RH Group Hunting Access Area - index map

Area is open only to archery hunting.
For the tracts in Pike Co, hunters must contact the RH Group office prior to entry 606-437-4091

Map prepared by Kentucky Department of Fish & Wildlife Resources (KDFWR). Although KDFWR strives for accuracy, data used to create this map are from a variety of sources and dates; as such, KDFWR makes no representations regarding the accuracy or fitness for use of the information furnished herein.

Note to Map Users
A map legend and additional information are provided on PDF pages that accompany this map.

Publication Date: 9/13/2018
Area Habitat: mostly forest: open land 33%, forest 67%, wetland 0%, open water 0%.

Directions & Description: The property is comprised of reclaimed strip mine habitat of grasses and shrubs, with timbered ridges and drainages throughout. Strip mine habitat is of varying age and classification of reclamation. Use caution if active mining practices are underway, and give large trucks the right-of-way.

For the tracts in Pike Co, hunters must contact the RH Group office prior to entry 606-437-4091

Owned by RH Group:

This property is managed as three separate Regulated Areas for elk hunting and is located in Elk Hunting Units 6 and 7. Drawn elk hunters may apply to hunt these properties during the Elk Hunting Unit and Regulated Area drawing. Please refer to the elk hunting portion of our website.

All hunting is archery only. No commercial guiding, camping, ATV use, horseback riding, fishing, night hunting, baiting, livestock production, and the use of screw-in steps or tree stands that have screws and spikes which may injure trees are not permitted on the property.

Online Resources
Public Hunting Area users must abide by the Kentucky hunting, trapping, and fishing regulations. It is incumbent on persons using Public Hunting Areas to become familiar with these regulations. Kentucky Department of Fish & Wildlife Resources provides these regulations on our website at [fw.ky.gov](http://fw.ky.gov) or by calling 1-800-858-1549.
**Wildlife Management Area Map Notes & Legend**

**NOTE TO MAP USERS:**

For most WMA maps the landscape is depicted using a combination of elevation contours, hillshading and a green tint indicating woodland areas that is derived from satellite imagery. On WMAs that are relatively small or have a history of surface mining aerial photography is used.
