

Trade in Endangered Species (CITES) tag, issued by Kentucky Fish and Wildlife, must be attached to the raw fur of any bobcat or river otter taken in Kentucky if the hunter or trapper intends to sell or export internationally.

To complete and submit a CITES tag request form online, access the "My Profile" feature on Kentucky Fish and Wildlife's website at [fw.ky.gov](http://fw.ky.gov). Those without internet access may call the department at 1-800-858-1549 on weekdays from 8 a.m. to 4:30 p.m. (Eastern time) and provide the animal's telecheck confirmation number.

A CITES tag must be attached to the raw fur, pelt or unskinned carcass of any bobcat or river otter taken in Kentucky upon receipt of the tag from Kentucky Fish and Wildlife per the instructions provided by the department and remain attached until it is processed or exported outside the United States.

Possession of an unused bobcat or otter CITES tag is prohibited.

A person who transfers, but does not sell, a river otter or bobcat to another person or taxidermist, is not required to request a CITES tag. But, this person

must attach a handmade carcass tag to the animal that contains the telecheck confirmation number and the hunter or trapper's name and phone number.

### BUYING and SELLING HIDES

There is no time restriction on the holding of raw furs of furbearers by a trapper or hunter after the close of furbearer season. Raw furs may be sold only to licensed taxidermists, licensed fur buyers or licensed fur processors.

### FREE YOUTH WEEK

Resident and nonresident youth hunters and trappers ages 15 and young-

er may hunt and trap applicable game and furbearers, and hunt migratory birds in season without a hunting or trapping license for seven consecutive days starting the Saturday after Christmas.

Please refer to the hunter orange clothing law section for guidelines.

Youth hunters must comply with all equipment regulations and bag limits for furbearers when hunting or trapping. Hunter education is not required for license-exempt hunters. Adults accompanying youth hunters/trappers during the free youth hunting and trapping week do not need a license if they are not hunting/trapping.

### FURBEARER HUNTERS AND TRAPPERS: WE NEED YOUR HELP!

Kentucky Fish & Wildlife is collecting lower canines from harvested bobcats and river otters for a population study. Please contact the department at 1-800-858-1549 to request a sample packet and instructions. Thank you for your contribution to furbearer management.
