crittenden counties**

- Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

**BOATWRIGHT WMA**

**Ballard County**

including Peal, Olmsted, 400 Acre & Swan Lake units:

Boatwright WMA is open for waterfowl hunting, Wednesdays – Sundays, during the regular waterfowl season. Boatwright WMA is closed to waterfowl hunting on Mondays, Tuesdays, Christmas Eve, Christmas Day, and New Year’s Day.
Hunting methods available at Boatwright include hunting from an in-ground blind, layout blind hunting, walk-in hunting within a designated hunt unit at a drawn hunt site, or boat-in hunting for designated areas only. Hunt units mostly consist of harvested grain fields and seasonally flooded crops, moist soil units, and natural depressions or “Sloughs”, that are lined with shrubby cover and trees. Chest waders should be used to hunt in the water on all units. Woody vegetation, unsure footing and fast elevation changes are a possibility on all waterfowl hunting units. Boatwright WMA is separated into multiple units, each with specific regulations and hunt procedures. All hunters are limited to 25 shells/person per day. Bag limit and possession limit are the same as statewide limits. All decoys and gear must be removed at the end of each day’s hunt, and may not be left unattended. Areas identified by signs are closed to all access Oct. 15 – March 15.

During the first segment of the regular waterfowl season, shooting hours are ½ hour before sunrise to sunset, and the WMA is open to waterfowl hunting except that the Swan Lake Unit is closed. Hunters do not have to check in during these dates, and blinds and hunt units are available on a first-come first-served basis.

From the first Wednesday in December, to the last Sunday in January, shooting hours begin ½ hour before sunrise, and all hunters and equipment must be off the area by 2:00 p.m. CST. All hunters are required to check in during these dates. For all units, hunters must check in at the Ballard Bottoms Tourism Council building (the old First General Baptist Church Fellowship Hall), 255 S. 4th Street, Barlow KY 42024. Hunters are not allowed to enter the area to hunt until after they have checked in, and are in possession of the daily check-in card. See details below for check in procedures, daily drawing procedures, and specific hunt unit regulations. Any unit open to hunting during the regular waterfowl season are also open to snow goose hunting during the Snow Goose Conservation Order season.

**Daily Drawing Rules and Procedures:**

These units have blinds and hunt sites open for waterfowl hunting through a daily drawing, held each day during the second segment of the regular waterfowl season.

- Hunters must check in at the Ballard Bottoms Tourism Council Building prior to the daily drawing. Doors will open at 4:15 a.m. CST, and check-in will begin at 4:30 a.m.
- Each morning one hunter in each party must fill out a Daily Waterfowl Hunting Tag that lists the members of their hunting party. The top portion of this card will be collected at check in. The hunter will retain the bottom portion of this tag. This tag is to be kept by the hunt party for collection the daily hunt data.
- To check out after each hunt, this card must be deposited at the check station.
- Hunt drawings will begin at 4:45 a.m. CST. To participate in waterfowl hunt drawings, at least one person in a hunt party must be 18 years of age or older.
- When hunting assigned hunt sites through the waterfowl drawings, hunters must follow these rules: Hunters participating in random drawings for hunt sites or blind locations can only draw one site per day. For drawn blind locations, hunters shall only hunt waterfowl from a permanent department built blind, or from layout blind(s) in a single group of no more than 4 persons, with layout blinds set in such a manner that all layout blinds in the group lie within a 25 foot radius of the drawn hunt unit. “Layout blind” means a portable blind that when fully deployed allows an individual hunter to conceal oneself above the surface of the ground.
- Hunters participating in drawings for boat-in units must hunt within 25 feet of their assigned hunt site. Mobility-impaired hunters may hunt from a boat in flooded timber not allocated by the daily drawing.

- Otherwise, boat blinds shall not be permitted in flooded timber, other than sites allocated by the daily drawing, except during periods of flood where no other access is possible. When flood conditions allow boat blinds in flooded timber, no hunter shall set up to hunt within a 200-yard distance of another hunt party.

**Other restrictions**

The number of parties using these areas during periods of flood is limited to the following: 400 Acre Unit, 1 boat; Olmsted Unit, 6 boats; Upper Blendedman Unit, 3 boats; and Stevens Unit, 1 boat. On Peal Lakes Unit, waterfowl hunters hunting on Fish, Buck, Flat, First and Second lakes:

1. The number of parties using the above lakes must hunt at designated points and is limited to the following: Fish, 4; Buck, 7; Flat, 7; First, 3. (A party is defined as a person hunting alone or 2-4 persons sharing a blind.)
2. Hunting from boats permitted only at Kentucky Fish & Wildlife assigned spots. Boats must stay within 25 feet of this location.

**CAVE RUN LAKE AREA**

No goose hunting is permitted on public lands or waters within the block of land lying inside the boundaries of Hwy. 801, Hwy. 1274, Hwy. 36, Hwy. 211, Hwy. 60 and Hwy. 826.

**CEDAR CREEK LAKE WMA**

**Lincoln County**

- Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

**DIX RIVER WMA**

**Lincoln County**

- Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

**DOUG TRAVIS WMA**

**Carlisle & Hickman counties**

Doug Travis WMA is open to statewide regulations for hunting EXCEPT the portions of the WMA as identified by signs, which are CLOSED to the public from Nov. 1 to March 15. Waterfowl hunting opportunities at Doug
Travis WMA include walk-in, boat-in and season-long blind drawings. There are also two blind locations available for Mobility-Impaired hunters. One blind, blind 13, is an above ground blind that can be driven to, and is wheelchair accessible. The other blind, blind 19, is a boat-in blind location, built to conceal a mobility-impaired hunter in their boat. Both, blinds 13 and 19, are available through a mail-in preseason draw (see below for details).

Hunters who wish to draw a season-long blind must register and be selected by random drawing the last Saturday in August. Certain regulations apply on this area and are listed below. For more details, see the “Blind Drawings” portion of this guide, or the online waterfowl-hunting page. Hunt units on this area mostly consist of harvested grain fields and seasonally flooded crops, moist soil units, and natural depressions or “Sloughs” that are lined with shrubby cover and trees. Chest waders should be used to hunt in the water on all units. Woody vegetation, beaver runs, and rapid changes in elevation are a possibility on all waterfowl hunting units. Mississippi River levels should be closely monitored to determine if a boat is needed to access and hunt the area. Mississippi River levels exceeding 35 feet at the Cairo, Illinois river gauge indicate the potential loss of road access to some areas of the WMA.

Typically, river levels above 41 feet on the Cairo gauge cut off road access on both ends of the Berkley - Fish Lake Road, making a boat necessary to access most of the area. On all hunt units, shooting hours are one-half hour before sunrise until 2 p.m. CST. Hunters must exit the area by 2 p.m. daily. Hunters may not enter a hunt area until 4 a.m. CST daily.

**Special WMA Regulations**

- On Forked Lake, Indian Camp Lake, Fish Lake, Number Four Lake, Black Lake, Upper Goose Pond Field, Twin Ponds Field, and Town Creek Moist Soil Unit, all waterfowl hunting after Nov. 1 will be from Kentucky Fish & Wildlife-designated sites assigned by preseason drawing; even during periods of Mississippi River flooding. Hunters may walk in or boat in to hunt any units not mentioned in this list, except for the areas closed Nov. 1 – March 15.
- Individuals must be 18 years of age and possess a valid Kentucky Hunting License, Kentucky Waterfowl Permit and Federal Migratory Bird (Duck) Stamp when applying for designated hunt sites.
- All blinds must remain within 10 yards of the designated numbered location.
- Permanent blinds, if constructed, must be in place by Nov. 20 and removed within 30 days of the close of the season.
- Persons who fail to remove their blind after the season will forfeit the opportunity to obtain a blind site the following year.
- Persons drawn for a designated site (blind owners) may name one other person as a co-owner who may also claim the site each day. Blind owners and co-owners may not have more than one designated permanent blind site on the area each year.
- All selected sites must be marked with the blind owner’s name and permit number.
- Blind sites that are not claimed by the blind owners one hour before sunrise, may be claimed by other hunters on a first-come first-served stand-by basis.
- Hunters at designated blind sites may leave decoys out at their own discretion and risk, although this DOES NOT guarantee rights to a particular spot for following days (unless hunters are the blind owner or co-owner of a season-drawn blind site).
- All hunting parties, both at designated blind sites and those walk-in/boat-in hunting, must be at least 200 yards apart.
- No more than four persons shall occupy a single blind at any time.
- The WMA road into the Twin Ponds Field is open for entry from 4 a.m. until 30 minutes prior to sunrise each day during waterfowl season. Potential stand-by hunters for Blinds 16 and 17 may enter the area during this time frame, but MAY NOT ENTER after 30 minutes prior to sunrise. This is to avoid disturbance of hunters using Blinds 16 and 17. Hunters already present at these sites before 30 minutes prior to sunrise may exit this unit at any time, although they MUST exit the unit by 2 p.m. each day.
- **There are two mobility-impaired blinds available via quota hunts.** Check this link: [https://fw.ky.gov/Hunt/Pages/Waterfowl-Hunting.aspx](https://fw.ky.gov/Hunt/Pages/Waterfowl-Hunting.aspx) for more details.

**GRAYSON LAKE WMA**

- **Carter & Elliott counties**
  - The following portions are closed to all waterfowl hunting: within three-quarters of a mile of the dam site marina, the shores of Camp Webb and Deer Creek Fork of Grayson Lake. All other portions are open.

**GREEN RIVER LAKE WMA**

- **Taylor & Adair counties**
  - Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.
  - Also, see BLIND RESTRICTIONS.

**J.C. WILLIAMS WMA**

- **Nelson County**
  - Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

**KALER BOTTOMS WMA**

- **Graves County**
  - Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

**KENTUCKY RIVER WMA**

- **Henry & Owen counties**
  - Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

**LAKE BARKLEY WMA**

- **Trigg, Lyon & Livingston counties**
  - Refuge areas *closed* to all hunting, fishing, boating and molesting of all species listed in this guide are:
    a) within an area west of the main river channel between river mile 51 (Hayes Landing Light) and the TVA power transmission lines at river mile 55.5, closed Nov. 1 – Feb. 15; and
    b) the area west of a line from the north point of the mouth of Fulton Bay to the south point of the mouth of Honker Bay, closed Nov. 1 – Mar. 15.
  - Boating is allowed but hunting is prohibited within 200 yards of the area surrounded by a levee and located between river mile 68.4 and river mile 70.4 Oct. 15 – March 15.
  - Permanent blinds must remain within 10 yards of the assigned numbered blind marker within the two areas described as follows:
    a) Beginning at the mouth of Donaldson Creek and proceeding south along the east side of the old Cumberland River channel as marked by buoys, to a point due west of the boat ramp at Linton, then east to the Linton boat ramp, then north
along the east shore of Lake Barkley to the mouth of Donaldson Creek;
b) Beginning at Pryor’s Creek Light extending south along the western
shore of Barkley Lake to the boat ramp at the end of Land Between
The Lakes Road 204, then to the
west side of the Cumberland River
channel, marked with buoys, to river
mile 73.5, then north along the west
side of the Cumberland River channel,
marked with buoys, to Pryor
Creek Light.
• All other blinds within this described
area shall be temporary. See also
BLIND RESTRICTIONS.

LAKE CUMBERLAND WMA
Pulaski County
Wesley Bend, the area bounded to
the north, west and south by Fishing
Creek and to the east by Beech Grove
Road and Fishing Creek Road is closed
to the public Oct. 15 – March 15;
Yellowhole, the area bounded to
the west by Fishing Creek Road and the
south by Hickory Nut Road is closed
to the public Oct. 15 – March 15.

LAND BETWEEN THE LAKES
Trigg & Lyon counties
Long Creek Pond, the eastern one-
third of Smith Bay and the eastern two-
thirds of Duncan Bay on Kentucky Lake
are closed to all activity Nov. 1 – March
15, as indicated by a visible marker on the
south corner. The Environmental Educa-
tion Center and Energy Lake are closed
to all waterfowl hunting. LBL permit
required. No waterfowl hunting permitted
on inland areas during quota gun deer
hunts. Permanent blinds are prohibited
on inland areas and along Kentucky Lake
shoreline area. Decoys and blinds must be
removed at the end of each hunting day.

OHIO RIVER ISLANDS WMA
Livingston County
The portion of the Ohio River from
Smithland Lock and Dam upstream to the
powerline crossing at river mile 911.5 is
closed to hunting.
Stewart (Birdsville) Island is closed
to public access Oct. 15 – March 15,
except for October muzzleloader season.
Shooting hours are from one-half hour
before sunrise to 2 p.m. Hunters may not
enter the area until 4 a.m.

OHIO RIVER
Ballard County
in vicinity of Ballard WMA from 50
yards upstream of Dam 53 to 50 yards
below the downstream boundary of Bal-
lard WMA:
Closed to all waterfowl hunting
Oct. 15 – March 15.

PEABODY WMA
Ohio, Hopkins & Muhlenberg counties
• Shooting hours are from one-half hour
before sunrise to 2 p.m. on those por-
tions open to hunting. Hunters may
not enter the area until 4 a.m.
• Persons entering the area for any pur-
pose must obtain a Peabody WMA user
permit ($15).
• Sinclair Unit: That portion as bounded
by Hwy. 176, S1 road and Goose Lake
Rd., (including Goose Lake) and as
posted by signs, is closed Oct. 15 –
March 15.
• Ken Unit: That portion as bounded by
Wysox Rd., H2 road, H1 road and H6
road (including Island and South lakes)
and as posted by signs, is closed Oct. 15 –
March 15.
(The two refuge areas mentioned above
are shown on the Peabody WMA
map which hunters may obtain at the
Kentucky Fish & Wildlife website at
fw.ky.gov.)

PIONEER WEAPONS WMA
Bath & Menifee counties
Hunters may use breech or muzzle-
loading shotguns for duck hunting along
the Cave Run Lake shoreline bordering
the area. Hunters may use muzzle-loading
shotguns (or archery equipment) else-
where on the area.

ROBINSON FOREST WMA
Breathitt, Perry & Knott counties
Main block:
Closed to all hunting.

SLOUGHS WMA
Henderson & Union counties
Waterfowl hunting can be found on
the Sauerheber, Jenny Hole, Highland
Creek and Grassy Pond/Powell’s Lake
units of Sloughs WMA. Waterfowl hunt-
ing opportunities at Sloughs WMA in-
clude online quota hunt draws, weekly
on-site drawings, and season-long blind
drawings. There is also walk-in hunting
available on large portions of the WMA.
Hunt units consist of a diverse mix of sea-
sonally flooded grain crops and natural
“moist soil” vegetation, natural marsh, sea-
sonally flooded bottomland forest, and
natural depressions or “sloughs,” that con-
tain flooded stands of bald cypress lined
with buttonbush thickets. Waders should
be used to hunt in the water on all units.
Woody vegetation, beaver runs, and rapid
changes in elevation are a possibility on
all waterfowl hunting units. Hunting the
Jenny Hole Unit typically requires a boat
or canoe. Ohio River levels should be
closely monitored to determine if a boat
is needed to access and hunt the remain-
ning hunt units at the Sloughs. Ohio Riv-
er levels exceeding 30 feet at the Evans-
ville and/or J.T. Meyer gauge indicate the
potential loss of road access to some areas
of the WMA. There is one blind avail-
able for mobility impaired hunters on
the Sauerheber Unit. The blind is wheel-
chair accessible. On all hunt units, shoot-
ing hours are one-half hour before sun-
rise until 2 p.m. CST. Hunters must exit
the area by 2 p.m. daily. Hunters may not
enter a hunt area until 4 a.m. CST dai-
ly. Each unit has specific information that
can be found below.

Sauerheber, Crenshaw and Duncan II
Units:
During duck season (Nov. 22, 2018
– Feb. 4, 2019), waterfowl hunting is
available on the Crenshaw and Duncan
tracts through an online Quota Hunt
drawing. Hunting is permitted only
within designated hunt unit boundaries
or blinds. The remainder of the Sauer-
heber Unit is closed to all public access
from Nov. 1 – March 15. The quota hunt
application period is Sept. 1-30. Re-
sults of the drawing will be available in
mid-October. New this year: successful
applicants will be assigned a hunt unit
or a specific hunting blind. If you draw
a hunt unit, you may hunt anywhere
within the defined hunt unit boundary
(See Sloughs WMA: Sauerheber Hunt
Unit Maps). Two of the twelve available
units are blind locations only. You cannot hunt outside of the blind on these two units.

Hunters selected for a Sauerheber Quota Hunt must check-in on the Sunday prior to their hunt by sending an email to sloughsquotalhunt@ky.gov. In the email, please include your name, hunt unit, hunt dates, and hunt confirmation number. If the permit holder fails to check-in the Sunday prior to the hunt, the vacated hunt unit(s) will be allocated via a drawing held every Monday at 6 p.m. CST at the Sloughs WMA office. If Monday falls on the Christmas Eve, Christmas Day, New Year’s Eve or New Year’s Day holiday, the drawing will be postponed until the following Wednesday night. At least one hunt unit will always be available through the weekly draw each week. No drawing will be held for the week of the duck-season split (Nov. 26 – Dec. 3, 2018).

All hunters must complete and submit the Daily Post–Hunt Survey provided by the Department by 3 p.m. CST each day. Failure to complete the Daily Post–Hunt Survey will result in the permit holder being ineligible to hunt at Sloughs WMA for the remainder of the current and following waterfowl season. Daily Post–Hunt Survey cards and drop-box will be located next to the kiosk in front of the Sloughs WMA office on Highway 268.

Quota hunt permits are not transferable. No hunt unit/blind site may be hunted unless the hunter selected for that hunt unit/blind site, for that specific date(s) is present and has on their person a valid Hunt Confirmation Number issued by KDFWR. No standby hunting is allowed.

Quota permit holders may bring up to three (3) additional hunting guests. No more than four (4) hunters are allowed per hunt unit/blind site. Hunters are allowed 25 shells per day on the Crenshaw/Duncan tracts. All hunters must have a photo ID and all appropriate licenses and permits.

The entire Sauerheber Unit is closed to all public access on Tuesday and Wednesdays during waterfowl season. REMEMBER: The Crenshaw and Duncan tracts are open modern firearm deer season. Waterfowl hunters are not required to wear blaze orange.

Grassy Pond–Powells Lake, Highland Creek Units:

On these units, waterfowl hunting is allowed from permanent blind sites that are seasonally assigned by a pre-season drawing. Information about the season-long blind drawing can be found in the Blind Registration section of this guide. Walk in hunting is also available on this unit, but walk in hunters must remain a minimum of 200 yards between hunters or hunting parties. Pre-season drawn blinds/blind sites not occupied one-half hour before shooting hours are available on a first-come, first-served basis.

Jenny Hole Unit:

New this year: During duck season (Nov. 22, 2018 – Feb. 4, 2019), waterfowl hunting on the Jenny Hole Unit is allowed by permit only. A person or party that wishes to hunt waterfowl on the Jenny Hole Unit must attend a weekly on-site drawing at the Sloughs WMA office or apply using the online quota hunt system. The drawing will be held each Monday prior to a hunt week, at 6 p.m. CST during duck season; unless Monday falls on the Christmas Eve, Christmas Day, New Year’s Eve or New Year’s Day holiday, in which the drawing will be postponed until the following Wednesday night. No drawing will be held for the week of the duck-season split (Nov. 26 – Dec. 3, 2018). Nine hunt parties will be permitted to hunt the Jenny Hole Unit each week during duck season through the on-site drawing. One hunt party will be allocated using the online quota hunt system. Hunt permits are issued for a 5-day hunt each week (Thursday-Monday). Online applications for this unit will be taken Sept. 1-30. The successful online drawing participant must check-in on the Sunday prior to their hunt by sending an email to sloughsquotalhunt@ky.gov. In the email, please include your name, hunt unit, hunt dates, and hunt confirmation number. If the permit holder fails to check-in the Sunday prior to the hunt, the vacated hunt unit slot will be allocated via the drawing held every Monday at 6 p.m. CST at the Sloughs WMA office. If Monday falls on the Christmas Eve, Christmas Day, New Year’s Eve or New Year’s Day holiday, the drawing will be postponed until the following Wednesday night.

The Jenny Hole Unit is closed to waterfowl hunting on Tuesday and Wednesdays during waterfowl season. The Jenny Hole Unit is closed to ALL boats from Thanksgiving Day through the last Sunday in January, except for hunters with a valid Jenny Hole Hunt Permit. Trappers who wish to trap the Jenny Hole Unit during this time must obtain a special permit from the Sloughs WMA office. Hunters drawn for the Jenny Hole Unit may NOT access the unit except during the dates listed on their hunt permit(s). Therefore, scouting in the afternoon or prior to hunt dates is NOT allowed.

All hunters must complete and submit the Daily Post–Hunt Survey provided by the Department by 3 p.m. CST each day. Failure to complete the Daily Post–Hunt Survey will result in the permit holder being ineligible to hunt at Sloughs WMA for the remainder of the current and following waterfowl season. Daily Post–Hunt Survey cards and drop-boxes are located at two sites within the Jenny Hole Unit.

SOUTH SHORE WMA
Grenup County
Closed to all hunting and trespassing Nov. 15, 2018 – Jan. 15, 2019, except for dove and waterfowl hunting. Open to waterfowl and dove hunting during other times of the year according to statewide regulations. Use of waterfowl blinds at South Shore WMA is on a first-come, first-served basis.

TAYLORSVILLE LAKE WMA
Anderson, Spencer & Nelson counties
Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter the area until 4 a.m.

Hunters may hunt waterfowl from temporary blinds on a first-come, first-served basis.

YATESVILLE LAKE WMA
Lawrence County
The Greenbriar Creek Branch, and Yatesville Lake, including all islands, north of the mouth of Greenbriar Creek Branch are closed to waterfowl hunting, except for Yatesville Lake State Park.

YELLOWBANK WMA
Breckinridge County
Areas designated by signs and markers on Tract 1 are closed Oct. 15 – March 15.

Shooting hours are from one-half hour before sunrise to 2 p.m. Hunters may not enter area until 4 a.m.

**STATE PARKS**

Regulations for Greenbo Lake, Lake Barkley, Lincoln Homestead, Nolin River Lake, Paintsville Lake and Yatesville Lake state parks are as follows:

- Selected portions of the lake and adjacent shoreline only.
- Statewide waterfowl hunting regulations apply.
- Hunters shall check in each day at the designated check-in location no earlier than 4 a.m.
- During check-in, hunters will be provided a map showing portions of the area that are open.
- Hunters shall check out each day at the designated check-in location.

**MENTOR / MOBILITY-IMPAIRED HATCHERY HUNTS**

MINOR CLARK and PFEIFFER FISH HATCHERIES

Open for waterfowl Mentor quota hunts Jan. 5, 6, 12, 13, 19, 20, 26 and 27, 2019.

- Hunts by advance online registration only. No standby hunting. Only youths and mobility-impaired hunters may apply.
- Mentor hunt only, limited to youths under 16.
- Youth(s) must be accompanied by an adult (mentor) at least 18 years or older.
- Hunters drawn to hunt must carry postcard notification with them during the hunt.
- Limited to 4 hunters with no more than two hunting adults. One mentor may have two youth but one youth may not have more than 1 mentor in a blind.
- Hunters cannot enter blinds until 5:30 a.m.
- Bag limits same as statewide.
- Hunting only permitted from established blinds assigned by random pre-season draw.
- Hunters may only discharge firearms from the blind.
- Hunters may not change blinds.
- Hunters may only have 15 shotshells each.

Hunters must immediately retrieve downed birds. Chasing or harassing waterfowl outside the blinds is strictly prohibited.

- Firearms must be encased when traveling to and from the blind.
- Hunting ends at noon and hunters must be off the area by 1 p.m.
- All decoys and equipment must be removed at the end of each day’s hunt.
- Hunters must report harvest by dropping hunt permit at designated location.
- Those participating in a KDFWR waterfowl quota hunt must follow state and federal regulations or the hunter will be prohibited from participating in any other waterfowl quota hunts that year and the following year.
- Mobility-impaired hunters are also eligible to participate in the Minor Clark Mentor Hatchery Hunt. Hunters must supply a copy of their mobility-impaired access permit from Kentucky Fish and Wildlife when applying for the hunt and must abide by hunt rules. Mobility-impaired hunters may only have one assistant.

**HUNT APPLICATION PROCEDURES**

Individuals wishing to be drawn for one or more of the Mentor Hatchery Waterfowl hunts must apply online on the Kentucky Fish and Wildlife website at fw.ky.gov between Nov. 1 and Nov. 15. A youth may apply for more than one date but must submit separate cards for each. A mentor and youth selected may invite two additional youth or one youth and one mentor to hunt with them. The names of guests do not have to be listed on the application. By the end of November, individuals selected will be mailed a quota hunt permit for the date(s) they are drawn, a map showing hatchery location, blinds and other instructions concerning the hunt. Unsuccessful applicants will not be notified. An individual drawn for one quota hunt during a season will have lower preference to be drawn for a second quota hunt during the same season. Duplicate applications for the same hunt day will result in disqualification.

CHANGES IN REPORTING BIRD BANDS for WATERFOWL

Reporting numbers listed on leg bands of harvested birds is voluntary. To report waterfowl with a band, hunters must now go online and report the band at

www.reportband.gov

The toll-free number found on some bird bands can no longer be used for reporting a band number.

Those who call the toll-free number will be directed to the www.reportband.gov website.

Hunters who harvest waterfowl with a leg band that lists an address and/or a toll-free phone number should instead go online and report the band number at www.reportband.gov.

Migratory bird biologists use the data collected from bird band returns to accurately assess harvest, bird movement and survival. Managers use this information to set season dates, bag limits and the length of hunting seasons.
Your license dollars at work

Kentucky Fish and Wildlife bands up to 10,000 migratory birds each year to help biologists determine trends and population numbers. This allows us to set seasons and bag limits that don’t damage the overall populations of migratory birds.

Your purchase of a fishing or hunting license helps make this possible.

Support the great outdoors. Buy your license today.
