Note to Map Users
Map prepared by Kentucky Department of Fish & Wildlife Resources (KDFWR). Although KDFWR strives for accuracy, data used to create this map are from a variety of sources and dates; as such, KDFWR makes no representations regarding the accuracy or fitness for use of the information furnished herein.
**Veterans Memorial WMA Information**

**WMA Overview**

**Location & Size:** Scott County, 2,497 acres.

**Contact:** 859-428-2262

**Elevation:** minimum 860 feet, maximum 1020 feet.

**Entrance GPS coordinates:** Latitude N 38.30183, Longitude W -84.55771

**Area Habitat:** mostly forest: open land 26%, forest 74%, wetland 0%, open water 0%.

**Directions & Description:**

The entrance to the property is located on the north side of Rogers Gap RD, along the east side of I-75 in Scott County. Directions to the area are as follows: I-75 North of Georgetown, take exit 129 (Cherry Blossom Way), turn left and continue on, turn right on US 25 continuing about 2 miles. Then turn right on Rogers Gap RD (HWY 620), cross under I-75 and the entrance to the property is on your left.

Veterans Memorial WMA is owned by the Kentucky Department of Fish and Wildlife. The property has a variety of important habitat types for game species and declining migratory birds, reptiles and amphibians, including hardwood forests, shrublands, grasslands, and pond. KDFWR used 3.25 million from KY’s Wetlands and Streams Mitigation fund that is managed by the USCOE, USFWS, and US EPA, and KY Division of Water. The dept added $3 million in federal grant money specifically designated for fish and wildlife land acquisition. No state tax revenues or Fish and Game Fund dollars were used.

**Online Resources**

Public Hunting Area users must abide by the Kentucky hunting, trapping, and fishing regulations. It is incumbent on persons using Public Hunting Areas to become familiar with these regulations. Kentucky Department of Fish & Wildlife Resources provides these regulations on their website at [fw.ky.gov](http://fw.ky.gov) or by calling 1-800-858-1549.
NOTE TO MAP USERS:

For most WMA maps the landscape is depicted using a combination of elevation contours, hillshading and a green tint indicating woodland areas that is derived from satellite imagery. On WMAs that are relatively small or have a history of surface mining aerial photography is used.
