**Directions & Description (by tract):**

This area is open for the hunting of all game animals, but refer to tract description for elk hunting specifics. Damage to any trees, such as screw-in steps, baiting, and hunting over or with the aid of bait are prohibited on the properties.

Active surface mining operations may still be taking place on the area. Please be careful when navigating the haul roads and stay well away from equipment and high wall mines. Semi-trucks and mining equipment always have the right-of-way!

**North Martin County:** Contact: Scott Freidhof 606-783-8634

This property is located in Martin County northeast of Dewey Lake WMA. Habitat on this area consists of reclaimed strip mine land comprised of grass and scrub with areas of timber dispersed over the area.

This section of the property is within Elk Hunting Unit 6. A portion of the property on the southern part of this map is managed as the Tug Fork Regulated Area for elk hunting, while the remainder is open without restrictions to hunters selected for this unit. Drawn elk hunters may apply to hunt this property during the Elk Hunting Unit and Regulated Area drawing. Please refer to the elk hunting portion of our website.

**South Martin - Pike:** Contact: Scott Freidhof 606-783-8634

This tract is located in Martin and Pike Counties, and is comprised of large sections of reclaimed surface mines bisected by timbered ridges and hollows.

This portion of the property is split into Elk Hunting Units 6 and 7 with highway 119 being the dividing line, with north and west of 119 Unit 6, and south and east unit 7. Be aware that the northwest corner of this tract is managed as the Tug Fork Regulated Area, but the rest of this tract is open to elk hunters without restrictions to those selected for these units. Drawn elk hunters may apply to hunt this property during the Elk Hunting Unit and Regulated Area drawing. Please refer to the elk hunting portion of our website.

**Tug Fork - Martin:** Contact: Scott Freidhof 606-783-8634

This property is comprised of reclaimed strip mine areas of varying stage/age of reclaimed as well as large sections of timber. This property is located within Elk Hunting Unit 6 in Martin, Floyd, and Pike Counties. The majority of this tract is managed as the Tug Fork Regulated Area, but the smaller outlying tracts are open without restrictions to hunters selected for this unit. Drawn elk hunters may apply to hunt this property during the Elk Hunting Unit and Regulated Area drawing. Please refer to the elk hunting portion of our website.

**Online Resources**

Public Hunting Area users must abide by the Kentucky hunting, trapping, and fishing regulations. It is incumbent on persons using Public Hunting Areas to become familiar with these regulations. Kentucky Department of Fish & Wildlife Resources provides these regulations on our Web site at [fw.ky.gov](http://fw.ky.gov) or by calling 1-800-858-1549.
NOTE TO MAP USERS:

For most WMA maps the landscape is depicted using a combination of elevation contours, hillshading and a green tint indicating woodland areas that is derived from satellite imagery. On WMAs that are relatively small or have a history of surface mining aerial photography is used.
