Coupon Expires July 31, 2023
NEW THIS YEAR

Changes from last season are printed in **bright blue** throughout this guide to assist you in noticing those changes. Some of the most notable are listed below.

**LICENSES and PERMITS**

To verify hunter education certification, hunters may use their hunting licenses or electronic documentation with proof of identity.

**DEER HUNTING**

A Chronic Wasting Disease (CWD) Surveillance Zone with special deer hunting regulations is in effect at designated areas.

**BEAR HUNTING**

New regulations affecting bear hunting dates, zones and quota limits were pending at the time of publication. Check online at [fw.ky.gov](http://fw.ky.gov) or call 1-800-858-1549 prior to hunting.

**WATERFOWL HUNTING**

Check online at [fw.ky.gov](http://fw.ky.gov) or call 1-800-858-1549 for updated information on special season hunts.

**WILD TURKEY HUNTING**

To help researchers, hunters who harvest wild turkeys with leg bands should report the band number online at [fw.ky.gov/Hunt/Pages/TurkeyBand.aspx](http://fw.ky.gov/Hunt/Pages/TurkeyBand.aspx).

**PUBLIC LANDS**

WMA Management Levels: To assist visitors, Kentucky Fish and Wildlife has developed a categorization system of the public lands available for hunting, fishing and outdoor recreation.

Harris-Dickerson WMA in Hopkins County is open to the public under statewide regulations.

The quota deer hunts at West Kentucky WMA will follow special changes during the Fall 2022 season.

**HUNTING AND TRAPPING GUIDE**

Editor: Ciara Knisely
Art/Design Director: Adrienne Yancy

---

**ABOUT THE COVER**

Rick Hill’s “Cumberland Morning” painting celebrates our 25th anniversary of elk reintroduction. Once native to the eastern U.S., elk were extirpated here by the mid-1800s. With help from six western states, Rocky Mountain Elk Foundation, and numerous other partners, Kentucky Fish and Wildlife began restoring elk in 1997 in what became the most extensive large mammal translocation project in U.S. history. The 1,541 elk stocked from 1997-2002 have expanded to become the biggest elk population east of the Rocky Mountains today. Thousands of elk spread across our 16-county elk zone in southeastern Kentucky provide more elk viewing and hunting opportunities than all other eastern states combined.
ABOUT THIS GUIDE: This is a summary of the laws regarding hunting and trapping, intended solely for informational use. It is not a reprint of any referenced Kentucky Revised Statute (KRS) or Kentucky Administrative Regulation (KAR) in its entirety and should not be used as such. The exact wording of Kentucky’s hunting and trapping laws can be viewed online at fw.ky.gov. Click on Enforcement, then Regulations, then scroll down to Administrative Regulations.

Throughout the year, Kentucky Fish and Wildlife also produces regulation guides for fishing and boating, and spring hunting. These guides are available free wherever licenses are sold, and are posted online.
GENERAL INFORMATION

LICENSES and PERMITS

GENERAL HUNTER LICENSING

Persons who take or attempt to take game are considered hunters and therefore subject to licensing requirements. Unless license exempt, hunters and trappers must obtain and carry while in the field proof that they have met the license requirements for the kind of activity they are doing. This proof can be either a paper license or permit, or a license authorization number.

Persons who cannot show they are licensed properly while hunting risk being issued a citation.

Each hunter and trapper must have his or her own license or permit unless exempt. Paper licenses and permits must be signed before the hunter goes afield.

LICENSE-EXEMPT HUNTERS

In some cases, a resident hunter may not be required to buy a hunting license or game permits. Here are those situations:

• Children younger than 12 (resident or nonresident) are not required to purchase licenses and permits, except the elk hunt drawing application. Hunters eligible to participate in the free youth hunting and trapping week or free youth deer hunting weekend, and adults who accompany a youth hunter but are not hunting themselves, are not required to have a license or permit during these seasons
• Kentucky resident owners of farmlands, their spouses and dependent children hunting upon their own farmlands during an open season
• Tenants, their spouses and dependent children hunting on farmlands where they reside and work
• Kentucky residents on military leave of more than three days in this state who carry identification and papers verifying their leave status
• Members of the U.S. Armed Forces based in Kentucky engaged in sport hunting or fishing on these Kentucky National Guard properties: Hidden Valley Training Area in Powell County, and the Wendell H. Ford Regional Training Center in Muhlenberg County

SHOOTING PRESERVE LICENSE

A shooting preserve license, available online only at fw.ky.gov, is valid for one license year only, and only at the shooting preserve indicated at the time of purchase.

HIP SURVEYS

In addition to purchasing a migratory bird/waterfowl permit, or any license that includes it, hunters who intend to hunt migratory birds must go online or make a phone call and fill out the Harvest Information Program (HIP) questions before they are legal migratory bird hunters. Only those who plan to hunt migratory birds need to complete the HIP survey.

The process takes less than five minutes. On the Kentucky Fish and Wildlife webpage at fw.ky.gov, click on the “My Profile” tab. This takes you to a page that asks for some basic information to confirm your identity. After completing the HIP questions, you will receive a confirmation number that must be written on your hunting license or Kentucky migratory bird/waterfowl hunting permit.

Those without internet access may call the department at 1-800-858-1549, weekdays from 8 a.m. – 4:30 p.m. (Eastern time) for assistance.

HOW TO BUY LICENSES and PERMITS

It is the hunter’s responsibility to know what type of license or permit is needed.

When buying a license or permit the hunter’s date of birth and Social Security number must be provided.

If you have licensing questions, call Kentucky Fish and Wildlife at 1-800-858-1549, weekdays from 8 a.m. to 4:30 p.m. (Eastern time).

ONLINE

Licenses and permits can be purchased online at fw.ky.gov.

Hunters purchasing licenses or permits online must pay with a Visa, Mas-
tercard, American Express or Discover card, or a Kentucky Fish and Wildlife gift certificate. Gift certificates are sold online only at *fw.ky.gov*.

Hunters who buy licenses or permits online will not be mailed a paper copy. However, hunters may print their own copy from the MyProfile section of the department website. Hunters must carry this copy or their license/permit authorization number and a picture ID while hunting.

**WHICH LICENSE OR PERMIT DO I NEED?**

The tables below provide a quick overview of current licensing requirements. See the rest of this section for exemptions and complete residency, licensing and hunter education requirements. Licenses and permits for the species below are not required for children younger than 12.

</tbody>
</table>

*Peabody, LBL and Otter Creek permits, elk drawing application, elk quota hunt permit, out-of-zone elk permit, bear permit, federal duck stamp and trapping license not included. An additional deer permit is not included with a Sportsman’s License. Kentucky’s license year begins March 1 and continues through the last day of February. New licenses are required annually, except for the 3-year fishing license. A 1-day or 7-day hunting license is valid only for the period shown on license. Resident and nonresident youths under the age of 12 are not required to purchase licenses or permits (except the elk drawing application).
Resident Licensing

A resident is any person who has established permanent domicile and legal residence, and has resided in Kentucky for 30 days prior to buying a license, full-time students enrolled in a Kentucky educational institution for at least six months, or military service personnel on permanent assignment in Kentucky.

Nonresident Licensing

A person who does not meet the definition of a Kentucky resident is considered a nonresident and must purchase nonresident licenses and permits. Nonresident youth hunters are subject to the same license and permit requirements as resident youth hunters. A nonresident who owns land in Kentucky must purchase nonresident licenses and permits.

Youth Licensing

Resident and nonresident hunters younger than 12 are not required to purchase licenses and permits, except they must apply for quota hunts.

Resident and nonresident hunters

Youth Licensing

Resident and nonresident hunters younger than 12 are not required to purchase licenses and permits, except they must apply for quota hunts.
ers ages 12-15 are eligible to purchase discounted youth licenses and permits, which are valid for the entire license year if they are purchased before the youth is 16.

Persons 15 years of age and younger who hunt turkey, elk, deer or bear with a firearm must always be accompanied by an adult. Persons under 12 years old, who have passed a hunter education course, may hunt small game, furbearers and migratory birds/waterfowl without being accompanied by an adult.

The annual youth hunting license authorizes the holder to hunt all small game species, furbearers and migratory bird species. Hunters 15 and younger are exempt from purchasing a state migratory bird/waterfowl permit, and a duck stamp.

A youth deer permit allows the hunter to take four deer. To harvest more than four deer, a youth hunter must purchase an additional deer permit. The youth turkey permit may be used during any turkey season. License-exempt hunters, children younger than 12 years old, and those who only have a license authorization number may create their own harvest log by writing the information on a piece of paper or index card. Hunters and trappers must have the completed harvest log in their possession whenever asked on the phone.

License-exempt hunters, children younger than 12 years old, and those who only have a license authorization number may create their own harvest log by writing the information on a piece of paper or index card. Hunters and trappers must have the completed harvest log in their possession whenever asked on the phone.

The resident-only youth sportsman’s license includes the annual youth hunting license, youth deer permit and two (2) youth turkey permits.

The following regulations apply to all deer, elk, turkey, bear, bobcat and otter taken by hunters or trappers, including landowners and other license-exempt hunters.

HARVEST LOG

All successful hunters and trappers, including those who are license exempt, must fill out a harvest log as soon as the animal is harvested and prior to moving the carcass. Information that must be written on the harvest log includes the species and sex of animal taken, date and county where taken. A telecheck confirmation number must be obtained and recorded on the harvest log. A harvest log is included with any paper license or permit purchased from a license agent. A printable harvest log is accessible by clicking the “Hunt” tab on the Kentucky Fish and Wildlife online homepage and choosing “Hunting Home” from the dropdown menu.

Q: Due to a cell phone dropped call, a hunter loses a confirmation number. Should the animal be checked in again?

A: Try again until you get the confirmation number, and then contact the department at 1-800-858-1549 the next business day to report the incident.

RECORDING, CHECKING, TAGGING and TRANSPORTING

The following regulations apply to all deer, elk, turkey, bear, bobcat and otter taken by hunters or trappers, including landowners and other license-exempt hunters.

HARVEST LOG

All successful hunters and trappers, including those who are license exempt, must fill out a harvest log as soon as the animal is harvested and prior to moving the carcass. Information that must be written on the harvest log includes the species and sex of animal taken, date and county where taken. A telecheck confirmation number must be obtained and recorded on the harvest log. A harvest log is included with any paper license or permit purchased from a license agent. A printable harvest log is accessible by clicking the “Hunt” tab on the Kentucky Fish and Wildlife online homepage and choosing “Hunting Home” from the dropdown menu.

Q: Due to a cell phone dropped call, a hunter loses a confirmation number. Should the animal be checked in again?

A: Try again until you get the confirmation number, and then contact the department at 1-800-858-1549 the next business day to report the incident.

TELECHECK

1-800-CHK-GAME (1-800-245-4263)

All deer, turkey, elk, bobcat, river otters and sandhill cranes harvested must be telechecked through the toll-free, automated check-in system. Hunters and trappers may also check in harvested animals online at fw.ky.gov.

Entering false information is unlawful. Multiple animals may be telechecked during the same call.

Hunters who harvest a bear during any bear hunting season must telecheck the bear by 8 p.m. Eastern time the day that it was harvested, and also call 1-800-858-1549 within 24 hours of harvest to arrange for a physical check of the animal and receive a tag issued by the department. All other harvested animals must be telechecked by midnight the day the animal is recovered and prior to processing the carcass. Bobcats and river otters must be telechecked prior to leaving Kentucky.

If the hide or head is removed from the carcass of a harvested deer or elk before the animal is telechecked, the hunter must demonstrate proof of the sex of the deer or elk. See the deer and elk hunting sections in this guide for details.

Telecheck is available 24 hours a day while hunting seasons are open. Listen to each question carefully and provide the requested information using the keypad on any touch tone phone.

Callers will be asked their Social Security number and code for the county in which the animal was taken. All youth hunters must use their Social Security number when telechecking an animal. Callers must also indicate the animal’s species and sex. Deer hunters who take male fawns (button bucks) should check the deer as “male” and then choose “no visible antler” when prompted.

Next, callers will be asked about the type of equipment they used to harvest the animal, whether the land was private or public, and the type of license they used.

Youths under 12, youths who check deer during the Free Youth Deer Hunting Weekend, or license exempt military personnel should select “statewide license.”

Once the harvest information has been entered correctly, the caller will be asked to hold for several seconds while the system submits the survey information. The hunter will then be given a confirmation number, which is proof that the harvested animal was legally reported. This number must be recorded on the hunter’s log and retained throughout the season.

Sportsman’s License - Save $67

Available to Kentucky residents only, the sportsman’s license includes a combination hunting and fishing license, spring and fall turkey permits, statewide deer permit, state migratory bird/waterfowl permit and trout permit. A federal duck stamp (available at post offices and online at www.duckstamp.com) is required for waterfowl hunting.

Telecheck is available through the “My Profile” feature at fw.ky.gov. Scan here to access it.
CARCASS TAG

A hunter shall attach a handmade tag to the carcass of any harvested deer, elk, turkey, bear, bobcat, or otter if transferring possession of the harvested animal to another person.

For example, a carcass tag is required if the hunter gives the animal to another person, drops it off to be processed, or takes the head and cape to a taxidermist.

A harvested animal in a hunter’s possession is assumed theirs, unless the carcass tag states otherwise.

The carcass tag must include the hunter’s name, phone number and telecheck confirmation number.

Hunters who harvest a bear during any bear season must attach a department-issued carcass tag after having the bear inspected by department personnel. Call 1-800-858-1549 within 24 hours of harvest to arrange for the bear carcass to be inspected and the carcass tag to be issued.

CITES TAG

A Convention on International Trade in Endangered Species (CITES) tag, issued by Kentucky Fish and Wildlife, must be attached immediately upon receipt to the raw fur, pelt or unskinned carcass of any bobcat or river otter taken in Kentucky if the hunter or trapper intends to sell it or export it internationally.

To request a CITES tag, log on to “My Profile” at fw.ky.gov.

CITES tags must immediately be attached to the animal or pelt per the instructions included with the mailed tag and remain attached until it is processed or exported outside the United States. Possession of an unused CITES tag is prohibited.

TRANSPORTING HARVESTED ANIMALS

Hunters may not return to Kentucky with whole carcasses of deer, elk, moose or caribou harvested in another state. Deboned meat and cleaned skulls/antlers are allowable. See page 11 for additional requirements.

An unchecked animal taken in Kentucky may not be transported out of Kentucky.

Furs and hides may only be sold to a licensed fur buyer, fur processor or taxidermist.

Butchers, meat processors, and licensed taxidermists shall dispose of any unused cervid carcass material or waste product by proper burial, removal by a duly licensed rendering establishment, or deposit into a contained landfill approved pursuant to KRS Chapter 224 (KRS 150.722).
HUNTER EDUCATION

Persons born on or after Jan. 1, 1975 must carry proof of valid hunter education certification. Hunters may use hunting licenses or electronic documentation with proof of identity. Persons not required to have licenses or permits are exempt from hunter education certification. Hunter education courses are available online and held throughout the state. Pre-registration must be done online at fw.ky.gov. More information about the registration process is available on the website or by calling Kentucky Fish and Wildlife. Children must be at least 9 years old to take the hunter education test. Hunter education documents issued by other states are valid in Kentucky. Children younger than 12 years old are exempt from hunter education certification, but must be accompanied by an adult who meets the hunter education requirement. The adult must be in a position to take immediate control of the bow or firearm at all times while hunting. One adult cannot accompany more than two hunters younger than 12 years old at the same time.

APPRENTICE HUNTING OPPORTUNITY

Persons new to hunting who have not taken the hunter education course may obtain a one-time temporary hunter education exemption permit online for free (limited time only) at fw.ky.gov.

This apprentice hunting opportunity allows new hunters in Kentucky to hunt for up to one year (from date of purchase) without hunter education. The permit must be carried while hunting and requires its holder to hunt with a licensed, adult hunter (at least 18 years old) who meets the hunter education requirement. The adult shall be in a position to take immediate control of the exempted hunter’s bow or firearm at all times while hunting. This law applies even if the exemption permit holder is an adult.

After the hunter education exemption permit expires, the hunter is no longer exempt and must successfully complete a hunter education course.

The temporary hunter education exemption permit is valid only in Kentucky. It is not accepted at Blue Grass Army Depot or Fort Campbell.

Resident landowners, spouses and dependent children, tenants, their spouses and their dependent children are only hunter education exempt on property they own, or the property where they reside and work. When hunting elsewhere, they must comply with Kentucky’s hunter education law.

REPLACEMENT HUNTER EDUCATION CARDS

Free replacement hunter education cards can be printed online at fw.ky.gov. On the homepage, click on the “Education” tab and select the “Hunter Education” box, and click the Hunter Education/Boater Education Card Print link.

HUNTER ORANGE CLOTHING LAW

All hunters, and persons accompanying them, must wear outer garments of hunter orange color visible from all sides on the head, back and chest when hunting during daylight hours for any species during modern gun, muzzleloader and youth firearm deer seasons, or a firearm elk or firearm bear season.

Waterfowl and dove hunters are exempt from this requirement.

Hunter orange garments can be of mesh type material, as long as openings in the mesh weave are no wider than one-quarter inch by any measurement. Garments may display a small portion of another color.

The following are common examples of violations related to hunter orange clothing:

- Wearing camouflage-patterned hunter orange garments without additional solid hunter orange clothing on the head, back and chest.
- Wearing hunter orange clothing while walking to a stand and taking it off when you get there.
- Hunting squirrel, rabbit or quail when and where a firearm deer or elk season also is open without wearing hunter orange clothing.

Hunters using archery or crossbow equipment during deer firearms seasons must wear hunter orange clothing.

Whenever gun deer hunting is allowed on a wildlife management area, state park or Otter Creek Outdoor Recreation Area, a person who will be hunting from inside a ground blind must first attach a hat or vest made of solid, unbroken hunter orange material to the blind so it is visible from all sides. Hunter orange clothing requirements still apply for anyone inside the blind.

Hunters are not required to wear hunter orange clothing or display hunter orange on ground blinds during a firearms season on a state owned or managed WMA where firearms hunting for deer, elk or bear is prohibited.

SHOOTING HOURS

Unless otherwise noted, shooting hours for most species in this guide are 30 minutes before sunrise until 30 minutes after sunset. Exceptions include waterfowl, migratory birds, raccoons, coyotes, turtles and frogs. Hunters may be in the field outside of shooting hours.

Raccoons and oppossums may be taken day or night, except during modern gun deer season when raccoon and oppossum hunting is permitted only at night.

Exceptions also apply for coyotes. See The Furbearer Hunting & Trapping section.

HUNTING METHOD EXEMPTIONS

The department grants exemptions to hunters with certain physical disabilities to hunt with a crossbow during archery-only seasons, or to use a stationary vehicle as a hunting platform. However, persons with qualifying physical disabilities must first have an exemption form completed and signed by a licensed physician certifying why the exemption is necessary.

Forms are available online or by calling the department. A completed exemption form serves as the hunter’s exemption permit. It should not be returned to the department. Persons who obtain an exemption are still required to have the appropriate hunting license and permits, and must carry the signed exemption form with their hunting license and permits while in the field.

PROHIBITED HUNTING METHODS

- No person shall discharge any firearm, bow and arrow, crossbow or other similar device, upon, over, or across any public roadway.
- No person shall take or attempt to take any wildlife, protected or unprotected, from an automobile, or other vehicle, except as prescribed by regulation. Hunting from boats is permitted for small game and furbearers.
- No person shall use an aircraft to harass wildlife, shoot or attempt to shoot with the purpose of capturing or killing wildlife while airborne in an aircraft or knowingly participate in using
an aircraft for those reasons.

• A person shall not pursue, chase or take a deer, elk or turkey (during the spring turkey season) with the aid of dogs; while on horseback; or when a deer, elk or bear is swimming. Dogs may be used to locate and flush turkeys during the fall turkey seasons only.
• It is illegal to feed bears directly or indirectly for any reason.
• No person shall take wildlife with the aid of fire, explosives, smoke or gas.
• Baiting is prohibited on all WMAs, Big South Fork National River and Recreation Area, Daniel Boone National Forest, Jefferson National Forest, Land Between The Lakes and state parks open to hunting.
• Deer and elk hunters shall not use electronic decoys or calls.
• No person shall take a turkey when the turkey is roosting. A roost is the place, typically a tree, where a turkey spends the night.
• A person hunting wild turkeys shall not use live turkeys as decoys.
• Wild turkey or bears shall not be hunted by the aid of bait, nor shall areas be hunted where bait is present. This includes private lands baited for deer. An area is considered baited for 30 days after all bait has been removed.
• A baited area is any place where feed, grains or other substances capable of luring game animals have been placed. An area where grains or other feeds exist as the result of a bona fide agricultural practice or manipulation of a crop (food plot) for wildlife management purposes is legal for hunting.

CONCEALED CARRY DEADLY WEAPONS

Anyone who may legally possess firearms may carry any legal firearms while hunting, but only legal methods may be used to take game.

CONVICTED FELONS

A person convicted of a felony is prohibited from possessing or hunting with a firearm in Kentucky. Breech and muzzle-loading rifles, shotguns and handguns are all considered firearms. The prohibition on handguns applies to those convicted after Jan. 1, 1975. The prohibition on other firearms applies to those convicted after July 15, 1994. See KRS 527.040 for more details, or contact your County Attorney.

SPOTLIGHTING

No person may deliberately cast the rays of a spotlight or other artificial light into any field, pasture, woodlands or forest, whether public or private, where wildlife or domestic livestock may reasonably be expected to be located. Shining artificial lights into private residences or other structures also is prohibited.

This does not apply to: headlights of vehicles engaged in a normal course of travel; lights being used in legitimate agricultural activities; anyone involved in activities legitimate to his or her business or occupation; circumstances including lawful hunting activities; or any landowner, his or her immediate family, or any paid employee while working on his or her land at that time.

No person shall take wildlife, except raccoons, opossums, frogs and fish, using lights or other means designed to blind wildlife or make wildlife visible at night. Exceptions also apply for coyotes. See the Furbearer Hunting & Trapping section.

GAME CALLING DEVICES and RESTRICTIONS

• Hand or mouth-operated calls may be used in hunting all species.
• A hunter may use electronic calls or attracting devices for furbearers during the furbearer season.
• Mechanical or electronic calls may be used to take crows during crow season.
• Deer, turkey and elk hunters shall not use or possess electronic calling devices.

TRANSPORTATION and HOLDING of LIVE NATIVE WILDLIFE

A person may not take or possess live wildlife without first obtaining a permit when prescribed by regulation.

A person shall not hold live native wildlife in captivity that was not legally taken or possessed. A person shall not buy or sell, offer to buy or sell, trade, or barter native wildlife or parts thereof obtained from the wild. Wildlife acquired prior to obtaining the proper permits may be confiscated and the holder fined.

Orphaned wildlife may only be possessed by a licensed wildlife rehabilitator. Persons transporting live deer or other types of cervids (members of the deer family) without proper documentation or permits, or holding live deer captive in unpermitted facilities or pens, are subject to fines and may have their animals confiscated or destroyed.

DOG TRAINING and HUNTING WITH DOGS

Hunters may run or train dogs for rabbits, foxes, coyotes, raccoons and opossums year-round but game may only be harvested during an open hunting season.

Some WMAs have special restrictions on using dogs, so check ahead of time. All members of the party must have a valid hunting license (unless license-exempt) to pursue rabbits or furbearers, even when training dogs without taking game.

Dogs may not be used to chase, molest or hunt deer and elk. Dogs may be used to chase or hunt bears if a legal season is open.

Dogs are permitted for locating and flushing turkeys during the fall turkey season only, and dogs on leash are permitted for tracking and locating wounded deer, elk and bear. Except during the hunting season, raccoon and opossum hunters shall not use any device to force a raccoon or opossum from trees or dens. Raccoon squallers may be used year-round.

BOBWHITE SHOOT-TO-TRAIN SEASON

For the purpose of bird dog training on private lands only, pen-reared bobwhite quail may be harvested Aug. 15 through May 15 (excluding bobwhite hunting season), provided that prior to shooting a person must:
• Submit a completed application to the department
• Possess a valid hunting license, or be license-exempt
• Possess proof of the sale/ownership of the birds
• Possess a captive wildlife permit for pen-reared bobwhite if more than 100 birds are in possession, or if kept for more than 10 days
• Make sure that the training area is free of wild quail
• Band pen-reared birds before release with No. 7 leg bands or department-supplied bands.

HUNTING WITH A SUPPRESSOR

A person authorized through state and federal law to own a firearm noise suppressor (silencer) is permitted to use it to hunt legal game animals. A valid hunting license is required.

</table>

DEER BAG LIMITS

Only one antlered deer may be harvested statewide, regardless of zone or method.

ZONE 1
A hunter may harvest an unlimited number of antlerless deer in Zone 1 using the statewide deer permit and additional deer permits.

ZONE 2
A hunter may harvest no more than four deer in Zone 2.

ZONE 3
A hunter may harvest no more than four deer in Zone 3. A firearm or air gun cannot be used to take more than one antlerless deer.

ZONE 4
A hunter may harvest no more than two deer in Zone 4. Only one can be antlerless. Antlerless deer cannot be harvested during the modern gun season, the early muzzleloader season or the first six days of the late muzzleloader season. The statewide bag limit of one antlered deer still applies.

GENERAL INFORMATION

• The statewide deer permit and youth deer permit allow for the harvest of up to four deer. Hunters may take up to one antlered deer and three antlerless deer, or four antlerless deer using the statewide deer permit.
• The statewide season limit for antlered deer is one per hunter.
• A hunter may take as many deer as allowed for each zone. In order to take more than four deer statewide, an additional deer permit must be purchased.
• An additional deer permit allows a hunter to take up to two additional deer beyond the four deer allowed by the statewide or youth deer permits. Zone bag limits apply. Hunters who did not harvest an antlered deer using their statewide or youth deer permits can take one antlered deer and up to one antlerless deer, or up to two antlerless deer with the additional deer permit.
• Shooting hours are 30 minutes before sunrise to 30 minutes after sunset.
BAG LIMITS
Bag limits and harvest restrictions apply to all hunters. There is no daily bag limit on deer. A person may take no more than one (1) deer with visible antlers, excluding male fawns (button bucks). However, on some federally controlled areas, including Reelfoot National Wildlife Refuge, Fort Campbell and Fort Knox military reservations and Blue Grass Army Depot, a bonus antlered deer may be taken, as determined by the governing agency for each area.

CHECKING and TAGGING
All deer must be teledocked. Hunters must call 1-800-245-4263 or complete the online check-in process at fw.ky.gov. See the “Recording, Checking, Tagging and Transporting” portion of this guide’s “General Information” section for full details.

If the hide or head is removed before the harvested deer is checked in – to quarter the animal, for example – it is necessary to demonstrate proof of sex by retaining the head or keeping the genitalia attached to the carcass. In such cases, it is still necessary to fill out the harvest log immediately after harvest and teleddock the animal before midnight on the day the deer is harvested or recovered.

A carcass tag is required if a harvested deer leaves the hunter’s possession for any reason.

STATEWIDE DEER PERMIT
All deer hunters ages 16 and older, unless license exempt, must first buy and carry proof of purchasing an annual hunting license and a statewide deer permit while deer hunting. The permit allows a hunter to take four deer: one antlered and three antlerless, or four antlerless. It does not matter if the antlered or antlerless deer is taken first.

ADDITIONAL DEER PERMIT
To take more than four deer, an additional deer permit must be purchased. The additional deer permit is valid for deer of either sex. The additional deer permit allows a hunter to take up to two additional deer beyond those allowed by the statewide permit in the following combinations: one antlered and one antlerless, or two antlerless. Regardless of what permit a deer hunter carries, the statewide season limit for antlered deer is one per hunter. The additional deer permit is not valid unless the hunter has first purchased an annual hunting license and statewide deer permit and is able to show proof of that in the field. A statewide or additional deer permit may be used on public and private land, and during some quota hunts.

HUNTING EQUIPMENT RESTRICTIONS

MODERN GUN SEASON
During modern gun deer season, hunters may hunt with any centerfire rifle or pistol, including air guns of .35 caliber or larger charged by an external tank, muzzleloaders, and archery and crossbow equipment, and must follow season restrictions, zone guidelines and other hunting requirements.

All hunters, including archery and crossbow hunters, and persons accompanying hunters, must wear hunter orange clothing during modern gun season.

Persons ages 15 and younger hunting deer with a firearm must be accompanied by an adult who shall be in a position to take immediate control of the youth’s firearm at all times.

ARCHERY SEASON
Hunters using archery equipment during a deer, elk or bear firearms season must follow all firearms deer season restrictions, zone guidelines and other hunting requirements, and must wear hunter orange clothing. The only exception is on state-owned or managed WMAs where firearms hunting for deer or elk is prohibited.

CROSSBOW SEASON
Hunters using crossbows during a deer, elk or bear firearms season must

CHRONIC WASTING DISEASE
If you hunt big game outside of Kentucky, you may not bring any member of the deer (Cervidae) family, which includes deer, elk, moose, caribou, reindeer and any hybrids, back into Kentucky unless the brain and spinal column have been removed.

Allowed parts from other states and provinces include: quarters or other portions of meat with no part of the spinal column or head attached, boned-out meat, antlers, antlers attached to a clean skull plate, a clean skull, clean teeth, hides and finished taxidermy products.

Chronic Wasting Disease (CWD) has not been detected in Kentucky.

Donations sought for testing
The department seeks donations of deer heads from hunter harvested animals for CWD testing. This will allow Kentucky Fish and Wildlife to better manage an outbreak should CWD be detected. Bucks or does are needed. Hunters should cut off the head a couple inches below the base of skull, then freeze the head. Contact your local biologist or drop off the head at a sample collection site freezer (see page 14).

Online: fw.ky.gov/disease

Up-to-date news regarding CWD can be found at cwd-info.org.

Antler traps
Devices designed to entangle or trap the antlers of a deer cannot be used.
DEER HUNTING

follow all firearms deer season restrictions, zone guidelines and other hunting requirements, and must wear hunter orange clothing. The only exception is on state-owned or managed WMAs where firearms hunting for deer or elk is prohibited. A legal resident hunter age 65 years or older and a youth hunter age 15 or younger may hunt deer with a crossbow from the first Saturday in September through the third Monday in January.

MUZZLELOADER SEASON
Muzzleloaders, archery and crossbow equipment may be used during this season. All hunters must comply with the hunter orange clothing law. Youths ages 15 and younger hunting deer with a muzzleloader must be accompanied by an adult who shall remain able and in a position to take immediate control of the youth’s muzzleloader at all times.

TREE STANDS
Construction and use of tree stands on private lands is regulated by landowners.

Hunter orange required!
Hunters and people accompanying them must wear solid, unbroken hunter orange color visible from all sides on the head, back and chest when hunting for any species during modern gun, muzzleloader and youth gun deer seasons, or a firearm elk or firearm bear season. However, hunter orange is not required when hunting waterfowl or doves during a gun deer, elk or bear season, or when hunting furbearers at night during a legal furbearer season.

Q: Can a hunter take a deer for someone else?
A: No. Hunters must claim any deer they take as their own. They must use their own license/permit and harvest log, and telecheck the deer using their own Social Security number.

LEGAL DEER HUNTING EQUIPMENT
Scopes are allowed on all hunting equipment (used for statewide seasons).

MODERN GUN EQUIPMENT
- Any caliber centerfire rifle or centerfire handgun.
- Rifle, handgun or shotgun magazines may not be capable of holding more than 10 rounds.
- Rifles or handguns may not be fully automatic (capable of firing more than one round with one trigger pull).
- Full metal jacketed or tracer bullet ammunition is prohibited.
- Shotguns, no larger than 10-gauge, shooting slug ammunition only (includes saboted bullets).
- Muzzle-loading rifles, handguns, or shotguns shooting round balls, conical bullets, or saboted bullets.
- Air guns of .35 caliber or larger charged by an external tank, shooting single projectile ammunition designed to expand upon impact.

ARCHERY EQUIPMENT
- Longbows, recurves and compound bows of any draw weight (no minimum).
- Wood, carbon or metal arrows, but arrows may not be chemically treated.
- Fixed blade or mechanical broadheads at least 7/8” wide (when blades extended), but broadheads may not be chemically treated.

CROSSBOW EQUIPMENT
- Crossbows of any draw weight (no minimum), with a working safety.
- Wood, carbon or metal arrows (bolts), but arrows (bolts) may not be chemically treated.
- Fixed blade or mechanical broadheads at least 7/8” (when blades extended), but broadheads may not be chemically treated.

MUZZLELOADING EQUIPMENT
- Muzzle-loading rifles or handguns of any caliber, shooting round balls, conical bullets or saboted bullets.
- Muzzle-loading firearms equipped with open sights or telescopic sights (scopes).
- Muzzle-loading shotguns no larger than 10-gauge, shooting round balls, conical bullets or saboted bullets.

YOUTH DEER HUNTING

YOUTH DEER HUNTING
Youths may hunt deer during any open season, including two special deer seasons for resident and nonresident hunters who have not reached their 16th birthday.

Adults accompanying youth deer hunters during either of these hunts may not use firearms to take deer.

Adults accompanying youth hunters are not required to possess a hunting license or deer permit if the adult is not deer hunting, but by law, the hunter and the accompanying adults must wear hunter orange clothing.

YOUTH-ONLY GUN SEASON/ FREE YOUTH DEER HUNTING WEEKEND
The first special youth deer season is on the second weekend of October. Youth hunters may take deer with firearms, or any other legal method, statewide. During the October youth-only firearms season, the appropriate hunting license and deer permits are required for hunters ages 12-15. Youth hunters younger than age 12 are not required to have a hunting license or deer permit. On the first weekend following Christmas, resident and nonresident youth 15 years of age and younger, who are accompanied by an adult, are eligible to participate in the free youth weekend. Youth hunters may hunt deer with firearms, or any other legal method, statewide without a hunting license or deer permit. All bag limits, zone restrictions and deer hunting requirements apply during the special youth deer seasons.
SPECIAL DEER REGULATIONS affecting Calloway, Fulton, Graves, Hickman and Marshall counties

A Chronic Wasting Disease (CWD) Surveillance Zone is in effect for Calloway, Fulton, Graves, Hickman and Marshall counties because CWD was found nearby in Tennessee in 2021. Special regulations will help detect and contain any potential spread of CWD to Kentucky. Hunters are a vital part of this monitoring process. Surveillance zones may be expanded if CWD is detected in new areas; go online to fws.ky.gov/cwd for the latest information.

Chronic wasting disease is an always fatal disease of deer and elk. Although CWD has been detected nearby in Tennessee, it has not been found in Kentucky. To date, there have been no reported cases of CWD infection in people, according to the Centers for Disease Control and Prevention (CDC).

Inclusion in a Surveillance Zone does not change deer seasons or bag limits in the county. However, some special regulations apply:

- Mandatory CWD Check Stations for some season dates (see details below).
- No feeding or baiting of deer at any time in the CWD Surveillance Zone.
- No transportation of harvested deer out of the CWD Surveillance Zone. Whole deer carcasses and high-risk parts, including intact heads containing brain material, cannot be moved out of the zone.

**CWD SURVEILLANCE ZONE INFORMATION**

**MANDATORY DEER CWD CHECK STATIONS**

Hunter participation is vital to disease monitoring efforts. To obtain an adequate sample size for scientific testing, Kentucky Fish and Wildlife is operating 13 mandatory CWD Check Stations within the CWD Surveillance Zone.

All deer harvested within the CWD Surveillance Zone (Calloway, Fulton, Graves, Hickman and Marshall counties) by any method during the following dates in 2022 must be brought to a CWD Check Station for sampling.

Check stations will only operate on these dates. There is no mandatory deer

**CWD check station dates:**

Nov. 12-14 (Saturday - Monday)
Nov. 19-21 (Saturday - Monday)
Nov. 26-27 (Saturday - Sunday)

Stations will be open 9 a.m. to 7 p.m. (Central) during these dates.
check station requirement outside of these dates. However, free voluntary testing is available through Deer Sample Collection Sites (see below).

The mandatory check station requirement includes license-exempt hunters, such as landowners hunting on their own property, and those who take deer during these dates by other methods, such as muzzleloader or archery equipment. Deer given to others by a hunter during these dates must be physically checked as well. All deer should be telechecked before coming to the check station.

Check stations will operate from 9 a.m. - 7 p.m. (Central). Hunters may bring in an intact deer carcass, a field-dressed deer or just the head of the deer for sampling at a check station. Biologists will take samples at the check stations to monitor for the presence of CWD. Hunters will be asked for an approximate location where they harvested the deer, name of taxidermist or processor if being used, and provide telecheck and licensing information.

Hunters will receive a card verifying their visit to the check station. Cards will contain information about how to view test results for their deer. Test results are generally available within six weeks or less.

**VOLUNTARY DEER SAMPLE COLLECTION SITES**

Freezers are available at two self-serve Voluntary Deer Sample Collection Sites in the CWD Surveillance Zone, and at several other locations throughout the state. Deer Sample Collection Sites allow hunters to voluntarily have their deer tested when the mandatory CWD Check Stations are not open. Testing is available through these sites for deer taken anywhere in the state.Only the deer head is needed for sampling; instructions, bags and tags are located at each sampling site. A location map of Deer Sample Collection Sites is available online at fw.ky.gov/cwd.

### NO DEER BAITING OR WILDLIFE FEEDING

Grain, feed, mineral blocks, salt blocks and other baits used to attract deer cannot be used in CWD Surveillance Zone counties. This helps prevent deer from concentrating, which increases spread of disease. Bird feeders in yards, planted food plots and normal agricultural practices such as mineral blocks or feed for cattle are allowed. Hunters can use products that are not ingested by deer, such as scent attractors and deer urine products.

**SPECIAL CARCASS TAGS NO LONGER REQUIRED**

Carcass tags are required if the deer leaves a hunter’s possession. Special CWD Surveillance Zone carcass tags are no longer required. Hunters must complete a harvest log prior to moving the carcass and telecheck their deer by midnight.

### CARCASS TRANSPORTATION RESTRICTIONS

Carcasses or high-risk parts of deer harvested within the 5-county CWD Surveillance Zone may not be taken outside of the zone. Only de-boned meat, antlers, antlers attached to a clean skull cap, a clean skull, clean teeth, hides and finished taxidermy products may be taken out of the CWD Surveillance Zone.

### CARCASS IMPORTATION PROHIBITED

Whole carcasses or high-risk parts (head, skull cap or skull with any brain material, or spine) of any deer, elk, moose or caribou harvested in another state cannot be brought back into Kentucky.

### DOES CWD INFECT LIVESTOCK OR PEOPLE?

CWD is not known to infect humans. It does not appear to naturally infect cattle or other domesticated animals. As a precaution, however, people should avoid eating deer or elk that appear to be sick or have tested positive for CWD.

This list includes deer scored and reported to Kentucky Fish and Wildlife. It is possible that unreported bucks taken last year in Kentucky may have scored 160 typical or 185 non-typical or higher.

HOW TO GET ON NEXT YEAR’S TROPHY LIST

To be eligible for next year’s trophy list a hunter must take a white-tailed deer in Kentucky this season that officially net scores 160 or higher typical, or net scores 185 or higher non-typical, as determined by the Boone and Crockett scoring system. Velvet deer scored under the Pope and Young Club system for bowhunters. No later than May 1, send the completed and signed score sheet with a photo to Kentucky Hunting & Trapping Guide, #1 Sportsman’s Lane, Frankfort, KY 40601. Include the county in which the deer was taken, and the equipment used to harvest the deer. Please send a copy as score sheets and photos will not be returned. Emailed submissions to info.center@ky.gov also will be accepted. To get a list of official Boone and Crockett Club scorers in Kentucky visit: www.boone-crockett.org.

*Bear chase only is not permitted on WMAs until the third Saturday in August (Aug. 20, 2022). However, Hensley-Pine Mountain WMA is closed to bear chase and all bear hunting seasons.

**Any legal equipment may be used during the Hunt with Dogs.

Note: Hunters may participate in the chase-only season even if they have harvested a bear.

HARVEST QUOTAS (FEMALE BEARS)

| Hunt with Dogs               | Proposed regulations would eliminate the quota system in favor of set seasons. Please go online to fw.ky.gov for current information. |
| Archery/Crossbow             |                                                                                                                            |
| Firearm                      |                                                                                                                            |

CHASE-ONLY SEASON WITH DOGS

Participants must purchase and possess proof of a valid bear chase permit or youth bear chase permit in addition to fulfilling annual hunting license requirements.

Chase-only and hunt with dogs seasons are closed in the Daniel Boone National Forest, Beaver Creek WMA, Cane Creek WMA, Hensley-Pine Mountain WMA, Mill Creek WMA, Miller-Welch Central Kentucky WMA, Pioneer Weapons WMA, Redbird WMA, Big South Fork National River and Recreation Area, and Cumberland Gap National Historical Park. (McCreary County closure subject to change; check fw.ky.gov online for current information.)

Bears can be chased during legal daylight hours only. Hunters cannot chase bears from a baited area while bait is present or for 30 days after the bait has been removed.

The bear hunt with dogs season also is open as a chase-only season for any person with a valid bear chase permit.

LEGAL BEAR HUNTING EQUIPMENT

- A modern rifle of .270 caliber or larger, with a magazine capable of holding no more than 10 rounds
- A muzzle-loading rifle of .50 caliber or larger
- A muzzle-loading or breech-loading shotgun no larger than 10-gauge, and no smaller than 20-gauge, firing a single projectile (slug, round ball, conical bullet or saboted bullet) only
- A handgun loaded with centerfire cartridges with a case length of 1.285 inches or larger, firing bullets of .270 caliber or larger designed to expand upon impact
- Firearm may not be fully automatic (capable of firing more than one round with one trigger pull)
- Full metal jacketed or tracer bullet ammunition is prohibited
- Archery and crossbow equipment that is legal for deer hunting
- During the bear hunt with dogs season, hunters may only harvest a bear using a legal weapon assisted by dogs that are actively pursuing, chasing, baying or treeing a bear prior to harvest. Dogs must be included on the department-approved breed list for bear season, found online at fw.ky.gov.
- Proposed changes would allow smaller calibers for bear hunting. Go online to fw.ky.gov for the latest information.

HUNTING SEASONS

All bear hunters must purchase and possess proof of the appropriate valid bear permit(s) in addition to fulfilling annual hunting license requirements.

Hunters who harvest a bear during any bear hunting season must telecheck it by 8 p.m. Eastern time, and also call
Is it legal to shoot a bear that is feeding at a trash can or dumpster?

No. Garbage is considered bait.

Bear hunters and those who accompany them, or any other person hunting on public or private lands in the bear hunting zones during a firearm season for bears, must comply with the hunter orange clothing law. This requirement also applies to any person chasing bears during the bear hunt with dogs season.
### MIGRATORY BIRDS and WATERFOWL

Notes: The Northeast Goose Zone now mirrors the rest of the state. The Cave Run Lake refuge area remains closed to goose hunting. See the "Quota Hunts" section in this guide for waterfowl hunting information pertaining to public lands and blind drawings.
**DAILY BAG and POSSESSION LIMITS**

Daily limit refers to the number of birds which may be taken during a one-day period. Possession limit applies to transporting birds after two or more days of hunting but does not permit a double daily bag limit in the field.

**MORE DETAILS ONLINE**

The Kentucky Department of Fish and Wildlife Resources now lists its waterfowl and migratory bird hunting information on its website. Find information not covered in this printed guide in the hunting guide for dove and early waterfowl, which is posted online at [fw.ky.gov](http://fw.ky.gov). This page covers basic information.

</tbody>
</table>

Note: Out-of-zone elk hunters must follow deer season regulations and use only the legal elk hunting equipment described on this page to take elk from any county not included in the 16-county elk zone, and must have an Out-of-Zone Elk Permit.

**HOW THE QUOTA HUNTS WORK**

- Applications go on sale January 1 for the upcoming season’s Kentucky elk quota hunts. Hunters must buy their elk quota hunt applications before midnight Eastern time on April 30.
- Elk quota hunt applications can be purchased online at [fw.ky.gov](http://fw.ky.gov) or anywhere licenses are sold. A person who does not have access to the department’s website to apply for any quota hunt may contact the department toll free at 1-800-858-1549 (Monday-Friday, 8 a.m. - 4:30 p.m.) for assistance.
- Residents and nonresidents are eligible to apply for each of the three permit types (bull firearm, cow firearm or either sex archery/crossbow) but can only be drawn for one.
- Each application costs $10. Only individuals may purchase elk applications, not a party of hunters together.
- Hunters 15 years of age and younger may apply for a youth-only quota hunt during the same application period as for the regular elk quota hunt drawing.
- Applicants for the youth-only hunt may also purchase elk applications for the regular elk quota hunts. A youth may not be drawn for the youth-only quota hunt and the regular quota hunt for elk in the same year, and if drawn for the youth-only hunt, will be permanently blocked from applying for the youth-only hunt again.
- If an applicant is drawn for a youth-only permit, they will purchase the applicable quota youth elk permit. If a youth applicant is drawn for the
regular quota hunts, the youth will be required to purchase the full price antlered or antlerless elk permit.

- A random computer drawing is held in May to select the drawn hunters. Applicants may check to see if they were drawn on fw.ky.gov.
- It is the hunter’s responsibility to find a place to hunt in the unit they are assigned to hunt. Hunters must get landowner permission to hunt on private land.
- There is no limit to the number of assistants an elk hunter may take into the field, but only the permit holder is allowed to hunt.
- Fishtrap Lake WMA in Pike County and Paul Van Booven WMA in Breathitt County are designated as viewing areas and are off limits to elk hunting.
- Quota elk permits must be purchased from the department’s website (fw.ky.gov) or through any license vendor prior to hunting.
- Unless license exempt, hunters drawn for a quota elk permit are required to buy an annual hunting license. All elk hunters must purchase a quota elk permit.
- Hunters awarded an elk permit will be blocked from reapplying for three years.
- Up to three drawn hunters may apply for their unit choices as a party. Those applying for a regulated area must do so individually, not as a party.

**LEGAL ELK HUNTING EQUIPMENT**

- A modern rifle of .270 caliber or larger with a magazine capable of holding no more than 10 rounds
- A muzzle-loading rifle of .50 caliber or larger
- A muzzle-loading or breech-loading shotgun no smaller than 20-gauge, firing a single projectile (slug, round ball, conical bullet or sabot bullet) only
- A handgun loaded with centerfire cartridges with a case length of 1.285 inches or larger, firing bullets of .270 caliber or larger designed to expand upon impact
- Firearms may not be fully-automatic (capable of firing more than one round with one trigger pull)
- Full metal jacketed or tracer bullet ammunition is prohibited
- Crossbows or archery equipment (long bows, recurves or compound bow) loaded with a fixed blade or mechanical broadheads at least 7/8” wide (when blades extended), but broadheads may not be chemically treated. Crossbows must have a working safety.
- Note: Hunters may use archery or crossbows during the bull or cow firearms hunts.

**QUOTA HUNTS WITHIN THE ELK ZONE**

The elk zone includes the following 16 counties: Bell, Breathitt, Clay, Floyd, Harlan, Johnson, Knott, Knox, Leslie, Letcher, Magoffin, Martin, McCreary, Perry, Pike and Whitley. Inside this 4.1 million-acre zone, elk may only be taken by hunters drawn for a quota hunt as previously described. All elk hunters must display a department-issued hang tag in their vehicles while hunting.

**BAITING**

Elk hunters may not use bait on public or private land within the elk zone. However, it is legal to hunt elk over bait outside the elk zone where baiting is permitted.

**CALLING**

A person shall not mimic the sound of an elk on public land open to elk hunting from Sept. 1 until the opening of the elk archery/crossbow season.

**SHOOTING HOURS**

Elk may only be hunted during daylight hours, from 30 minutes before sunrise to 30 minutes after sunset.

**BAG LIMIT/HUNTER ORANGE**

The season bag limit on elk is one per hunter per season, regardless of permit type. Hunters may not take an elk during a quota elk hunt and also take an elk out-of-zone during the same season. Elk hunters and those who accompany them, or any other person hunting public or private lands in the elk zone during firearm elk seasons, must comply with the hunter orange clothing law.

**INSIDE THE ELK ZONE**

Elk may be taken from any county outside the zone by hunters who possess an annual Kentucky hunting license and an Out-of-Zone Elk Permit. These hunters must follow deer season regulations and use only the legal elk hunting equipment outlined above, but are not required to possess a Statewide Deer Permit.

**CHECKING and TAGGING**

All elk must be telechecked. Hunters must call 1-800-245-4263 and report the harvest. See the “General Information” section for details.

Once an elk is harvested, a hunter may remove the head of the animal to facilitate its removal from the field prior to the elk being telechecked. It is still necessary to fill out the harvest log immediately after harvest and telecheck the animal before midnight on the day the elk is harvested or recovered. If the hide or head of the elk is removed in the field – to quarter the animal, for example – it is necessary to demonstrate proof of sex by retaining the head or keeping the genitalia attached to the carcass. A carcass tag is required if a harvested elk leaves the hunter’s possession for any reason.

**VOUCHER COOPERATOR ELK PERMIT PROGRAM**

An access program by the Kentucky Department of Fish and Wildlife Resources has created additional elk hunting opportunity for drawn elk hunters.

The Voucher Cooper Elk Permit Program links people who own or lease elk hunting land with hunters who have drawn an elk tag. Hunter access is accomplished by offering landowners/lessees an elk tag when they accumulate 10 points (harvested bull = 1 point, harvested cow = 1 point). Interested landowners and lessees may contact Kentucky Fish and Wildlife at 1-800-858-1549 to learn more about the Voucher Cooper Elk Permit Program.
ELK HUNTING

ELK RESTORATION PERMIT

Landowners or lessees who allow Kentucky Fish and Wildlife to capture elk on their property for restoration and restocking purposes are eligible to earn an Elk Restoration Permit (ERP).

The landowner or lessee accrues one point for each captured elk. Upon accruing 10 total points, the landowner or lessee will receive one either-sex elk permit from the department that must be used the following hunting season. The ERP can be used only on property the recipient owns or leases. The recipient can transfer the permit to any person eligible to hunt in Kentucky. The ERP recipient must provide the hunter’s name, address, phone number and Social Security number.

POST-SEASON ELK HUNTING SURVEY

All elk hunters (including any applicant selected for a permit in the drawing) must complete and submit a post-season elk hunting survey no later than the last day of February. The post-season survey will be accessible to elk hunters through the “My Profile” feature on the department’s website. Any elk hunter who fails to complete and submit the post-season survey will be ineligible to apply for any quota hunt or no-hunt option the following year.

WHERE TO HUNT ELK

Maps online

* Non-typical

This list includes the 10 largest bull elk scored and reported to Kentucky Fish and Wildlife. The department is compiling a list of the top 100 elk taken in Kentucky. Please send copies of official (signed) score sheets to: Kentucky Trophy Elk List, KDFWR, 1 Sportsman’s Lane, Frankfort, Ky 40601. Emailed submissions to info.center@ky.gov also will be accepted.
**LEGAL FALL TURKEY HUNTING EQUIPMENT**

- Breech-loading or muzzle-loading shotguns no larger than 10 gauge and no smaller than .410.
- Breech-loading shotguns must be plugged to hold a maximum of three shells (two in magazine and one in chamber).
- Lead or non-toxic shot no larger than No. 4.
- Longbows, recurve bows and compound bows of any draw weight (no minimum).
- Crossbows of any draw weight (no minimum) with a working safety device.
- Non-barbed broadheads with a minimum cutting diameter of 7/8-inch, whether expandable or non-expandable.

**FALL TURKEY HUNTING**

**SEASON DATES and RESTRICTIONS**

<table>
<thead>
<tr>
<th>FALL TURKEY</th>
<th>Shotgun</th>
<th>Archery</th>
<th>Crossbow</th>
</tr>
</thead>
</table>

**BAG LIMITS**

- Four birds total, no more than two (2) of which may be taken with a shotgun.
- No more than one (1) bird may have a beard length of three (3) inches or longer.
- No more than one (1) bird may be taken per day.

**PERMIT REQUIREMENTS**

**Adult hunters:** Unless exempt, all fall turkey hunters ages 16 and older must carry with them in the field proof of purchase of a valid Kentucky hunting license and a valid fall turkey permit. Short-term (1- or 7-day) hunting licenses are not valid for turkey hunting. The fall turkey permit is valid for the fall archery, crossbow and shotgun turkey seasons and allows a hunter to harvest up to the fall season bag limit of turkeys.

**Youth hunters:** Youths younger than 12 are exempt from license and turkey permit requirements. Youths ages 12-15 are eligible to purchase a youth turkey permit, which is valid during any turkey season for one turkey. Youth hunters must abide by season bag limits and harvest restrictions but can use the youth permit throughout the license year. The youth sportsman’s license includes two (2) youth turkey permits. Anyone may call turkeys, or assist in the hunt. Callers and assistants are not required to possess a hunting license or turkey permit, and may carry equipment while in the field.

**OTHER RESTRICTIONS**

Hunters may not use bait or any substance capable of luring wild turkeys. Turkey hunters may not use firearms to take turkeys during archery or crossbow-only seasons. On some WMAs, special equipment restrictions may apply.

**YOUTH SUPERVISION**

Firearm turkey hunters 15 years old and younger must be accompanied by an adult, who shall remain in a position to take immediate control of the youth’s firearm at all times.

**HARVEST RECORDING and TAGGING REQUIREMENTS**

The process and requirements for recording, checking and tagging harvested turkeys are the same as for deer and elk. See the “Recording, Checking, Tagging and Transporting” guidelines in the “General Information” section of this guide.

**ATTENTION TURKEY HUNTERS!**

You can help the Kentucky Department of Fish and Wildlife Resources’ efforts to manage the wild turkey resource by participating in the **Summer Brood Survey**. In July and August, record all observations of turkeys, including broods (hens and poults) and gobblers.

Visit the department’s website at [fw.ky.gov](http://fw.ky.gov) for more details about this survey, which will help Kentucky Fish and Wildlife better track trends in turkey populations. Enter “Turkey Brood Survey” in the search box on the department’s homepage. Only summarized results will be reported.

</table>

**FURBEARER BAG LIMITS**

- **Raccoon & Opossum**: No limit
- **Coyote**: No limit
- **Bobcat**: 5; no more than 3 of which shall be taken with a gun*
- **River Otter**: 10; only 6 of which can be taken from Otter Zone 2
- **Muskrat, Mink, Beaver, Red Fox, Gray Fox, Weasel & Striped Skunk**: No limit

**SPECIAL HUNTING RESTRICTIONS**

- During modern gun deer season, raccoon and opossum hunters may not hunt during daylight hours. Night hunting on Bobcat permit required for bobcat hunters

- Friday, Nov. 11, 2022 shall conclude by 30 minutes before sunrise on Saturday, Nov. 12, which is when shooting hours open for modern gun deer season.

- A hunter shall not use a light from a boat to take raccoon or opossum.

- A person shall not use the following while chasing raccoon or opossum from noon on March 1 through September 30: a firearm, a slingshot, tree climber or any device to kill, injure, or force a raccoon or opossum from a tree or den.

- Coyotes may be hunted year-round, day or night, with no bag limit. Hunters may only use artificial light or other means designed to make wildlife visible at night so long as the means used are not connected to the vehicle.

- On public land after daylight hours, a person shall not use any equipment other than a bow, crossbow, or shotgun loaded with a multiple-projectile shell. On private land after daylight hours, coyote hunters may not use any equipment other than a bow, crossbow, or shotgun loaded with a multiple-projectile shell except that from Dec. 1 – March 31 hunters may also use a rifle of 6.5mm (.264 caliber) or smaller bullet diameter; a muzzleloader of .54 caliber or less; or a shotgun shell with a single-projectile.

- Night hunting shall not be allowed in a county or area where a deer or elk firearm or muzzleloader season is open.

**RIVER OTTER ZONES**

- **ZONE 2**: All other counties.

To help researchers, hunters who harvest wild turkeys with leg bands should report the band number online at fw.ky.gov/Hunt/Pages/TurkeyBand.aspx.

POSSESSION/RELEASE OF LIVE TURKEYS

Because of potential disease problems and genetic pollution, it is illegal to possess live wild turkeys. For the same reasons, domestic or pen-raised turkeys should not be released into the wild.
FURBEARER HUNTING and TRAPPING

LEGAL METHODS and EQUIPMENT FOR HUNTING FURBEARERS

(see Special Hunting Restrictions section for exceptions)

- Centerfire or rimfire gun
- Muzzle-loading rifle or handgun
- Muzzle-loading or breech-loading shotguns no larger than 10 gauge. Breech-loading shotguns must be plugged to hold a maximum of three shells (two in magazine and one in chamber). There is no limit on shot size. Shotguns must be shoulder fired
- Shot shells with a single projectile may only be used during daylight hours
- Bow and arrow or crossbow
- Air guns with pellets that are at least .22 caliber in size
- Hand or mouth operated calls, electronic calls, or attracting devices
- Falconry

LEGAL METHODS and EQUIPMENT FOR TRAPPING FURBEARERS

Trappers may use lights from boats or vehicles to check traps.

Traps may not be placed in trails or paths commonly used by people or domestic animals.

There are no restrictions on the size or type of trap used as a water set, except that any body-gripping trap greater than 20 inches wide must be placed so the trap is completely submerged under water. A water set is a trap placed in the water of a river, stream, pond, lake, wetland or other body of water so that a portion of the trap body is underwater.

The following equipment is permitted for dry land sets. A dry land set is a trap placed so that no portion of the trap touches the water of a river, stream, pond, lake, wetland or other water course.

- Deadfall
- Wire cage or box trap
- Foothold traps with a maximum inside jaw spread of 6 inches measured perpendicular to the hinges
- On private land, a body-gripping trap with a maximum inside jaw spread of 7 1/2 inches measured parallel with the trigger

On wildlife management and outdoor recreation areas, a body-gripping trap with a maximum inside jaw spread of 5 1/4 inches

- Snare. A snare means a wire, cable, or string with a knot, loop, or a single piece closing device, the deployment of which is or is not spring-assisted, but any spring-assisted device is not for the purpose of applying tension to the closing device.

On wildlife management and outdoor recreation areas, dry land sets may not be placed closer than 10 feet apart.

On private land, dry land sets may not be placed closer than 10 feet apart unless the person trapping has written permission from the landowner or the landowner’s designee, except there shall not be more than three traps placed within any 10-foot spacing. The trap spacing requirement does not apply to wire cage or box traps or on properties of 5 acres of less.

SPECIAL TRAPPING RESTRICTIONS

- All traps must bear a metal tag giving either the name and address of the trapper, or a wildlife identification number for trap tags issued by the department as well as the 1-800-25-ALERT phone number.
- Any trap found without a tag can be immediately confiscated by the department without a court order.
- All traps must be visited at least once every twenty-four (24) hours and all animals removed.
- Coyotes can only be trapped during furbearer trapping seasons.
- Trappers must harvest furbearers upon capture, unless they possess a captive wildlife permit from Kentucky Fish and Wildlife.
- Spotted skunks are protected year round and may not be taken or possessed. Report incidental trappings to Kentucky Fish and Wildlife.
- It is illegal to intentionally obstruct or disrupt the right of a person to lawfully take wildlife by trapping.

TELECHECK and CITES TAGGING

Harvested bobcats and otters must be telechecked by calling 1-800-245-
FURBEARER HUNTING and TRAPPING

FURBEARER HUNTERS AND TRAPPERS: WE NEED YOUR HELP!

Kentucky Fish & Wildlife is collecting lower jaws from hunted and trapped bobcats and river otters for a population study. Please contact the department at 1-800-858-1549 to request a sample packet and instructions. Thank you for your contribution to furbearer management.

To request a CITES tag, log on to “My Profile” online at fw.ky.gov.

A CITES tag must be attached to the raw fur, pelt or unskinned carcass of any bobcat or river otter taken in Kentucky immediately upon receipt of the tag from Kentucky Fish and Wildlife per the instructions provided by the department and remain attached until it is processed or exported outside the United States.

Possession of an unused bobcat or otter CITES tag is prohibited.

A person who transfers, but does not sell, a river otter or bobcat to another person or taxidermist, is not required to request a CITES tag. But, this person must attach a handmade carcass tag to the animal that contains the teledcheck confirmation number and the hunter or trapper intends to sell or export internationally.

BUYING and SELLING HIDES

There is no time restriction on the holding of raw furs of furbearers by a trapper or hunter after the close of furbearer season. Raw furs may be sold only to licensed taxidermists, licensed fur buyers or licensed fur processors.

FREE YOUTH WEEK

Resident and nonresident youth hunters and trappers ages 15 and younger may hunt and trap applicable game and furbearers, and hunt migratory birds in season without a hunting or trapping license for seven consecutive days starting the Saturday after Christmas.

Please refer to the hunter orange clothing law section (page 8) for guidelines.

Youth hunters must comply with all equipment regulations and bag limits for furbearers when hunting or trapping. Hunter education is not required for license-exempt hunters. Adults accompanying youth hunters/trappers during the free youth hunting and trapping week do not need a license if they are not hunting/trapping.

* In Grouse Hunting Zone only. Information about grouse hunting on public areas is available online at fw.ky.gov.

SMALL GAME

The following animals are considered small game: squirrels, rabbits, northern bobwhite (quail) and grouse.

Only rabbits and squirrels may be trapped. Quail and grouse may not be trapped. Hunting bag limits apply. Trapping equipment and restrictions are the same as those listed in the fur-
SMALL GAME HUNTING and TRAPPING

LEGAL SMALL GAME HUNTING EQUIPMENT and METHODS

Hunters may only use the following to take small game during the fall and winter seasons:

- A rimfire gun or rimfire handgun
- .410 gauge handgun
- Muzzle-loading or breech-loading shotguns no larger than 10-gauge. Breech-loading shotguns must be plugged to hold a maximum of three shells (two in magazine and one in chamber)
- Lead or non-toxic shot no larger than No. 2
- Muzzle-loading rifles
- Archery or crossbow equipment
- Pellets fired from .177, .20, .22 or .25 caliber air guns
- Falconry
- Slingshots with manufactured hunting ammunition
- Dogs may be used to aid in the hunt

Q: Do I have to telecheck my small game?
A: No. However, you can help Kentucky Fish and Wildlife by filling out the hunter cooperator surveys for small game. Click the "Hunt" tab on fw.ky.gov and choose "Game Species" from the dropdown menu.

A trapping license is required for anyone 12 years of age and older.

Trappers must harvest squirrels and rabbits upon capture, unless they possess a captive wildlife permit from Kentucky Fish and Wildlife. Seasons on WMAs and other public hunting lands not managed by Kentucky Fish and Wildlife may be different from statewide seasons. Individual area listings are available online at fw.ky.gov.

BAG LIMITS

- Squirrel: Daily limit is 6; possession limit is 12.
- Rabbit: Daily limit is 4; possession limit is 8.
- Quail: Daily limit is 8; possession limit is 16.
- Grouse: Daily limit is 4; possession limit is 8.

FREE YOUTH WEEK

Resident and nonresident youth hunters and trappers ages 15 and younger may hunt and trap small game without a hunting or trapping license for seven consecutive days starting the Saturday after Christmas.

Hunter orange clothing must be worn by all hunters Dec. 31, 2022 - Jan. 1, 2023 since youth hunters are also permitted to hunt deer with firearms at that time.

Youth hunters must comply with all equipment regulations and bag limits for small game when hunting or trapping. Hunter education is not required for license-exempt hunters. Adults accompanying youth hunters/trappers during the free youth hunting and trapping week do not need a license if they are not hunting/trapping.

FALCONRY SEASON

The limit for this hunting method is two (2) of any small game or fur bearer species per falconer per day, except during the fall and winter hunting season when the limits are the same as for other methods. Falconers must possess a falconry permit, which costs $75 and is valid for three years, as well as a valid Kentucky hunting license, unless license exempt, and obey all applicable state and federal laws.

CROW SEASON

A hunting license is required unless the hunter is license exempt. A Migratory Bird/Waterfowl permit or completion of the HIP survey is not required.

Electronic or mechanical calling devices may be used during the open seasons. Shooting hours are 30 minutes before sunrise until sunset.

There is no daily or possession limit on crows.

BULLFROG SEASON

The daily limit (noon to noon) is 15. The possession limit is 30. If bullfrogs are taken by gun or bow and arrow, a hunting license is required. If taken by pole and line, a fishing license is required. If frogs are taken by gig or by hand, either a hunting or fishing license is valid.

It is illegal to possess a gig on a stream or lake, or in a boat, from Nov. 1 through Jan. 31.

TURTLES

Snapping turtles (except alligator snapping turtles) and soft shell turtles may be taken year-round with no bag limit but may not be harvested for commercial purposes.

A hunting license is required if turtles are taken by gun or bow and arrow. Consult the Kentucky Fishing & Boating Guide for information on other legal means of harvest.

WILD PIGS

Wild pigs are not considered game species in Kentucky. They are an exotic, invasive species that pose serious threats to wildlife, wildlife habitat, natural areas, agriculture and Kentucky hunting traditions. Hunting fails as an eradication tool for wild pigs due to their high reproductive rate and intelligence. Disturbances associated with human activity, especially hunting pressure, cause wild pigs to leave the area and become nocturnal, limiting other more effective eradication methods.

In an effort to stop the spread of wild pigs, Kentucky Department of Fish and Wildlife Resources discourages wild pig hunting and asks the public to report sightings and damage. The department, in partnership with USDA Wildlife Services, offers free professional trapping services to anyone experiencing damage from wild pigs. Trapping wild pigs is the most efficient method of eradication. You can help by reporting wild pig sightings, damage or the illegal possession, sale or release of wild pigs to the department by calling 1-800-858-1549 or visiting fw.ky.gov/wildpigs.

GROUNDHOGS

Groundhogs may be hunted statewide, year-round, with no bag limit. A hunting license is required unless the hunter is license exempt. Shooting hours are 30 minutes before sunrise to 30 minutes after sunset.

BIRDS

- English sparrows and starlings may be hunted year-round, with no bag limit, but a hunting license is required, unless license exempt.
- Pheasants released during quota hunts are not open to year-round hunting on Green River Lake WMA, Yellowbank WMA and Clay WMA.
- All birds of prey and native songbirds are protected under state and federal laws and may not be taken.

HOOFED STOCK (OTHER THAN WHITE-TAILED DEER and ELK)

- Exotic, non-native hoofed stock may be hunted year-round.
- No license required.
- No bag limit or checking requirement.
- Fallow deer are not legal to hunt on Land Between The Lakes National Recreation Area.

MAMMALS and OTHER WILDLIFE

- The spotted skunk, a rare species found in eastern Kentucky, is protected and may not be taken.
- All federally threatened or endangered species are protected under state and federal laws and may not be harvested.

Report game violations

Anonymous tips about suspected illegal activity related to fish, wildlife or boating can be submitted through the KFWLaw smartphone app. For non-smartphones with texting capability, text the keyword “KFWLAW” along with your tip to 847411 (tip411).

Spotted Skunk - Protected Statewide
WILDLIFE MANAGEMENT AREAS

Kentucky Fish and Wildlife owns, leases or manages more than 85 wildlife management areas (WMAs) for public use. On some areas, a user permit is required. It also has agreements to provide public access on certain privately owned lands, known as Hunting Access Areas. Many public-use areas have special regulations and hunting season dates that are different from statewide seasons. On some public-use areas, a user permit is required. Please refer to specific area listings for that information. The rest are open to hunting free of additional charge.

The information here applies to users of all WMAs owned or managed by Kentucky Fish and Wildlife. If you intend to hunt (or otherwise visit) public lands listed under “Wildlife Management Areas,” you must comply with the following guidelines.

1. For game listed in this guide, hunting seasons on the WMAs listed on the following pages are open only as stated.
2. County zone deer bag limits apply to all WMAs unless otherwise noted under the area listing.
3. Quota deer hunters may take up to two (2) deer on a quota hunt in Zones 2, 3 and 4, only one of which may be antlered, unless otherwise noted under the area listing. See the deer quota hunt listings on page 41 for more details.
4. Squirrel, rabbit, quail, grouse and furbearer hunting is closed the first two days of modern gun deer season on WMAs, if gun deer hunting is permitted.
5. Unless otherwise noted, persons shall not allow unleashed dogs from March 1 until the third Saturday in August, except during department-authorized field trials, or when training a retriever or other water dog if the activity is authorized by a sign at the body of water. The dog must remain leashed except while training, or within 100 feet of the water, or as stated under the area listing or posted on the WMA.
6. Quota hunts for pheasant, deer, waterfowl and elk hunts require advance application. (Refer to “Quota Hunts” and “Elk Hunting” sections.) Advance application is not required for other listed hunts.
7. Camping is permitted only in designated areas. Check WMA maps online at fw.ky.gov or call the WMA office for camping availability through Kentucky Fish and Wildlife or other campgrounds. Parking must be confined to designated parking areas if such areas exist. If no parking area is designated, parking is generally allowed alongside maintained roads in such a manner that does not block a road or gate or prevent access to a portion of the area. Unless otherwise authorized by the department, mechanized vehicles (excluding wheelchairs) are permitted only on maintained roads open to public use. It is unlawful to cut trees or fences, dump trash or litter, or damage any property or habitat in any fashion.
8. Before trapping on a WMA or Outdoor Recreation Area, a Public Area Trapping Registration Form must be completed. The form is available at department offices and online at fw.ky.gov. Click the “Hunt” tab on the homepage and choose “Trapping” from the dropdown menu.
9. Hunters shall not enter or hunt in areas that have been designated closed by signs.
10. A person shall not discharge a firearm within 100 yards of a residence or occupied building located on or off the area.
11. A person shall not distribute or place bait, hunt over bait or otherwise participate in baiting wildlife on a WMA.
12. A group of ten (10) or more people who gather for any event or organized activity on a WMA shall apply to the department at least 30 days before the date of the event. Groups shall apply on a form provided by the department. The department shall retain the authority to deny events, or otherwise restrict, institute additional requirements for, or direct the rescheduling of, any event to avoid user conflicts or for other legitimate reasons. Permit requests for events that do not meet WMA user guidelines shall be denied, and events may be canceled in progress if participants fail to comply with user guidelines or create hazards or disruption for others.
13. Horseback riding is permitted on some WMAs during certain times of the year and under certain restric-
access permit shall fill out the required information on the application and obtain the attestation and signature from a licensed physician describing the mobility impairment. A mobility-impaired individual shall have a completed mobility-impaired access permit application on his or her person at all times while participating in such activities, along with the appropriate hunting licenses and permits. Mobility-impaired access areas have been designated on portions of the following WMAs: Barren River (Goose Island Unit), Green River Lake, Griffith Woods, Kentucky River, Lake Cumberland, Mill Creek, Miller Welch-Central Kentucky, Mullins, Peabody (Sinclair Unit), Redbird, Taylorsville Lake, West Kentucky, Yatesville Lake and Yellowbank WMAs. The mobility-impaired access permit allows the following activities by a mobility-impaired individual:

- Discharge of a firearm or other legal hunting device from a motor vehicle when the vehicle is motionless and has its engine turned off. The motor vehicle shall be used as a place to wait or watch for game and shall not be used to chase, pursue, or drive game.
- May operate electric wheelchairs, ATVs, and other passenger vehicles on or off gated, ungated or open-gated roads otherwise closed to vehicular traffic, but only on designated tracts of designated WMAs.
- Roads may be accessed March 1 through the third Friday in August.
- Tracts designated as mobility-impaired access areas shall be posted with signs.
- Vehicular access shall not be permitted on fields, openings, roads, paths, or trails planted with annual grains or agricultural crops.

- It shall be permissible to access areas which are not roads the third Saturday of August until the end of February.
- ATV users shall adhere to manufacturer recommendations including wearing a helmet, wearing safety glasses, and restricting riding to one (1) person, while using ATVs on WMAs.

A person with a mobility-impaired access permit may designate one (1) qualified assistant. The assistant may:

- Track and dispatch a wounded animal, retrieve an animal, or render other assistance in accordance with all other Kentucky Fish and Wildlife and WMA laws and regulations.

A qualified assistant shall not:

- Operate his or her own ATV; or hunt or shoot from an ATV.

**STATE PARK and OTHER OPEN DEER HUNTS**

Open deer hunts are offered on the following state parks on the following dates. Contact the host state park for complete details, including the number of available slots, equipment restrictions, bag limits and check-in and check-out procedures.

- **Yatesville Lake State Park and Lawrence County Recreation Area (606-673-1492):** Muzzleloader starting the second Monday of December for three consecutive days.

**Other open deer hunts**

- **Jenny Wiley State Resort Park (1-800-325-0142):** Open the first Saturday of January for two consecutive days, limit two deer, only one of which may be antlered. Limited to the first 15 mobility-impaired hunters who check in at the park the day before the hunt. Hunters must meet the mobility-impaired eligibility requirements outlined on page 40. (Mobility-impaired access permit required at check-in.) Hunters must also check in and out on hunt days, and must telecheck deer taken. Hunters may be accompanied by another person, but that person will not be permitted to hunt.
- An open youth hunt is held at Grayson Lake WMA on the first Saturday in November for two consecutive days and is limited to youths ages 15 and younger. See page 36 for details.
Every public lands property in Kentucky is unique — varying by location, ownership, land and water features, local wildlife, and recreational opportunities. To help you find the right spot for your intended outdoor activities — anywhere, anytime — the information below explains what to expect based on different public lands designations.

To ensure the most enjoyable time afield possible, take some time to research the opportunities, regulations and boundaries of possible destinations. Always consult Kentucky’s hunting and fishing guides because regulations differ between areas and sometimes change. Be aware of applicable hunting seasons or quota (drawing) hunts, which could impact your plans. If you have additional questions, call 1-800-858-1549, email Info.Center@ky.gov, or call your local public lands office.

**Wildlife Management Areas**

Wildlife Management Areas (WMAs) are properties owned or managed by the Kentucky Department of Fish and Wildlife Resources for conservation and public access. They are categorized into high, moderate and low intensity management levels. High intensity typically includes areas with offices and active management, such as dove fields or food plots. Low intensity areas offer a wilder experience to those seeking to it. The new system does not rate how good an area is for hunting or wildlife watching; low intensity areas may offer better hunting due to less pressure.

**HIGH MANAGEMENT LEVEL**

These areas are continually managed and typically have onsite staff, infrastructure, marked access sites and parking lots. These areas tend to be larger and are either owned or leased long-term by the department.

Fields may be managed by planting native grasses, wildflowers, clover or annual grains. Fields may also be managed through mowing, disking, or prescribed fire, controlling invasive species, or leas-
boundary and long-term habitat work such as forest stand improvement or wetland development and manipulation. Several of the Moderate Level WMAs plant and prepare fields for dove hunting opportunities as well. These areas are owned or leased by the department and offer ample acreage for hunting, fishing, hiking and sightseeing throughout the state.

**LOW MANAGEMENT LEVEL**

WMAs designated as “low” management intensity level are typically remote and receive little or no active management. Practices are limited to general maintenance and marking boundaries, though some long-term habitat work may be ongoing. These areas may be difficult to access, with terrain more demanding for visitors to traverse. However, these areas can provide excellent hunting and wildlife viewing opportunities, sometimes because they may attract less attention or be less accessible.

**OTHER PUBLIC LANDS**

**HUNTER ACCESS AREAS (HAAs)**

These areas are accessible through agreements with landowners to provide public hunting access. Some HAAs may only be open to certain activities. Special regulations may be in place for hunting, fishing and other recreational opportunities on particular HAAs.

**SHOOTING SPORTS AND DOG TRIAL AREAS**

Three of the WMAs in the moderate management level category are primarily used for shooting sports, dog training and field trials: Curtis Gates Lloyd WMA, Miller Welch-Central Kentucky WMA and West Kentucky WMA. Although some hunting is allowed on these areas, activities are strictly managed to minimize conflicts between hunters, anglers and other WMA user groups.
The charts in this section should be used as a quick reference only. WMAs and other public lands may be open to hunting and trapping during statewide seasons or have different dates and regulations, as determined by the managing agency. For all the details on these public lands visit fw.ky.gov. Also note that some of these public lands may have areas that are off-limits to hunting or trapping, as noted by signs, and that units within these areas may have different season dates or regulations.

OPEN UNDER STATEWIDE REGULATIONS FOR ALL SPECIES in accordance with the county in which they are located:

CALL FOR DETAILS:
A. Clarks River National Wildlife Refuge (270-527-5770); 
B. Fort Campbell Military Reservation (270-798-9824); 
C. Land Between The Lakes National Recreation Area (270-924-2065); 
D. Reelfoot National Wildlife Refuge (731-538-2481).

# EXCEPTIONS:
1. Open under statewide archery/crossbow seasons through Oct. 14 only.
3. Open during the youth-only gun season; closed for free youth weekend.
4. Open for October muzzleloader season only.
5. Any weapon other than a modern gun that is legal to take deer may be used during the modern gun season.
6. Open shotgun/muzzleloader deer hunt from Jan. 14-16, 2023; Limited to 140 hunters; Check in and check out required.
7. Open only for youth-mentor quota hunt on the designated zone in Tract 7A only. Closed for all other youth firearm seasons.
8. Tracts 1, 4, 5 and “A” tracts open Jan. 1-10 except if harvest limits are reached before Jan. 10; Tracts 2, 3, 6 and 7 open with statewide seasons and close Dec. 31.
9. During quota hunts, all deer hunting seasons on this WMA are closed, except to drawn hunters. Archery/crossbow quota hunt from the third Monday in October through Nov. 30, except when closed during the quota hunt that starts the first Saturday in November.

OTHER RESTRICTIONS:
* Ballard WMA: The main unit is closed to unauthorized public access Oct. 15 - March 15; The area west of Hwy 473 within the two-mile driving loop is closed to all hunting as marked by signs; The 400-acre tract located south of Sallie Crice/Terrell Landing Road is open under statewide regulations for hunting and trapping seasons.
* Boatwright WMA: Open under statewide regulations for hunting and trapping seasons; All other areas open under statewide regulations for all hunting and trapping seasons, except some portions may be closed to public access as marked by signs.
* Coil Estate WMA: Eastern portion open under statewide regulations for all hunting and trapping seasons; Western portion closed to all hunting and trapping as marked by signs.
* Doug Travis WMA: Some areas closed to public access as marked by signs Nov. 1 - March 15.
* Lake Barkley WMA: North Island Refuge is closed Nov. 1 - Feb. 15; Duck Island Refuge is closed Oct. 15.
- March 15, with the exception of the October muzzleloader deer season; All non-refuge tracts open under statewide regulations.
* Ohio River Islands WMA: Remainder of WMA (Pryor, Rondeau and Sisters islands) open under statewide regulations for all hunting and trapping seasons.
* West Kentucky WMA: Check-in required before entering any area marked with an ‘A’; Only shotguns may be used for small game or furbearer hunting; Hunters may not use centerfire rifles or handguns to take deer. See 2022 changes to Quota Hunt and Youth Mentor Quota Hunt in Quota Hunts Section.

NOTE: Before trapping on a WMA or Outdoor Recreation Area, a Kentucky Fish and Wildlife Public Area Trapping Registration Form must be completed. See page 28 for details.

REPORT WILD PIG SIGHTINGS, DAMAGE, OR ILLEGAL RELEASE

Wild pigs threaten Kentucky’s hunting traditions. When wild pigs move in, deer and turkey move out. Wild pigs also hog all the acorns in the fall.

Hunting is not the solution. Shooting into a group of pigs may remove 1 or 2, but it scatters the rest, spreading them further throughout the landscape.

Trapping is the best method of eradication. Trapping catches the whole group at once.

Visit FW.KY.GOV/WILDPIGS to report wild pig sightings, damage, or illegal release.

OPEN UNDER STATEWIDE REGULATIONS FOR ALL SPECIES in accordance with the county in which they are located:

EXCEPTIONS:
1. Rabbit and quail hunting seasons open Nov. 1 - Dec. 31. At Yellowbank WMA, no small game hunting allowed on designated pheasant quota hunt units during pheasant quota hunt period.
2. On the Peninsula Unit, including Narrows, Goose and Grass islands, hunters may use a muzzle-loading shotgun or crossbow during the fall firearm season and may use a crossbow during the fall archery season.
3. During quota hunts, all deer hunting seasons on this WMA are closed, except to drawn hunters. Archery/crossbow quota hunt from the third Monday in October through Nov. 30, except when closed during the quota hunt that starts the first Saturday in November.
7. Open under statewide regulations for 10 consecutive days starting the second Saturday in November.
8. On the Sinclair Unit, quail hunting allowed between 7:30 a.m. - 3 p.m. on Thursdays and Sundays; On the Ken Unit, quail hunting allowed between 7:30 a.m. - 3 p.m. on Wednesdays and Saturdays. On either unit, the daily bag limit for quail is four. 9. Sauerheber Unit closes to public access from Nov. 1 through March 15, as designated by signs, except for waterfowl quota hunt permittees.
10. Open for December muzzleloader season only.
11. Pheasant quota hunts, either sex, limit two, Dec. 2, 3 and 4; Open Dec. 5 only to drawn pheasant quota hunters, either sex, limit three; Open Dec. 6-31, either sex, daily limit three.
12. Open only in bear zone.

OTHER RESTRICTIONS:
* Barren River Lake WMA: On the Peninsula Unit, including Narrows, Goose and Grass islands, hunters shall not use a modern firearm to take game.
* Otter Creek Outdoor Recreation Area: User permit required. A person shall not enter the area during the deer quota hunt without a valid quota hunt confirmation number. All small game and turkey seasons closed during the quota deer hunt. Hunters may not use rifles or ball or slug ammunition to take furbearers and may not use a rimfire gun to take small game unless participating in the deer quota hunt. Trapping season open Jan. 1 through the last day in February.

NOTE: Before trapping on a WMA or Outdoor Recreation Area, a Kentucky Fish and Wildlife Public Area Trapping Registration Form must be completed. See page 28 for details.

**PUBLIC LANDS HUNTING AREAS**

- Open under statewide regulations
- Closed
- Quota hunt
- Open with exception(s)

**OPEN UNDER STATEWIDE REGULATIONS FOR ALL SPECIES** in accordance with the county in which they are located: **15. Marion County WMA & State Forest (502-477-9024); 16. Rolling Fork WMA (502-477-9024); 17. Stephens Creek WMA (859-428-2262). CALL FOR DETAILS:** **A. Bluegrass Army Depot (859-779-6651).**

### # EXCEPTIONS:

1. Open for December muzzleloader season only.
3. Open archery hunt, either sex, Monday through Thursday only, from the first Saturday in September through Dec. 17 and daily from Dec. 18 through the third Monday in January; Open crossbow hunt, either sex, Monday through Thursday only, Sept. 17, 2022 through December 17 and daily from Dec. 18 through third Monday in January; Closed during scheduled field trials as posted on bulletin board at WMA office.
4. Open for furbearer trapping; Closed for furbearer hunting.
5. Check-in, check-out required at John A. Kleber WMA office.

### OTHER RESTRICTIONS

**Curtis Gates Lloyd WMA:** Unleashed dogs are prohibited April 1 until the third Saturday in August, except during department-authorized field trials and the spring squirrel season.

**Miller Welch-Central Kentucky WMA:** Unleashed dogs are prohibited April 1 until the third Saturday in August, except during department-authorized field trials and the spring squirrel season. At other times of the year, unleashed dogs are permitted on Tuesdays, Thursdays, Saturdays and Sundays.

### NOTE:

Before trapping on a WMA or Outdoor Recreation Area, a Kentucky Fish and Wildlife Public Area Trapping Registration Form must be completed. See page 28 for details.

**Veterans Memorial WMA:** Access within the WMA may be restricted due to construction.

**PUBLIC SHOOTING RANGES** are available on Curtis Gates Lloyd WMA, Higginson-Henry WMA, John A. Kleber WMA (check [fw.ky.gov](http://fw.ky.gov) for temporary closures), Jones-Keeney WMA, Miller Welch-Central Kentucky WMA, Otter Creek Outdoor Recreation Area, Peabody WMA, Taylorsville Lake WMA and West Kentucky WMA. Users must comply with all rules posted by sign per each area. Shooting ranges are closed on Mondays and during deer quota hunts at applicable WMAs. Some ranges can be reserved for special events by contacting the WMA manager 30 days in advance of the event. For more information, visit [www.arcgis.com](http://www.arcgis.com) and type “Kentucky Shooting Ranges on Public Hunting Areas” in the search box. Public shooting ranges also are available on Daniel Boone National Forest. Details are available online at [www.fs.usda.gov/dbnf](http://www.fs.usda.gov/dbnf) by clicking on “Recreation” and then “Other Activities.”
6. The main tract of the management area is closed to public use.

PUBLIC LANDS HUNTING

5. Pheasant quota hunts, either sex, limit three; Open Dec. 2-5.

4. Open until 3 p.m. (local time) on Tuesdays and Saturdays from Nov. 1 - Dec. 31, except closed Nov. 5-6 for the deer quota hunt and in the pheasant quota hunt units during pheasant quota hunts Dec. 2-5.

3. Open Nov. 1 - Dec. 31, except closed Nov. 5-6 for the deer quota hunt and in the pheasant quota hunt units during pheasant quota hunts Dec. 2-5.

2. Archery and crossbow hunting prohibited on main tract during the quota fox hunting field trials, Sept. 14-17; Sept. 28 - Oct. 1; Feb. 22-25 (2023).

1. Only the Beech Fork Tract is open to hunting under statewide rules and regulations. Portions open during elk quota hunts to permit holders.

OPEN UNDER STATEWIDE REGULATIONS for all species in accordance with the county in which they are located:

CALL FOR DETAILS: B. Ohio River Islands National Wildlife Refuge (304-375-2923).

# EXCEPTIONS

1. Only the Beech Fork Tract is open to hunting under statewide rules and regulations. Portions open during elk quota hunts to permit holders.

2. Archery and crossbow hunting prohibited on main tract during the quota fox hunting field trials, Sept. 14-17; Sept. 28 - Oct. 1; Feb. 22-25 (2023).

3. Open Nov. 1 - Dec. 31, except closed Nov. 5-6 for the deer quota hunt and in the pheasant quota hunt units during pheasant quota hunts Dec. 2-5.

4. Open until 3 p.m. (local time) on Tuesdays and Saturdays from Nov. 1 - Dec. 31, except closed Nov. 5-6 for the deer quota hunt and in the pheasant quota hunt units during pheasant quota hunts Dec. 2-5.

5. Pheasant quota hunts, either sex, limit two, Dec. 2, 3 and 4; Open Dec. 5 only to drawn pheasant quota hunters, either sex, limit three; Open Dec. 6-31, either sex, daily limit three.

6. The main tract of the management area is closed to public use Sept. 14-17, Sept. 28 - Oct. 1, Feb. 22-25 (2023) except for those registered to participate in quota fox hunting field trials on those days.

9. Crossbows legal during entire archery season, except closed during the November open youth hunt.

10. Youth gun seasons open. An open youth hunt is held on the first Saturday in November for two consecutive days and is limited to youths ages 15 and under. Check in and check out required, but any deer harvested must also be telechecked. Limit of two deer, only one of which may be antlered. Closed to all other hunting during the two-day event.

11. Deer, bear, and elk hunting is archery/crossbow only (firearms prohibited) on two areas near the dam: 1) the entire hollow surrounding the Shoal Branch cove of the lake west of the dam beginning where the Paintsville Utilities Water Treatment Plant building is visible on the lake edge.

12. Hunters cannot use a modern gun or in-line muzzleloading gun. Hunters shall use only open or iron sights on any weapon.

13. Centerfire rifles and handguns may not be used to take deer.

14. Open under statewide regulations for 10 consecutive days starting the second Saturday in November.

15. Deer, bear, and elk hunting is archery/crossbow only (firearms prohibited) on two areas near the dam: 1) on the east side of the dam, the area extending southward from the dam to old Shoreline Campground No. 1, and 2) on the west side of the dam, the area extending westward from the dam along Ky 302 to Terry Boat Ramp.

16. Portions open during quota elk hunts to persons who possess the appropriate elk hunting permit.
17. Hunters may use a crossbow during the archery season but shall use only open or iron sights on any weapon.

18. Open for October muzzleloader season only.

19. Hunters shall not use any type of breech-loading firearm.

20. Open for December muzzleloader season only.

21. Open only in bear zone.

22. Portions open during the archery/crossbow quota elk hunts only to persons who possess the appropriate elk hunting permit.

**OTHER RESTRICTIONS**

* Clay WMA: During the pheasant quota hunt period, pheasant quota hunt units close to small game hunting for four consecutive days starting the first Friday in December. Rabbit, quail and grouse hunters must check in and check out at a self-service kiosk and clearly display a department-provided vehicle hang-tag in a vehicle. Hang-tags available in advance through the department’s website. Portions of this WMA in Fleming and Bath counties are Zone 3 for bear.

* Czar Hunting Access Area: Beech Fork Tract: Open to hunting under statewide and countywide rules and regulations. Bow Tract: Open during elk quota hunts to those who possess the appropriate elk hunting permit. Closed to all other hunting. Czar Tract and Area 3 Tract: Open during elk quota hunts to those who possess the appropriate elk hunting permit. Quota hunt for rabbit and spring turkey. Closed to all other hunting. Applicants must contact Mintha Jenkins via email (mintha.jenkins@boothenergy.com) for further requirements before accessing the area or to apply for the quota hunts.

* Grayson Lake WMA: Camp Webb is closed to all hunting.

* South Shore WMA: Closed to all hunting and public access November 15 - January 15, except open for waterfowl and dove hunting when statewide seasons are open.

* Elk Horn Coal Hunting Access Area: Camping, ATV use, horseback riding, baiting, livestock production and the use of screw-in steps or tree stands that have screws and spikes which may injure trees are not permitted on the property. Waiver required to access property. Go online to fw.ky.gov and search under RH Group for more information.

* Sunny Brook WMA: Area may periodically close to public access due to future stream restoration construction. Closures will be marked through signage.

NOTE: Before trapping on a WMA or Outdoor Recreation Area, a Kentucky Fish and Wildlife Public Area Trapping Registration Form must be completed. See page 28 for details.

---

**Kentucky Hunters for the Hungry (KHFH)** is a nonprofit, volunteer organization that encourages hunters to harvest and donate deer each season for distribution to homeless shelters and food banks throughout the state.

Hunters in Zone 1 counties have a unique opportunity to help. They may take an unlimited number of antlerless deer so long as they have purchased the appropriate additional deer permits.

You can also donate $2 when renewing your car or truck’s registration and help pay the cost of turning venison into a nutritious meal for the less fortunate in communities across Kentucky.

Approved processors are located in the following counties: Adair, Anderson, Boone, Boyd, Bracken, Campbell, Casey, Christian, Clark, Clay, Crittenden, Garrard, Grant, Graves, Grayson, Jefferson, Kenton, Lewis, Lincoln, Marion, Marshall, McCreary, Meade, Menifee, Mercer, Oldham, Owen, Pulaski, Scott, Shelby, Spencer, Webster, Warren, Wayne and Wolfe. Contact the processor in advance to confirm shop hours and which seasons the processor will be accepting deer. Every processing shop is independently owned and operated and not under control of Kentucky Hunters for the Hungry.

---

**Kentucky Whitetail Access** is a new KHFH program that pairs landowners who need assistance controlling depredating deer with hunters who can help. Visit the KHFH website for more information about this program and application forms.

---

**Detailed instructions about how to donate your deer and a list of participating processors are available online at** [kyhuntersforthehungry.info](http://kyhuntersforthehungry.info)

41. Ross Creek WMA (606-677-1098);
42. Shillalah Creek WMA (606-654-2533);
43. Stone Mountain WMA & State Natural Area (606-654-2533);
44. Wells Hunting Access Area (606-435-6229).

EXCEPTIONS
3. Open under statewide regulations for two consecutive days starting the second Saturday in November.
4. Open for December muzzleloader season only.
5. Pheasant quota hunts, either sex, limit two, Nov. 18; Open Nov. 21 only to drawn pheasant quota hunters, either sex, limit three; Open Nov. 22 - Dec. 31, either sex, daily limit three.
6. Fur bearer trapping open with permission; Closed for fur bearer hunting.
7. Open from Sept. 1 through the last day of February.
8. Portions open during quota elk hunts to persons who possess the appropriate elk hunting permit.
9. Open until 3 p.m. on Tuesdays and Saturdays from Nov. 1 - Dec. 31, except when closed during the modern gun deer season. Daily bag limit is four quail and two grouse.
10. Portions open during the archery/crossbow quota elk hunts only to persons who possess the appropriate elk hunting permit.

OTHER RESTRICTIONS
* Big South Fork NRRA: Open for wild pigs from the first Saturday in September through the end of February, but a Big South Fork hog hunting permit is required at times. Call for specific dates and details. Permits may be purchased at park visitor centers or online at www.nps.gov/biso/planyour-
PUBLIC LANDS HUNTING

visit/hunting.htm.

* Green River Lake WMA: During the pheasant quota hunt period, pheasant quota hunt units closed to small game hunting for four consecutive days starting the third Friday in November. A person shall not hunt sandhill cranes within 100 yards of the normal summer pool level of 675 feet, east of the Hwy. 551 Bridge in the following embayments: Green River to the Snake Creek Boat Ramp; and Casey Creek to the Hwy. 76 bridge.

* Hidden Valley Training Area: Area closes periodically for training exercises. Call (606) 878-9595 for more information about training dates.

* Robinson Forest WMA: The main block of this area is closed to all hunting. The remainder of this WMA is open under statewide requirements.

* Rockcastle River WMA: Rabbit, quail and grouse hunters must check in and check out at a self-service kiosk and clearly display a department-provided vehicle hang-tag in their vehicle. Hang-tags available in advance through the department’s website.

* Elk Horn Coal Hunting Access Area: Camping, ATV use, horseback riding, baiting, livestock production and the use of screw-in steps or tree stands that have screws and spikes, which may injure trees, are not permitted on the property.

* RH Group Hunting Access Area: Commercial guiding, camping, ATV use, horseback riding, fishing, night hunting, baiting, livestock production and the use of screw-in steps or tree stands that have screws and spikes which may injure trees are not permitted on the property. Waiver required to access property. Go online to fw.ky.gov and search under RH Group for more information.

* Pike Elkhorn Hunting Access Area: Access to the Letcher County property via Wright’s Fork Road of US 23 is not permitted.

NOTE: Before trapping on a WMA or Outdoor Recreation Area, a Kentucky Fish and Wildlife Public Area Trapping Registration Form must be completed. See page 28 for details.

QUOTA HUNTS

INTRODUCTION

Kentucky Fish and Wildlife conducts quota hunts for deer, pheasant and migratory birds (waterfowl and mourning doves).

Some hunts are mentored hunts for youth and accompanying adults. Some hunts are open to mobility-impaired hunters only.

Any resident or nonresident may apply for quota hunts. Only the person(s) successfully drawn for quota hunts may hunt. Substitutions are not allowed.

Applicants drawn for quota hunts must purchase applicable licenses and permits to legally hunt during the quota hunts.

HOW TO APPLY

To apply for quota hunts: Go online to fw.ky.gov. The non-refundable fee is $3 per hunter to apply.

The application period is September 1-30 only. Hunters may apply for multiple quota hunts for different species at the same time.

Applicants will receive a confirmation number. When the drawing is completed, results will be posted online at fw.ky.gov. Applicants may also call Kentucky Fish and Wildlife weekdays 8 a.m. to 4:30 p.m. (Eastern time) at 1-800-858-1549 and provide either their confirmation number or order number to find out if they were selected.

QUOTA DEER HUNTS

Deer quota hunts are held on 16 WMAs, five state parks (Dale Hollow Lake, Greenbo Lake, Green River Lake, Kenlake, Kincaid Lake), and Otter Creek Outdoor Recreation Area. Additionally there are quota deer hunts for mobility-impaired hunters on Green River Lake WMA, Taylorsville Lake WMA and Zilpo-Twin Knobs Campgrounds (on Cave Run Lake).

Follow the rules!

Hunters who do not comply with quota hunt requirements are ineligible to apply for any quota hunt the following year (including deer, pheasant and waterfowl), and will lose any accumulated preference points.

If applying for a deer quota hunt as a group, each applicant’s preference points will be used to calculate an average point total for the group. A group with a higher preference point average will be randomly selected before a group with a lower preference point average.

A maximum of 10 percent nonresidents can be drawn in each deer quota hunt pool.

Drawn quota hunters may bring one non-hunting person along on their hunt. The non-hunting person is not required to have applied for the quota hunt but must check in and check out with the drawn quota hunter. Participants must abide by hunter orange requirements.

Ground blinds used during gun
quota hunts for deer must have a hat or vest made of solid, unbroken hunter orange material attached to the blind so that it is visible from all sides. Hunter orange clothing requirements still apply for any persons inside the blind.

**PHEASANT QUOTA HUNTS**

Pheasant quota hunts are held on Yellowbank WMA, Green River Lake WMA and Clay WMA. See the “Public Hunting Areas Quick Reference” charts for dates. All drawn pheasant hunters must buy (regardless of attendance) and carry while hunting a pheasant quota hunt permit, which is $25 and may be purchased online or from license vendors anytime before the hunt. Permits are not transferrable.

**DOVE MENTORED HUNTS**

Youth hunters and an accompanying adult may participate in mentored dove hunts on a limited number of public fields.

Locations of mentored hunts are published in the hunting guide for dove and early waterfowl. This guide is available for download from the department’s website, or by calling 1-800-858-1549 in early August.

**MOBILITY-IMPAIRED QUOTA HUNTS**

Persons with one of the following physical conditions are eligible to apply for a mobility-impaired quota hunt. At check-in, drawn hunters must show a WMA Mobility-Impaired Access Permit, available in advance of the hunt date from Kentucky Fish and Wildlife.

- Has permanent paralysis of at least one (1) leg;
- Has at least one (1) foot amputated;
- Is permanently confined to a wheelchair or must use crutches, or a walker as a means of support to pursue daily activities;
- Is restricted by a lung disease to such an extent that the person’s forced respiratory expiratory volume for one (1) second, when measured by spirometry, is less than one (1) liter, or the arterial oxygen tension is less than sixty (60) mmHg on room air at rest;
- Requires portable oxygen;
- Has a cardiac condition to the extent that the person’s functional limitations are classified in severity as Class 3 or Class 4 according to standards set by the American Heart Association; or
- Has a diagnosed disease which creates a severe mobility impairment.

**WATERFOWL QUOTA HUNTS**

**WATERFOWL/MIGRATORY BIRD QUOTA HUNTS**

The Kentucky Department of Fish and Wildlife Resources is migrating much of its waterfowl and migratory bird hunting information to its website. Find information not covered in this printed guide online at [fw.ky.gov](http://fw.ky.gov), including a form downloadable to smartphones. This page covers basic information.

Season-long blind drawings are available at Barkley Lake, Barren River Lake, Doug Travis and Green River Lake. Drawings are typically held from August through October. These are separate from general quota hunt drawings held in September. Kentucky Fish and Wildlife announces dates and locations for these waterfowl blind drawings in August. Check online at [fw.ky.gov](http://fw.ky.gov) for more information.

**PUBLIC LAND HUNTING**

**Ballard WMA (Ballard County)**

Hunters are not required to hunt from blinds maintained by Kentucky Fish and Wildlife. Hunters will be drawn for one of 14 hunting units. The party who draws that unit can hunt anywhere within the unit.

- Hunts available through quota draw for individual dates only.

**MENTOR/MOBILITY-IMPAIRED HATCHERY HUNTS**

Minor Clark and Pfeiffer Fish Hatcheries (Rowan and Franklin counties)

- Open to mobility-impaired hunters with access permit, and youths under the age of 16 accompanied by an adult mentor. A mentor may hunt.
- Hunters must apply online between Nov. 1-15.
- Mentor/youth hunt groups limited to four hunters, with no more than two hunting adults.

**Doug Travis WMA Mobility-impaired Hunt (Carlisle and Hickman counties)**

- Two blinds available.
- Applications accepted by mail, Sept. 1-30.

**SANDHILL CRANES**

- Apply in September at [fw.ky.gov](http://fw.ky.gov) for the Sandhill Crane permit drawing.
- Hunters may be drawn for up to three permits a season.
- Portions of Green River Lake and Barren River Lake are refugee areas and closed to crane hunting.
- Hunters must pass a migratory bird identification test before receiving their sandhill crane permit and leg tags.

**HUNTER ASSISTANCE NEEDED**

**WHITE-TAILED DEER**

Kentucky Fish and Wildlife collects heads from hunter-harvested deer for Chronic Wasting Disease (CWD) testing. CWD has not been detected in Kentucky. However, adequate testing is essential for early detection and limiting the spread of this always fatal disease of deer. Hunters should cut the head of a harvested buck or doe off a couple inches below the base of the skull and freeze.

**Submiting deer samples**

Kentucky Fish & Wildlife has several voluntary sample collection sites hunters can use to donate deer heads for testing. To find the site nearest you, go online to fw.ky.gov/cwd for maps and collection times. You may also contact a biologist using this online site to arrange a sample submission.

**RABBITS**

Report the location of any site with multiple dead rabbits to a local biologist or by calling 1-800-858-1549 or emailing Info.Center@ky.gov. The department is monitoring for Rabbits Hemorrhagic Disease, which has been found in domestic rabbits in Kentucky and the Southeastern United States, but not in wild rabbits in Kentucky. Humans are not at risk for this disease. However, people should not handle rabbit carcasses which are not hunter-harvested, as other diseases transmissible to humans may be present.

**TAKE PRECAUTIONS**

Wear gloves, keep your knife clean and wash your hands when processing wild game. If you harvest an animal and find something abnormal in the body or meat and you have concerns, take pictures and freeze a sample. Then contact a local biologist for guidance. Finally, don’t eat an animal that appeared sick before its harvest.

Exclusive Hunting and Fishing Access

It’s a common complaint. Almost every hunter or fisherman knows the difficulty of finding a place that isn’t over hunted or over fished. As the interest in outdoor activities increase, so too does the congestion on prime areas to hunt and fish. This not only depletes the stock but also takes the enjoyment out of the sport. There is, however, vast areas of land, lakes and rivers largely untouched and limited to a select group of individuals available to those who are interested. These areas boast some of the best hunting and fishing across the U.S., and feature successful game management programs.

For starters, there are over 650,000 acres of pristine hunting and fishing in both Alaska and Texas. There are huge reserves in Colorado, Georgia, North Carolina and Tennessee. All open to those who would enjoy it the most. These aren’t the only places either. In fact, there are dozens of locations across the states that have set aside areas to hunt and fish. Everything in season from waterfowl, turkey, wild pigs, several types of deer, caribou, elk, moose and bear to name a few. Plus, several species of fish including King and Silver salmon.

If hunting or fishing these areas is on your bucket list, keep this in mind. Many U.S. Army installations across the states have these grounds, tucked away available to a select population. Only active and reserve soldiers, and qualified civilians are authorized to venture onto these optimal areas.

There are over 150 careers available in the Army, many with incentive bonuses. The benefits of military service include health insurance, retirement plans, training and educational opportunities, family support programs and of course, access to a multitude of some of the best hunting and fishing in the U.S. To learn more about the U.S. Army, text “OUTDOOR” to “goarmy” (462769).

To find out how to hunt/fish on Army installations go to:
https://isportsman.net/Locations.aspx

For a look at locations of Army Installations go to:
