Wells Hunting Access Area Information

Public Hunting Area Location

Overview

Location & Size: Breathitt, Knott, Perry, Leslie County, 6,498 acres.
Contact: (606) 435-6229
Elevation: minimum 800 feet, maximum 1880 feet.
Entrance GPS coordinates: Latitude N 37.20601, Longitude W -83.04215
Area Habitat: mostly open land: open land 56%, forest 44%, wetland 0%, open water 0%.

Directions & Description:
The Wells’ HAA consists of several tracts of various sizes in four different counties centered around Hazard, KY. Two of the larger tracts are southwest of Hazard on the Perry/Leslie county line and southeast of Hazard near the town of Vicco.

The area consists of reclaimed surface-mined and forested land located in several disjointed tracts in Perry, Breathitt, Knott, and Leslie Counties. Good to moderate populations of squirrel, rabbits, grouse, deer, turkey, and songbirds exist on the area. The area is open under statewide regulations for small game, turkey, and deer seasons. This area has tracts that are in the at large elk hunting areas. Please refer to the elk portion of our website.

Owned by Mountain Properties Inc and N&G Holdings Company, Inc. Wells Hunting Access Area is the result of a cooperative agreement between the landowner and the Kentucky Department of Fish and Wildlife Resources.

Online Resources
Public Hunting Area users must abide by the Kentucky hunting, trapping, and fishing regulations. It is incumbent on persons using Public Hunting Areas to become familiar with these regulations. Kentucky Department of Fish & Wildlife Resources provides these regulations on our Web site at fw.ky.gov or by calling 1-800-858-1549.
Wildlife Management Area Map Notes & Legend

NOTE TO MAP USERS:

For most WMA maps the landscape is depicted using a combination of elevation contours, hillshading and a green tint indicating woodland areas that is derived from satellite imagery. On WMAs that are relatively small or have a history of surface mining aerial photography is used.
