The area is primarily forested with approximately 54 acres of openings scattered throughout the property. The terrain is hilly with some steep terrain and sinkholes along the creek. Moderate to good populations of deer, turkey, squirrels, furbearers and songbirds are present on the area.

There are no developed facilities and interior trails are maintained for foot travel only. No ATVs, camping, or horseback riding is allowed on the property. The area is open to public hunting. Check the Kentucky Hunting and Trapping Guide for seasons and dates.

Online Resources
Public Hunting Area users must abide by the Kentucky hunting, trapping, and fishing regulations. It is incumbent on persons using Public Hunting Areas to become familiar with these regulations. Kentucky Department of Fish & Wildlife Resources provides these regulations on our Web site at fw.ky.gov or by calling 1-800-858-1549.
NOTE TO MAP USERS:

For most WMA maps the landscape is depicted using a combination of elevation contours, hillshading and a green tint indicating woodland areas that is derived from satellite imagery. On WMAs that are relatively small or have a history of surface mining aerial photography is used.
